Just a word to the public and particularly to those who suffer from heart and stomach trouble. I have for sale at 42 Queen Street, opposite Auld Bros, a preparation known as Sterling Bitters, that is a first class remedy for heart and stomach trouble. The formula was brought to this province sixty-eight years ago and is by a celebrated Scotch Physician who was known throughout the British Isles as one of the foremost Pharmacists and practitioners of his time. Sterling Bitters has proved itself right here in our city and surrounding country, as it has been used with success by over two hundred persons within the last six weeks. As a stomach or heart remedy it has no superior on the market. P. McQuaid is the Registered Proprietor. Scores of references on application. Price fifty cents per bottle. 9-21dtf.

The management of the Provincial Exhibition has added to its list of specialties the noted trapeze artists Les Theodorwitzs. These two performers are eagerly sought by promoters of vaudeville acts and they were secured for this week's engagement here only after much difficulty. They have just completed an engagement with the management of the Toronto Exhibition. During the evenings of this week they will appear at the Arena Rink.

The Mystic Strongs in their first appearance at New Wonderland last night, made a most favorable impression. At the two performances they gave entirely new features, the first act being all magic, the second being an imitation of the Mocking Bird on the Piano, and the Prof doing some trick playing. He introduced some new card tricks, but completely mystified every one in his trying act. A member of the audience tied him fast, in view of the audience and at a shot from a pistol he was free. It's a good clean act, entertaining and clever and pleased all.

Best pictures, new illustrations, song, and the Wonderful Strongs at New Wonderland all this week. 9-21 dtf

It is soft and firm, lustrous and rich to the touch, it is full 19 inches wide, good weight, and its wear is guaranteed.

Drop in today and let us show you the goods and explain how we can afford to supply a line of silk that most stores sell for 1.00 at so low a figure as 69c

19 1/2 inch guaranteed taffeta, black and all colors 1 00

This range is a new departure—the sixty-nine cent silk has made us so many new customers that we have decided to launch the better grade also. This is a trifle wicker than the one above—better weight, equally lustrous and rich fully equal to what you will find in other stores at 1.25 per yard, supplied in black, navy, greens, cardinal, rose, amethyst, etc. \$1 00

THE FROST: THE EXHIBITION. GAY'S MARKET.

The frost we have had of late has not damaged the tomato or cucumber vines, but the next may be more severe, and it is advisable to take advantage of the present low prices and secure a full supply of tomatoes for chow and pickling.

Tomatoes are now at their best, onions red and white at lowest prices, small white onions particularly adapted for pickling are quite plentiful, small cucumbers and cauliflower, only a limited quantity.

When in town Exhibition week, do not forget to call at our daily market, better to forget to take in the exhibition. Wholesale green tomatoes, onions, cabbage, beets, carrots, parsnips, cucumbers, celery, corn, lettuce and other vegetables.

Every country store on the Island should send for our wholesale prices. Customers would appreciate the convenience of being supplied in the vegetable line at home, as many farmers have not the time or inclination to grow them for themselves. J. J. Gay & Son, Charlottetown Market. 9-20dr1w.

The Charlottetown Business College is certainly pushing work along with a vim this term. Students are enthusiastic and the teachers are gladly working overtime.

The two "Les Theodorwitzs" who appear this week at the Exhibition grounds, in the afternoons, and at the Arena Rink in the evenings, have no equals on the vaudeville stage, in trapeze work. Their balancing acts and wire "stunts," performed high above the ground, are of a most sensational character and cannot fail to arouse the interest and wonder of spectators. Their work is well known throughout the leading vaudeville theatres of America.

Full taxes now due. Executions are being made out, will be served next week. By paying at once expenses will be saved. 9-21dtf.
