THE PESSIMIST.

There's plenty of wheat in this world of ours,
And plenty of chaff for the sieving,
And plenty of weeds and plenty of flowers;
But passing the wheat and flowers by
And gathering the chaff and the weeds with a sigh,
Goes the pessimist grim, with his lip uncurled.
His "Ho, hum, hum!" 'tis a hum-drum world,
If the best of life you would make your own.
The best of yourself be giving,
You will surely harvest whatever you sow.
You may garner the tares and the weeds, forsooth,
Or the golden grain and flowers of truth;
Cease, pessimist grim, with your lip uncurled,
Your "Ho, hum, hum!" 'tis a hum-drum world."
And make life worth the living.

The Kind You Have Always Bought

Bears the Signature of *Chas. H. Fletcher*

A well known and widely experienced Charlottetown tailor who needed a particularly fine piece of broadcloth for a ladie's suit went round to all the stores, examined every line offered, saw our famous monarch broadcloth after the most exacting comparison chose the MONARCH. The tailor knew quality and bought quality. Our price is 1.75 net and the only way you can get a better cloth is to pay 2.25.

Moore & McLeod 11-13dtr

"The cloth with the red selvage is creating some fun in the little ad world these days. We have the Cloth, have had it all along; sold thousands of yards of it. What the tailors and dress-makers say about the cloth with the red selvage is correct. The width is honestly only 54 inches, and the price \$1.75, less your regular shopping discount; why pay more? Paton & Co. 11-19dlw.

"A third shipment of the New Eng. Fish Church Book of Common Prayer and Hymns, all prices, all styles, of bindings, and all prices at the advertised list prices of the Publishers, Headquarters for Bibles, Hymn Books of the different Protestant denominations, and Catholic Prayer Books in great variety. Carter & Co. Limited, Importers of the latest and best in Books and Stationery. 11-18dlw.

They all wonder "where Moore & McLeod got that 69c guaranteed taffeta with their name woven in the selvage?" It is a bit of a secret, but Moore & McLeod have solved it all right. Makes no difference what mill in Switzerland makes the silk but it does make a difference to buy it at such an all right price and to know that the Moore & McLeod guarantee protects the customer every time. CELERY

Celery is not used to the extent that it should be. The medicinal properties in Celery is very great. The Japanese diet for most all diseases and celery is claimed by them to be a sure cure for rheumatism. We have experimented along these lines and found it to be correct. It is also very beneficial in any stomach trouble, and we know many who have been greatly relieved by its use. We are now taking orders for celery for winter use. We pack the celery in barrels with the roots on and with each order we send out a plan for successfully keeping it through the winter.

Celery per barrel \$2.50, for two barrels \$4.50, for three barrels \$6.00.

We also wholesale and retail cabbage, parsnips, beets, carrots, onions, cauliflower, sugar corn, etc. Send or special prices we are growers, not jobbers. Buy from the producer and save money.

A COMMERCIAL GENTLEMAN FROM THE NORTH OF ENGLAND.

Who has been travelling the Provinces of Quebec and Ontario in the interests of his firm, noticed our Bradley Muffler prices at 49c each. He said the Bradley Muffler brings more money elsewhere throughout Canada. Do me up half a dozen, and mail them first English mail?

Just the thing for Xmas Gift for my wife and daughter's friends.

They are now on their way, on board the Empress (C. P. R.) on their three thousand mile journey.

Perhaps you would like one for your friend in the Old Land. They are something new, novel and purely an American idea. People in the Old Land like American ideas, especially when they come from a Canadian port. Leave us your friend's address to-day, with four cents extra for postage, and we will do it up in a pretty box with a holiday air about it. We have others in cream and colors, not "Bradley," which looks just as good and feel just as comfortable at 39c and 35c.

The Mission

Of those corpuscles in your blood that have been called "Little Soldiers," is to fight for you against the disease germs that constantly endanger your health. These corpuscles are made healthy and strong by the use of Hood's Sarsaparilla.

This medicine is a combination of more than 20 different remedial agents in proportions and by a process known only to ourselves and it has for thirty years been constantly proving its worth. No substitute, none "just-as-good."

The New Low Cost POLICY

used by the North American Life means simply, "The Most Insurance for the Least Money!"

The rates are remarkably low for the benefits obtained. Loans, paid up and extended insurance guaranteed. Ring us up for rates before insuring

Ideal Protection

In the Automatic Endowment Policy, the Great-West Life offer a contract for which there is a wide and increasing demand. The Policy provides an Endowment at Ordinary Life rates, affording protection at low cost but avoiding the payment of life-long premiums. The profits, declared each five years, are compounded at the average net rate earned by the Company, at least four per cent being guaranteed, until these profits and the reserve equal the face of the Policy, when it is paid as an endowment.

A pamphlet has been issued, estimating the periods at which the Policy will mature at various ages, and a copy will be mailed on request.

Different Kinds of Overcoats

The "Ready-made" man cuts a hundred overcoats exactly alike, they are sent to the factory, and put together by machinery, and are finished exactly alike, those coats are sent out and are to be worn by a hundred different men., no two men are exactly alike, so how can you expect to get a good fit when you buy a ready made overcoat.

When you order a coat from us the process is different, the coat is made for YOU. It is shaped to suit YOUR shape, every line and every curve is made to suit YOU, and when it is finished it is YOUR coat and will not fit anybody else.

There is a difference, isn't there

And when you get a coat made for yourself, a perfect fit, and the privilege of having it made just the way you want it, and made from good cloth and trimmings, and with workmanship that will last as long as the cloth, don't you think the small extra charge is a good investment?

Think it over before you buy an overcoat.
