Peace Treaty Has Even Chance For Life

WASHINGTON, Nov. 19.—Compromise moves to rescue the peace treaty from a threatened deadlock made such progress today that its friends declared it had more than an even chance for life. So far as it had taken definite form tonight the compromise programme called for a final vote Thursday and pointed toward acceptance of the reservations of the Foreign Relations Committee without the requirements that they must be assented to affirmatively by the other powers.

The way to compromise was opened by the group of mild reservation Republicans, who served notice on the Republican and Democrat leaders that they would not put up the bars entirely to modification of the committee reservations, but would stand out against and defeat the administration's parliamentary programme.

With this final announcement of how their deciding strength would be used in the closing stages of the treaty contest, the mild reservationists retired to the background. The result was that Republican Leader Lodge and Democrat Leader Hitchcock faced each other and laid all their cards on the table.

The conference between the two leaders brought no final decision as to the language of a compromise ratification but it did develop an agreement that the Democrats would have the opportunity for which they have fought to secure a show down vote on the question of unreserved ratification. This vote, Mr. Lodge said would be permitted before the roll call on the committee resolution.

GRENIER'S SENTENCE HAS BEEN COMMUTED.

GRAND FALLS, Nov. 18.—Official word has been received here from the under secretary of state at Ottawa that the death sentence of John Grenier, who is now confined in Andover jail, has been commuted by his excellency the governor-general to life imprisonment.

Grenier who is seventy-eight years of age and a resident of the parish of Drummond, was tried at the September sitting of the circuit court at Andover before Chief Justice McKeown for the murder of Felix Francoeur just outside the town limits here on September 11 last.

He was found guilty with a strong recommendation from the jury for clemency, and was sentenced to be hanged on December 16. Recently an application was made by his counsel to the governor-general in council to have the death sentence commuted to life imprisonment and his counsel, J. M. Keefe, has just received notice that the application has been granted.

WHY STAY FAT? YOU CAN REDUCE

The answer of most fat people is that it is too hard, too troublesome and too costly to lose the weight. However, in Marmola Prescription Tablets, all these difficulties are overcome. They are absolutely harmless, entail no dieting or exercise, and have the added advantage of cheapness. A large case is sold by druggists at \$1. Or if preferable, they can be obtained by sending price direct to the Marmola Co., 861 Woodward Ave., Detroit, Mich. Now that you know this you have no excuse for being too fat, but can reduce three or four pounds a week without fear of bad after-effects.

Charlottetown District Methodist Church

The Charlottetown District meeting convened in First Methodist Church, Nov. 17, at 10.45 a. m. Chairman Rev. Henry Pierce, presiding. All the members of the district were present, also the following laymen:—G. H. Jenkins, Bertram Lea, Col. E. S. Moore, Henry Smith, Geo. Warren, B. C. Hardy, Le Bert Machan, Daniel Ross, Geo. Boyle, Silas Prowse, Thos. Wigginton, J. D. Seaman and J. A. Moore.

Consideration of the ordinary business, allocation of conational funds, etc., occupied the morning session. The afternoon session opened at 2 o'clock with devotional exercises when Rev. A. J. Elson, B. D. Missionary from China and Japan addressed the session re the Forward Movement. He brought a deeply interesting message from the "far flung battle line." The spirit of God is working marvelously in the hearts of men in all parts of the world and the great war has given to the church the greatest opportunity and challenge ever presented. In speaking of Japan he emphasized the fact that Japan had been thrust to the front. This largely by German officers and leading sympathy to their ideals and hopes, they were really pro-German and were determined to follow a militaristic program but when Germany met her initial failure then Japan sought to retain the good will of the Allies. Hence instead of a career of military conquests, she must now devote her energies to commerce and industry.

In turning to peaceful vocations the leaders of Japan realize their weakness. They are afraid of the national ignorance, sin and wickedness. Their great need is a force for righteousness which Buddhism has failed to produce. Their only hope is Christianity. The military spirit has been checked. Atheism has swept through the student body like a flood. The Christian Church is thereby being glorified. The leaders are strongly sympathetic toward Christ and are calling for missionary leaders.

The conference organizer Rev. H. S. B. Strothard then took up the matter of the Forward Movement, showing that a general interest had been aroused throughout the church. The Communion Service had been largely attended, the intercession cards and Worker's cards are evidencing the determination of the church to "carry on."

