MODERN IMPROVEMENTS—Substantial alterations have been made to the front part of the Ideal Dairy plant at Summerside with the purpose of having a clean attractive place for retail sales of their dairy products. Changes have been made to the facing of the building and there are now two large plate glass windows surrounded by glass blocks. There is also a section of glass blocks on each side of and above the doorway. This arrangement gives a maximum amount of light in the building and for dull days new fluorescent fixtures have been installed. On entering one's attention is immediately caught by the fact that the opposite wall is a vast expanse of glass and the purpose of this is to make all the operations in the plant visible to customers in the retail section. Important new installations and renovations are being made in the plant but these are not completed. To the right on entering is the office and this is separated from the main part by a counter with a customers' wicket. Ahead is a large white refrigerator showcase and to the left is a counter for wrapping parcels and where customers may be served with milk, chocolate milk and buttermilk, by the glass. The floor is of terra cotta tile and the lower part of the walls are of masonry. The entire decoration scheme is cream and white and gives an impression of cleanliness and purity.—S.

The program was as follows: Reading, by Miss Elaine Cash; song, by Misses Colleen, Noreen, Lauretta White; reading of a letter, "News Hit the Letter", by Miss Anita MacPhee; piano selection, "Country Gardens", by Miss Rosemary Cash; recitation, by Miss Margaret Trainor; stanzance, by Miss Helen Bordage; reading, by Miss Sylvia Ford. The remainder of the evening was spent in singing and dancing with Miss Kathleen Smith as pianist. The leaders of the sewing, Mrs. J. A. Murphy and Mrs. W. H. Ford, were very pleased with the evening performance. A delectable lunch was served by the committee. After the singing of the "National Anthem" everyone departed thanking Mrs. Cash for the pleasant evening spent.

Mr. and Mrs. Ham Brown, Charlottetown were recent visitors to York.—L.

Mrs. Harry Swan, York, has as her house guest her sister, Mrs. Jay White in York she is visiting with friends and relatives in York and Covehead Road.

Mrs. William Bowen, Wheatley River, has been the guest at the home of her daughter, Mrs. Earl Ling for the past weeks.

The community of York extended their heartfelt sympathy to the family of the late John Stetson of Marshfield in their recent sad bereavement. In the death of Mr. John Stetson the Province is again called upon to bear the loss of one of its grand old men at the advanced age of ninety.

The citizens of York who wended their way to York Hall on April 22nd, were kept in gales of laughter by the actors and actresses of the Grange Club of Central Christian Church of Charlottetown who presented their play, "Cheerio My Dearie" here on Thursday. This play was invited to York by the Day Spring Mission Circle of York United Church.

A meeting of potato growers of York and vicinity who have been in the quarantined area for the past several years took place in York Hall in the afternoon of April 26th, to cope with the problems as to whether they will be allowed to grow potatoes this season and the future methods of handling the yield, if the parasite still exists in some fields.

Rev. J. H. and Mrs. MacCallum of York had as their welcome guest Rev. Cross who gave a series of lectures in Central Church, Brackley, Pleasant Grove and York this past week. All who had the privilege of hearing Rev. Cross, spoke very feelingly of him and enjoyed his interesting lecture very much. It is to be hoped many more will have the privilege of hearing Rev. Cross again.

The many friends of Mrs. George MacMillan of Covehead Road regret to hear she is again confined in to the Prince Edward Island Hospital with the flu and all wish her a speedy recovery. Mrs. MacMillan has just recently recovered from a very sore back and a broken wrist as a result of a fall on slippery ice. Her daughter who is living at home with her parents at the same time was also suffering from a broken arm.

Speaking of storms and previous snowfall records broken in many provinces this past winter the writer thinks Monday's the most wintry storm that can be remembered. One of the latest on record in the memory of a good many was on April 20, 1926, when it was impossible for the school children to be met by horse and sleigh and many had to remain over night at nearby homes. The snowfall was heavy that winter and very few thaws so on the 26th, of April that year the snowy roadbed was still above the telephone wires in some sections and the tops of the orchard trees were like currant bushes in summertime. It would be interesting to hear from some who can recall a storm later than the one thus recorded.

