Yankees Keep In Striking Distance With Two Victories

By The Canadian Press

The unpredictable Boston Red Sox had everybody guessing over the week-end.

They proved beyond doubt they aren't hitless wonders by any means when they rared back and pummelled six Philadelphia hurlers for 17 safeties and a crushing 18-8 victory Saturday, and pounded out 10 hits yesterday to scuttle Detroit Tigers 4-0 with Dave (Boo) Ferriss doing the twirling in the first game of a double bill.

Then they calmed down completely, and managed to scratch out only four hits as Hal Newhouser coasted to a 3-1 win, his sixth of the year against only one defeat.

Tigers rolled out their big guns to take the game, getting all their runs on circuit smashes by Hank Greenberg, Jimmy Outlaw and Dick Wakefield.

Meanwhile the prowling New York Yankees kept within 4 1-2 games of the American League leading Sox by sweeping both ends of a doubleheader from Cleveland Indians, 2-0 and 7-1, before 55,310 fans, the largest crowd of the season at Cleveland.

Spud Chandler and Allie Reynolds hooked up in a brilliant hurling duel in the opener, with Chandler taking the kudoes as Yanks rammed home two runs in the ninth. Reynolds was shaken up in a collision with Joe Gordon at second base in the ninth, and lost his stuff.

Chandler pitched to only 31 batters in notching his sixth win in seven games.

In the nightcap Yanks slugged four Indian hurlers for 11 bingles, including Joe DiMaggio's eighth round tripper, to give Red Ruffing his second win against one loss.

Washington Senators hung a double defeat on Chicago White Sox, 4-3 and 7-1. Veteran Ted Lyons almost won his first game of the year in the opener, but Senators phshed two runs across in the ninth to down the old master the fourth time.

Johnny Nigeling won his second of the season in the afterpiece, limiting Sox to four blows, at one time retiring 15 batters in a row.

Mickey Vernon, Washington first baseman, was a batting terror. He doubled and homered in the first game, then came right back to collect a single, double, triple and four-bagger in the second.

At St. Louis, an avalanche of 18 hits by Philadelphia Athletics yesterday swept the Brownies and five tossers to a 13-2 defeat in the second half of the twin bill, after the Browns dropped a heartbreaking 4-3 opener.

Sam Zoldak was on his way to a well-pitched win in the opener with the help of third inning consecutive homers by Hank Helf and Chuck Stevens, but he weakened in the seventh and eighth.

Seeking More U.S. Fights For Woodcock

HURN, England, May 19—(CP)—Jack Solomons, London prize-fighter promoter, tonight said he will ge to New York early next month to arrange more contests for Bruce Woodcock, British Empire heavyweight champion knocked out Friday night at Madison Square Garden in his first North American fight.

Solomons made his announcement when he met Woodcock here upon the Yorkshire fighter's arrival by plane from New York. Woodcock, accompanied by his manager, Tom Hurst, was greeted by his brothers Bill and Malcolm Woodcock.

In a cheerful mood despite his knockout by Tami Mauriello, Bronx slugger, Woodcock said he hoped to return to the United States for more fights. "The last words Mike Jacobs (New York boxing promoter) said to me before I left were: 'Come back, Bruce as soon as you can,'" Woodcock said.

Describing his loss to Mauriello, Woodcock said he felt that he was definitely winning until he got a butt on the head in a clinch which dazed him.

Kingarvie And David T. Win Plate Trials

TORONTO, May 19—(CP)—The little bettor trying to get a line of next Saturday's classic King's Plate didn't learn much from the Plate trials run at Woodbine Park yesterday on the opening day of the Canadian racing season.

Parkwood Stable's Kingarvie, of course, looked good when he romped home a winner by 2 1-2 lengths in the second division of the Plate trials, run in two divisions yesterday to accommodate 18 starters—nine in each division running over the six furlong route with $2,500 the prize in each division.

But Charles Turner's David T. also looked good when he won the first division of the Plate trial. And so did several of the other entrants in both divisions, but in the Plate itself next Saturday they have to travel a mile and an eighth. Besides, tradition is against the trial winners romping off with the honors in the Plate itself, for the King's 50 guineas and $10,000 added by the Ontario Jockey Club.

