Taylor, of Charlottetown, is a brother of deceased.—Picton Advocate.

CORNWALL NOTES.—Miss Gertrude Hertz, teacher of Worcester, Mass. who has been spending her vacation, with her uncle Mr. Joseph Hertz, returns by the Olivette today.—Harvesting is about completed in this section. The grain crop though not up to the average, is exceeding the expectations of the farmers.—Cornwall school reopened after vacation with an attendance of twenty-five. Our teacher Mr. McCallum has been conducting our school for the past four years, and now enters upon his fifth year. An estimate of the work done by Mr. McCallum may be had on reference to the list of students matriculating with P. W. College at the recent examinations. Cornwall school standing second to none of its class on P. E. Island.—The quantity of milk received at our cheese factory has declined, owing to the horn fly and poor pastures, to ten thousand pounds per day. On Friday night two hundred cheese were sold at 9¢ cts per pound and are being shipped to Dillon and Spillet to-day.—Cornwall in common with many other places on the Island furnished its quota of men for the Northwest Harvest excursion.

Address presented to Miss Donaldna McDonald of Point Prim by the members of Y. P. S. C. E. of that place.

DEAR TEACHER.—On this, the eve of your departure from our midst, we wish to convey you to our very great regret that those ties, which have bound us together in christain work, are about to be severed. Your place in the Sabbath and Y. P. S. C. E. cannot be easily filled. You fulfilled your duties as organist for these organizations very efficiently and courteously. Your class in Sabbath School to whom you have endeared yourself, will miss your instruction. As a Sabbath School worker you were sincere, and manifested a deep concern in the spiritual interests of your pupils. In the C. E. society, of which you were first an associate, later an active member, your zeal in furthering its interests has been very marked. Your courage and hope, even under trying circumstances, has been an inspiration to your fellow members. To your new sphere, you carry with you our best wishes for your welfare, and the hope that there also you may be a loving witness for the master known and read of all men. In conclusion we fervently pray that "God be with you till we meet again."

CASE IN PLATTSVILLE

Lady in that Place Proved to Have been Cured by Dodd's Kidney Pills

PLATTSVILLE, Ont., Aug. 26 (Special).—The Echo of this place has printed an account of Mrs. J. Barrett's case. Mrs. Barrett was cured of a general nervous weakness by Dodd's Kidney Pills. The following is an extract from the Echo's story, in which Mrs. Barrett's statement is published in her own words.
 "I was a physical wreck. I could not sleep, had no strength, suffered back-ache, headache and neuralgia and was nervous and miserable. I was treated by doctors, but their medicines afforded me no relief. I chanced to read of Dodd's Kidney Pills. I tried them. I have taken in all twelve boxes, and feeling better from the first, have steadily improved until now I have never enjoyed better health."

NEW DOMINION NOTES.—The tea in connection with the Presbyterian church of this place proved a financial success, notwithstanding the note of "warning" sounded by the steamer Southport. The patronage of so many friends from Charlottetown was much appreciated, the more so as they could not have come for pleasure, the day being wet, but to help along a good cause.—Our factory continues to turn out a first class article in cheese, under the painstaking management of Mr. McDonald.

A VERY pretty home wedding took place Wednesday evening at eight o'clock, at the home of Mr. Wm. H. Judson of Alexandra, Lot 49, when his only daughter Miss Janie E. Matheson of St. George, N. B. The bride looked charming in a dress of white organ-ile trimmed with white lace and ribbon and carried a bouquet of white flowers. The bridesmaid was Miss Effie Matheson sister of groom, who wore blue summer silk trimmed with cream silk and velvet ribbon. The groom was supported by Mr. George W. Judson, brother of the bride. The ceremony was performed by Rev. J. C. Spurr, B. A. After the ceremony the guests sat down to a sumptuous repast. The popularity of the bride was attested to by the many beautiful presents.

THE Sabbath School convention of North Queen's was held in the Presbyterian church at Hunter River on 22nd inst. The convention was a decided success notwithstanding the busy time of the year. Out of twenty-two schools eighteen were represented the Rev. G. P. Raymond was present and the executive committee made no mistake in selecting the Rev. gentleman as field secretary of Sabbath School work, as his addresses were to the point and very instructive. The afternoon session was spent in hearing the reports from the different schools and discussing the subject of running the same for the winter months. Mr. Raymond showed the advantage of running the school the year round. The district was well represented having six ministers. At the convention in the evening, Rev. A. N. Simpson read a paper on the Sabbath School of the past, the Sabbath School of the present and the Sabbath School of the future which must have been very profitable and encouraging to all. Mr. George Morris also read a paper on "The aims of the Teacher" which was grand indeed and well rendered. Miss Zella Clark's paper "The qualifications of a Teacher" was much appreciated. The Hunter River Choir rendered some very beautiful music one of the pieces being entitled "Will a Man Rob God." As the writer was appointed to give the address of welcome time would not permit it and it was crowded out. The people were delighted to entertain the delegates from different parts of the district. Supt. of the Methodist S. School.