The winding up of the winter's activities of the York Rifle Club took place in York Hall on April 28 when over fifty club members gathered in the afternoon for the final shoot of the season from 12:30 p.m. until nearly 6:30. Then the hall was cleared and tables were prepared for a sumptuous banquet which was furnished by officials of the Club and Ladies.

The members, a few welcome riflemen from Charlottetown as guests of the Club, with their wives and girl friends about one hundred and twenty five in all feasted from the heavily laden tables of delicious fare.

After the feasting, the drawing for the ladies' prizes and choosing of prizes in the order of merit took place. These prizes and money for such were generously donated by Moore & MacLeod, Wendell Vessey, Hooper Horne, C. F. Willis, Thompson Produce Co., Potato Growers Association, Brown Bros., Ivan Vessey and David MacLeod. The prize for the highest scoring of the evening was won by H. T. Vessey, 98. An unusual coincidence was H. T. Vessey drawing his wife's name for the ladies prize (a trophy which is retained for 1 year only.) Messrs. Vernon Crockett, York, Ralph Jenkins, Charlottetown and Harold Watts of York were the complimentary speakers of the evening. W. D. Cooke was Master of Ceremonies while H. T. Vessey moved a vote of thanks to all who assisted in the

Gorden

Mrs. John Embree of Port Hawkesbury, is visiting her daughter, Mrs. John Read at Gorden.

Mr. Thomas Sharpe of Cape Tormentine spent last week end with relatives at Gorden.

Mr. Edmund Toombs, business student at Charlottetown, spent the week end at his home in Gorden.

Mr. and Mrs. William Condon who have for some time been living with their daughter, Mrs. Ernest Grant at Gorden, have returned to their home in Charlottetown.

Mrs. Nell McLellan and daughter, Edna, of Gorden, spent the week end with her parents Mr. and Mrs. Hibbert Howatt of Charlottetown.

Mrs. Reginald Rodgers who has spent the past few weeks with her daughter, Mrs. Bert Saunders at Detroit, Mich., returned to her home in Gorden on Tuesday.

Mrs. Nell Darrach of Gorden visited Kensington on Friday to be present at the birthday party of her little granddaughter Sandra MacDonald who entertained about

a dozen of her little girl friends on this special occasion.

Sincere sympathy is extended to the relatives of Mr. Gordon Campbell of Charlottetown whose funeral took place there recently. On his return from World War I where he received his Captain's rank for service and devotion to duty he came to Gorden where he worked as deck hand and later as ship's carpenter until ill health forced him to retire a short time ago. Sorrow and deep regret were expressed by his officers and fellow workers at his early passing who all were agreed that he was "one of the best." His high character won the love and admiration of all who knew him and he has left us a splendid example of Christian living.

The regular meeting of the Ladies' Social Club of Gorden Union Church met at the home of Mrs. Ralph Toombs on Wednesday evening with the president Mrs. Elizabeth MacLean in the chair. Meeting opened by singing the Hymn, "Blest be the tie that binds. One new member was enrolled, making a membership of 27 to date. The Treasurer reported the receipt of payment of one hundred dollars on Church debt. A committee was appointed to repair or buy new blinds for the hall. The Sewing Committee reported the order of one and a half dozen aprons for the restaurant completed and delivered. The Sunday School asked the co-operation of the Club for their support with regards to a Sunday School Convention to be held in Gorden. The Club members felt honored to help serve such a worthy cause. Another chapter was read from the Study Book by Miss Ina Phillips and it was enjoyed by all the members. The meeting closed with the benediction. A social hour was spent in singing. A grab bag which

was much enjoyed by all, realized a nice sum. Lunch was served by the hostess assisted by Mrs. Weeks, Mrs. MacLean, Mrs. Cousins and Mrs. Coggins.—A.

Says Foreign-born Canadians Threatened

OTTAWA, April 28.—(CP)—John Diefenbaker (P.C.—Lake Centre) charged tonight in the Commons that foreign-born Canadians are being threatened with reprisals against relatives living behind the Iron curtain if they do not contribute to Communist funds. He said he and other members of Parliament knew of such

threats. In one case a Canadian with relatives in Yugoslavia was told that if he did not contribute to a fund his relatives would be harassed. The fund was to be used to foster the spread of Communism.