Kingarvie, a chestnut colt who was installed winter book favorite for the Plate, was followed Saturday by the late Harry Hatch's Blue Sweep, the N. L. Heise's Willie-Givit third. Kingarvie covered the distance in 1:14 2-5.

In the other division David T. won a neck victory over the favored Khabula, filly owned by the Medway Stable of Toronto, and George Groves' Barefoot Joe wound up third. David T. was in third place entering the stretch and raced to the front near the finish in 1:14 3-5.

A year ago the trial events were won by the Sheriff and Uttermost, and Uttermost went on to win the Plate when the Sheriff ran out of the money. In 1943 the trials were captured by Henfox and Korafloyd, but in the Plate itself Henfox was third and Korafloyd an also ran.

RECORD BY HOGAN

FORT WORTH, Tex., May 19—(AP)—Ben Hogan set a competitive course record with a five-under par 65 today to win the Colonial National invitation golf tournament by one stroke.

Hogan bettered the record by two strokes over 6,952-yard Colonial Country Club course to beat out Harry Todd of Dallas for $3 000 first money.

The Hershey, Pa., professional finished with 279.

Wrestling Show Here Wednesday

Big time wrestling returns to the Sporting Club on Wednesday night. Promoter Joey McDonald last night finalized plans to have four well-known grunt and groan artists perform on a card here that should give followers of the game around two hours of high-speed action.

In the main go Fred Carone of Brooklyn, N. Y., tangles with Kelonis of Chicago in a 60-minute time limit tussle while in the semi-final 45-minute encounter Jack Timmins will try to pin Bill Ryno's shoulders to the mat.

All four are newcomers here and come with high class reputations of putting up real/gruelling struggles every time they are pitted against each other.

LEGION PRACTICE

Baseball players intending to try out with the Legion baseball club are asked to turn out for practice this evening at the Park diamond at 6.30 sharp.

Bruce Woodcock who was making his American debut marked the second time in a week a British fighter met defeat in an international boxing match when he absorbed a fifth round knockout at the hands of Tami Mauriello in the Gardens Friday night. Listening to the fight over the ether Woodcock appeared to be more than holding his own and on his way to creating a major upset. However the American's twelve pound weight advantage asserted itself as he got stronger as the fight progressed and after taking Woodcock's best punches kept boring in until he finally connected with the clincher.

✤ ✤ ✤ ✤

Another big fight attraction will be staged at the Gardens again next Friday bringing together Lee Oma and Jersey Walcott with the winner likely meeting Mauriello for the right to fight the Louis-Conn survivor. Walcott is the "brown Cinderella man" of Camden, N. J., who rocketed to prominence on upset victories over Joe Baski and Jimmy Bivins. The 32-year-old father of six children has won 17 of his last 18 bouts and knocked out Johnn Allen of Philadelphia, the only man who had beaten him in a return engagement.

✤ ✤ ✤ ✤

The madcap Oma, who is supposed to be training as "alternate" in case anything happens to Billy Conn before the Louis fight, is riding a string of six victories. His last was a technical knockout over light heavyweight champion Gus Lesnevich on February 22. Nat Rogers, the Garden matchmaker, has been trying to arrange the Oma-Walcott "natural" ever since the May 24th date became "open" when the welterweight title fight between champion Marty Servo and Ray Robinson was postponed because of Servo's nose ailment.

✤ ✤ ✤ ✤

Pete Kelly, local ex-pro hockey player has accepted a position in New Glasgow as physical education instructor. Kelly, who was active during the war as a Y. M. C. A. supervisor will be greatly missed in local sport circles as he was an all-round athlete excelling in golf and hockey. He first came to Charlottetown to play with the Abbies during the Big Four days and has made this his home ever since. His last appearance as a hockey player here was with the Air Force when he was stationed at the airport as Y supervisor. The popular red head has been recently recovering from a broken leg received playing hockey overseas.

The 1946 Junior Golf Champion of Canada will be crowned at the Mayfair Golf and Country Club at Edmonton on July 29. Competition will be limited to junior players 19 years old and under who have qualified through their respective provincial play-downs or who have been selected by their provincial association. The match will be held in conjunction with the provincial four-man teams competing for the Willingdon Cup.