The Summerside District had undertaken to raise \$21,000 for the Forward Movement, while Charlottetown District aims at \$22,000. The latter amount was allocated and heartily accepted by the Circuits as follows: Charlottetown, First, \$11,000; Cornwall, 2,700; York, 2,200; Winslow, 700; Pownal, 1,300; Vernon River, 1,000; Montague, 1,100; Murray Harbor, 1,200; Souris, 900; Mt. Stewart, 900.

The convocations will be completed in February next. Pledges may be paid in five instalments, covering thirty months. The objective for the Methodist Church of Canada and Newfoundland is four millions of dollars, and five thousand men and women to engage in the Lord's work at home and abroad.

On motion Henry Smith was appointed vice chairman of the Forward Movement Committee and Mr. J. D. Seaman was added to it.

A vote of thanks was presented to the Charlottetown friends for their generous hospitality in entertaining the delegates.

The evening session was a public meeting held in Hearst Hall. Rev. H. E. Thomas, president of conference was chairman. Rev. H. A. Brown read the Scripture lesson and led in prayer.

Rev. A. J. Elson delivered a very illuminating address on China, showing most clearly that great nation's economic and religious condition. China has been bitterly disappointed that Shantung has not been given back to her by the Peace Conference. In their present state of political unrest suffering from military raids that are no better than brigandage. Torn and bleeding, weary of war, she is turning to the consolations of the Gospel of Jesus.

GALICIA NOT GIVEN UP TO POLES

WASHINGTON, Nov. 18.—The Ukrainian State Council meeting at Kamienetz Podolsky approved "the war against the Russian imperialists of the Bolsheviks and the Denikin type" according to a message made public today by the Ukrainian mission here. Representatives of West Ukraine (Galicia) were assured Galicia would not be given up to the Poles and President Petlura, addressing the council, said: "No earthly power" could destroy the confidence of the people of Ukraine in their own strength although they had to "build their nation under more trying circumstances than any other in the world."

Parliamentary elections will be held "as soon as the situation in the east clears up" the council decided.

In Memoriam

MRS. JANE C. MACGOWAN

Our obituary list today records the death at the residence of her son, New Westminster, B. C., of Mrs. Jane C. Macgowan, widow of the late John Macgowan, Esquire, aged 92. Having outlived all her contemporaries there are few remaining who can recall her in her prime when she filled a prominent place in the social life of that day. Her sparkling wit and rare conversational powers, grading as they did a strong personality impressing strongly any person with whom she came in contact. In early life she resided at Souris, where she reigned supreme, but spent much of her time in Charlottetown. She took an active interest in the politics of her day and exerted no small influence. She was a staunch friend and was held in most affectionate regard by a large circle of acquaintances. Of late years she has resided with her son Daniel Hodgson Macgowan at New Westminster, where she died on the 19th inst. Of immediate relatives there survive her, her son, and a daughter, Mrs. Percy Pops, together with a large circle of grandchildren, among whom are Messrs. John and Thomas Morris, of this city.

MRS SAMUEL CASELY.

Mrs. Samuel Casely died suddenly at her home in Kensington, Sunday morning, aged sixty-one years. She had been enjoying the best of health up to Friday at noon, when she was acutely stricken with paralysis. She died without regaining consciousness. Her funeral was held on Monday, interment taking place in the cemetery of the Methodist Church, Margate.

The pall bearers were her three sons, William H., Edward C., and Stanley, and three sons-in-law, John D. McLeod, John W. Hogg and G. H. Barbour. Rev. Mr. Ives was the officiating clergyman.

The funeral was large and was representative of the classes and creeds with whom Mrs. Casely, husband, and family are deservedly popular.

Mrs. Casely was the daughter of the late Henry Moase. New Annapolis and the surviving members of her family are William Moase, New Annapolis, Herbert R., and Robert T., Kensington, and one sister, Mrs. John Palmer, Kensington.

Forty-nine years ago she was married to Samuel Casely, and settled near Kensington. Here she lived until five years ago when Mr. Casely retired from farming and settled in Kensington. She was a faithful wife and devoted mother and she reared a family of whom any mother might justly be proud. Her spirit was buoyant and her disposition kindly cheerful.

There are left to mourn her sudden death besides her three sons her disconsolate husband and her daughters Mrs. J. D. McLeod, Coleman, Miss Bertie and Mrs. J. W. Hogg, Summerside, Mrs. G. H. Barbour, Howland, and Mrs. Alexander McLean, Peace River, Alta.

Her memory will be fondly cherished by the many friends who enjoyed the sunshine of her cheering acquaintance.

To the bereaved ones the sympathy of a sorrowing community is extended.—Y
