STOCK QUOTATIONS

MORNING STOCK LETTER

(Received over Pitfield and Co's Private Wire)

NEW YORK, July 6—The most important piece of week end news is the statement by Secretary of Labor Perkins criticising the sit down strike. Secretary of Commerce Roper also criticised extremists on both sides of the labor question. American stocks in London were strong yesterday and Toronto and Montreal markets did better. In view of the good action in the last few days of last week we would expect the market to do better in New York today. We would look for better prices and a more active market. Believe the oils will be among the leaders but in view of the fact that this will be the fifth day up we would hesitate to follow the market aggressively today.

MONTREAL, July 6—Montreal Power—June electricity output for Montreal consumption up 16.35 per cent and six months production ahead 6.67 per cent. Gas outpot declined .91 per cent in June and 2.41 per cent for the six months.

Siscoe—June production at $220,000 up only slightly from May but 7 per cent ahead of June 1936. June tonnage down at 17,000 tons from 17,726 tons in May. Millheads improved from 12.83 to 13.49 value of production for first six months up 12 per cent from first half of 1936.

TORONTO, July 6—Gold production month June from Paymaster Con. was valued at $104,000 against 105,000 in the previous month and 81,000 June 1936.

Grain

WINNIPEG, July 6—(CP)—New price records were made in an exceptionally nervous market, ranging up and down a six-cent scale on the Winnipeg grain exchange today.

Wheat finally cracked under the influence of weakness at Chicago and profit-taking left closing futures 1 5-8 cents a bushel lower to 1-8 cent higher, July at $1.47, October $1.39 3-4 to 7-8 and December $1.36 1-2 to 5-8.

Short-covering in July rye found the price forced to hit peak level and a cent above July wheat, with observers claiming it was the first time a rye future has ever sold higher than wheat on the Winnipeg grain exchange. December barley and July oats made new seasonal highs.

However, closing levels found rye 3-4 to 2 cents down from yesterday's close, July at $1.46. Oats futures were firm. Barley and flax eased.

Earlier wheat zoomed from lows of nearly three cents to establish an eight-year high for October at $1.43 5-8 and a new seasonal peak in December future at $1.40 a bushel.

In cash wheat less interest was shown in most grades of wheat but Canadian mills were taking No. 1 Northern in small quantities.

CHICAGO, July 6—(AP)—Late heavy profit-taking sales that for the most part came from eastern sources led to sudden setbacks of wheat prices today near the end of trading.

The late reactions of wheat followed upturns to new peak prices for the sessions.

Pessimistic crop reports from North American wheat areas both winter and spring continued, with trade attention focused largely on black rust developments.

At the close, wheat was unchanged to 1 3-4 lower compared with Saturday's finish, July $1.24 to $1.24 3-8, Sept. $1.25 7-8 to $1.26; corn unchanged to 2 3-8 higher, July $1.25 1-2 to 3-4, Sept. $1.13 3-8 to 3-4, and oats unchanged to 1-4 off.

Produce Prices

MONTREAL, July 6—(AP) — A firm tone continued on Montreal open produce markets today with little change appearing in prices.

Graded egg shipments in carlots or less were quoted at 24 cents a dozen for grade A-large, 22 for A-medium, 20 for B-large and 18 for C.

Butter was quoted at 25 1-4 cts a pound for carlots or less of No 1 while lots to retailers were 26 to 26 1-2 for solids and 26 1-2 to 27 for prints.

Cheese was quoted nominally at 14 1-4 cents a pound for Ontarios while Quebecs were 13 1-2.

Potatoes: P.E.I. Mts. No. 1 90's 1.20; N.B. Mts. No. 1 80's 1.05 to 1.15; Que. No. 1 Mts. 80's .90; new whites No. 2 80's 1.25 to 1.40; new Virginias No. 1 barrels (approx. 170 lbs) 4.00; No. 2, 3.00 to 3.25.