✤ ✤ ✤ ✤

The final winner of the Junior Championship will be presented with the Buckingham Trophy. The trophy which was put up for competition in 1938 by Charles H. Sclater, of Hamilton, a former president of the Royal Canadian Golf Association, has not been competed for during the war years.

✤ ✤ ✤ ✤

The trophy is over 26 inches high. Nine fluted pillars, each surrounded by an enamelled crest of the coat-of-arms of each province encircle a larger, central pillar bearing a crest of Canada's coat-of-arms and topped by the figure of a golfer. The pillars are on a black marble base, set upon a solid walnut pedestal.

The Indian distance runner, John Paul, who is the Island's only representative in this field of sport is busily engaged in training at Springhill, Nova Scotia, for the coming road races to be held at Sydney on the 24th of May. The races are jointly sponsored by the Post Record and the Holy Redeemer C. Y. O. and include a three mile, mile and one-half, one mile and one-half mile events.

✤ ✤ ✤ ✤

The wily Dave Castilloux successfully defended his Canadian welterweight title again Gus Mell, in their meeting in the Montreal Forum. Apparently Castilloux had to display all the boxing skill for which he is famous in order to get the close decision. His younger opponent had him on the canvas twice but was unable to break through the French-Canadian's defensive shell to follow up his advantage. Mell's next appearance will be in Boston where he has signed for three bouts.

Joe Cronin has been on the spot ever since he became manager of the Red Sox. Owner Tom Yawkey put him on the spot to begin with by purchasing him from the Washington Senators for a record price in players and cash and promptly saddling him with the dual role of player and pilot. The pressure continued to be on Cronin with Yawkey spending fabulous sums in an effort to buy an American League pennant.

Two Victories Over Phillies Put Cards On Top Again

TWO .....

By The Canadian Press

St. Louis Cardinals trotted out a pair of their prize southpaws at Philadelphia yesterday to curb the floundering Phillies 9-5 and 4-0 and grab firs place again in the nip and tuck National League battle.

Brooklyn Dodgers slipped off their high seat when Ed Heusser handcuffed them with seven scattered hits as the up and coming Cincinnati Reds took a 4-0 win in Flatbush for their fifth win in six games.

Boston Braves and Chicago Cubs, in a virtual tie for third place, battled all even in a doubleheader at Braves Field as the homesters foozled a 6-0 lead to drop the opener 8-6 and then battled back from behind to take the nightcap 5-3.

Pittsburgh Pirates split with the Giants at New York, taking the first game 3-1 and then dropping the return go 5-1.

Ed (No Hit) Head started on the mound for Brooklyn yesterday but didn't get beyond the first inning as Reds collected two vital runs. The Crimson Stockings added two more in the fifth to make it certain, with Eddie Miller homering.

A Philadelphia record crowd of 34,049 saw Max Lanier struggle through to victory in the first game, as Cardinals launched a 15-hit attack to smother the opposition. Harry Brecheen pitched masterful ball in the nightcap, and the Phils threatened only once, in a useless ninth inning rally that was quickly nipped by the Cat.

Stan Musial stroked a four-bagger to put Cards in the lead in the fourth.

Fritz Ostermueller cooled Giants with four hits in his winning attempt at New York as he pinned a defeat on rookie Monte Kennedy his first after two victories.

Home runs by Ben Warren, Buddy Kerr and Bill Rigney helped southpaw Dave Koslo to victory in the second game.

Jim Wallace of Braves blanked Chicago up to the fifth, then weakened to let three runs by. Home runs by Andy Pafko and Bill Nicholson put Cubs ahead 7-6 in the seventh and they added one more for good measure in the eighth.

In the afterpiece Cubs nicked former team mate Bill Lee for three runs before Braves got going and pulled the game out of the fire.

3 Intercollegiate Records Are Broken

By JOHN LANGLOIS
Canadian Press Staff Writer

WOLFVILLE, N. S., May 19—A strong Acadia University track and field team Saturday threw etiquette to the winds and walked off with top honors in a shower-swept intercollegiate track meet at which they played host to representatives of three other Maritime universities.

The Axemen won the first Maritime intercollegiate track classic to be staged since 1940 by amassing a total of 55 points. They were followed by St. Francis Xavier University of Antigonish, N.S., with 44 points; Mount Allison, Sackville, N.B., 32; and University of New Brunswick, Fredericton, 30.

The Wolfville squad placed first in five of the 16 events in the meet which saw three former intercollegiate records shattered and another the 220-yard dash standing since 1927, equalled.

R. Harris, Halifax, a Mt. A. man, broke the first record, throwing the discus 125 feet, two inches, to unset the mark of W. Crawford, also of Mt. A., in 1939. Crawford's throw was 121 feet, eight inches.

J. "Tink" Kyte of St. Peter's, N S., a St. F. X. man, jumped a new height of five feet, 10 inches, shattering the 1935 record of five feet, eight inches, set by L. Topshee of Sydney, N. S., another St. F. X. track star.

The javelin throw record was surpassed by 20 feet by U. N. B.'s F. Dohaney of Plaster Rock, N. B., who hurled it 164 feet, 7½ inches. The previous mark was set by R. Brannen, Acadia, in 1937.

Acadia's R. Manning of Amherst, N. S., equalled an old 1927 record for the 220-yard dash of 23 seconds set by E. Goodspeed of U. N. B.

Fred Compton of Sydney came near equalling another record for St. F. X. He won the mile run in four minutes, 46 2/5 seconds, less than seven seconds above the record, on the wet, slow track.

Trophy for the best all-round athlete at the meet was won by Tink Kyte who gathered a total of 22 points.

Next year's meet will be held on U. N. B. grounds.

Stay In England Is Prolonged

LONDON, May 19—(CP)— Gus Lesnevich, who knocked out Britain's Freddie Mills here Tuesday night in defence of his world light heavyweight crown, is prepared to stay in England a little longer—at least for one more fight.

Joe Vella, Lesnevich's manager, Saturday night signed the Cliffside, N. J., battler to fight his next bout in England, but the time, the place and the opponent were not specified.

League pennant winner was in the abbreviated season of 1918 when Edward G. Barrow, later boss of the Yankees was at the helm. But this looks like the Red Sox year. With their hitters living up to expectations and pitchers outdoing themselves the Beantowners hope to grab the bunting and bring relief to Cronin's worried mind at last.

Hampden In Easy Victory In Withers

NEW YORK, May 19—(AP)—The three-year-old varsity —Assault and Lord Boswell—played home out of the rain Saturday so it was practically no trick at all for Hampden to waltz to the wire in the 71st running of the Withers mile at Belmont.

The Delaware-owned dandy who was third behnid Assault in the Kentucky Derby two weeks ago and third again back of the Texas terror and Lord "B" in the Preakness last Saturday ambled home five lengths in front of Mrs. Walter Jeffords' Natchez. The highly-touted Rippey showed little of his usual "in-pey" and wound up fourth. Mrs. Elizabeth Graham's Perfect Bahram was third.

Eddie Arcaro rode William Dupont Jr.'s swifties to victory. Natchez had an eight-length lead on Perfect Bahram, who was doing all the running this time for the cosmetics queen.

An $11,000 yearling buy two years ago, Hampden moved right up into the bargain class with Saturday's job. He picked up $20,320 for the mile gallop which boosted his earnings to $70,495.

Following Rippey in order came Cable, Blunt Remark, Cedar Creek and Larkmead Andy.

Fencebusters Too Much For Invaders

Doug. McLennan's Atomic Invaders were defeated for the third straight time Saturday afternoon by Ed. Bagnall's Fencebusters, score was 21-12. The game was played on the Victoria Park diamond.

Both teams committed four costly errors but the hitting of the Fencebusters brought them the decision. A feature of the game was a sensational running catch by Downe of the Invaders in deep right field in the eighth inning.

G. Quigley and D. McLennan hit homers for the winners while McIsaac connected with a long triple for the losers.

Lineups—

Invaders: McLellan c; Gavin p; McRae, 2b; Douglas ss; McIsaac 3b; B. McLennan lf; Doug (Atom) McLennan cf; (Manager) Downe rf; MacDonald 1b.

Fencebusters: Hodgson c; D. McLennan p; E. Nicholson 1b; P. Leightizer 2b; Ed. Bagnall 3b; (Manager) C. McLennan ss; W. Beer lf; G. Quigley cf; Doug Hill rf.

Sports Writer Dropped From Injunction

NEW YORK, May 19 —(AP)—New York Yankees Saturday dropped Rud Rennie, New York Herald Tribune sports writer, from their injunction action against the Pasquel brothers and the Mexican Baseball League.

Rennie was named in the original order obtained by the club, restraining the Mexicans from luring or attempting to lure players south of the border. Rennie, who wrote a series of stories on the Mexican circuit earlier this spring for his paper, was named as an agent for the league in the order.

He denied he had represented the Mexicans.

$50,000 Race Won By Blue Again As Race Meeting Closes

(By The Associated Press)

ARCADIA, Calif., May 19—A 13 to 1 outsider from Canada, Blue Again, owned by R. W. Leatherdale of Windsor, Ontario, defeated a crack field of pacers by 1½ lengths Saturday in the $50,000 1¼ mile Western Harness Grand Pace, closing day feature of the Santa Anita Grand Circuit meet.

Blue Again was clocked in the world record time of 2:32½, a full second under the former mark set by Phil O'Neil in 1925.

Driven by Jim Cruise, the Canadian caperer came on top at the far turn and held off stretch bids by Red Streak and Doctor Brodie to win the richest race ever offered pacers.

Cloudy skies kept the crowd to 21,118 but failed to dampen wagering, which hit a single race high of $156,491 for the big event.

The win was worth $20,000 to Leatherdale, while Red Streak brought S. A. Camp and William Lachemaier of Shafter, Calif., $12,000 for second. Saunders Mills stable of Toledo, Ohio, received $6,000 for Doctor Brodie's third.

Eddie Havens, co-favored with Brown Prince at 3-1, broke down at the half mile.

Brown Prince set the pace for the first three quarters, then faded. April Star also was well up in the early going, but once the Canadian six year old put on the pressure, it was no contest.

A $5,000 consolation race at 1¼ miles for 13 original nominees for the grand pace was won by Ensign Hanover, three-year-old ace of Castleton Farms, Lexington, Ky., which has lost only one heat in 27 starts during a sparkling two-year career.

The odds-on favorite, Ensign Hanover was timed in 2:35.

Thee mutuel handle for th eight-race program totalled $888,338, another harness racing record.

Liverpool Team Just "Too Good"

NEW YORK, May 19— (CP)—There was no stopping the dazzling Liverpool soccer team which handed the pick of the American League a thorough 5-0 beating at Randalls Island Stadium today in the third game of its invasion as 16,000 fans looked on. At no time during the 90 minutes play was the English team seriously threatened.

Perfect combination and tricky footwork marked the game. Cyril Done, centre forward, followed up his hat trick at Baltimore last Wednesday night with another today and Bob Pridy and Jack Balmer scored the other goals.

To Re-organize Rovers' Club This Evening

The Rovers baseball team, in the not-too-distant past an outfit that was highly respected in local baseball circles, will be re-organized tonight at a meeting to be held in the Fire Hall, Gaytown, starting at 8 o'clock.

Since it was learned that the Rovers will be back in baseball circles this year much interest has been evidenced by old followers of the club and to these a particular invitation is being extended to attend tonight's meeting.

All players seeking a berth are also asked to make special efforts to be in attendance so as to get the necessary ground work laid well in advance of the opening of the season.

Bambinos And Killers Win

Grade IX Bambinos defeated the Grade X Battlers Saturday afternoon in the second game of the P.S.S. girls softball league by a score of 20-18. The game was hard fought all the way with Battlers coming from behind to take a well earned win. This win puts the Bambinos in a tie with Grade VIII Ramblers for the league leadership. Zelda Turner hurled a steady game for Bambinos with the hard hitting of Madrene McLean being a big factor in their win. For the losers, the battery of Doreen Diamond and Phyllis Burhoe was outstanding with steady fielding being turned in by Jerry Bryenton and Flora Cameron.

West Kent League

In the West Kent Girl's League, Sluggers tangled with Killers with the Killers packing too much power for their opponents to win out 29-19. Batteries for the game were Barrett and McEachern for Killers and Joan Wood handling Eleanor McInnis' pitching for Slugs. Janet McEachern showed the way in the hitting column with seven hits out of seven trips to the plate.

LONDON—(CP)—A British invention that attracted much attention recently was a thrust boret to facilitate underground pipe and cable installation without road disturbance. This machine can be operated by one or two men and guarantees accurate alignment of each thrust tube.
