Two Major Upsets Feature Tennis Play

NEW YORK, Sept. 2.—(AP)—Two major upsets and a too-narrow squeak for champion Alice Marble marked the opening first day's play in the 30th annual United States Singles Tennis Championships at Forest Hills today.

Hal Surface of Kansas City ousted ninth seeded Gardner Mulloy of Coral Gables, Fla. The scores were 1-5, 6-4, 6-3.

Then young Jack Kramer of Belvedere Gardens, Calif., who learned recently with Ted Schroeder to win the national doubles, ousted Gil Hunt of Washington, D. C., 3-6, 8-6, 8-6, 8-6 in a match that must have made Bobby Riggs, the idle defending champion, wonder about his laurels.

Alice Marble, who is seeking her fourth national title, had a hard time with Barbara Strobar of Philadelphia, unknown nationally. Alice, her game rusty on the fairly slippery turf, was down 1-3 in the first set before she rallied and won the match 6-3, 6-4.

Pretty Sarah Palfrey said she had a tough time with Mary Arnold of Los Angeles before she could punch out a 3-6, 6-3, 6-1, victory.

Frank Shields bowed to Frank Burney, the intercollegiate cham-
pion from Edge Institute, 6-4, 10-8,

World's Record Tumbles At Syracuse

SYRACUSE, N.Y., Sept. 1.—(AP)—A world's record went tumbling at the mucky track at the New York State Fair grounds during the Getaway Day program of the grand circuit harness horse meeting today.

Lexington, Ky., trotted the second and final heat of the \$1,500 Wright Stake at 2:03 3/4.

The Wright was the only race of the meeting in which the McNamara Barrier was not used, since conditions called for it to be a rated event, however, so the race went off from a standing start, and announced as a world's record for three-year-old trotters from a standing start.

Eton, given a heady drive by Will Caton, led all the way in both heats.

Nibble Hanover, owned by the Aiken Stables, Aiken, S.C., and driven by Harry White, also scored a straight heat victory in the \$3,420 Matron Stake, trotting both miles in 2:02 1/2, a fast time considering track conditions.

JEALOUS
Sandy: "Why did the foreman sack you yesterday, Andy?"
Andy: "Well, a foreman is one who stands around and watches his men work."
Sandy: "I know, but what's that got to do with it?"
Andy: "Why, he was jealous of me. People thought I was the foreman!"

PHILADELPHIA PHILLIES TAKE DOUBLEHEADER FROM NEW YORK GIANTS
NEW YORK, Sept. 2.—(AP)—Danny Litwhiler, the Phillies' rookie outfielder, sparked his teammates to a double-barrel victory over the Giants today 11-2 and 6-5.

He drove in six runs with three hits—one of them a homer with the bases loaded—in the first game and set the stage in the nightcap with a triple in the sixth inning scoring two mates, to tie the score at 5-5.

At Pittsburgh, the Pirates climbed into third place in the National League standings by taking the first game of a doubleheader from Chicago 5-2 then tumbled back to

Bill Sparks Takes 10-round Decision From Cecil Braithwaite

BILL SPARKS, of Amherst, N.S., had too much on the ball last night for Cecil Braithwaite, of Saint John, N.B., as the Amherst batter got into the ring on short notice took an unanimous judges' decision in the main event of the boxing card staged at the sporting club.

Sparks having much the heavier artillery, had the clever cornered away from the Garrison City in continuous difficulty in almost every round. Braithwaite was down for a no count in the third and in the eighth took a count of eight. Sparks' continual aggressiveness won him six of the ten rounds, with two going to Braithwaite and two being declared even.

Braithwaite's clever ring strategy saved him from a knockout in the early rounds. He was far from the fighter that fought Leo Kelly two weeks ago. His left hand was conspicuous by its absence but he showed that he could take a punch and come back for more.

Last night Bill Sparks was the master. The Amherst boy hit hard and often, and after the first three rounds there was little doubt of the outcome.

Forced out of the ring due to an injured hand, Leo Kelly had a tough time of it, but he managed to stay in the ring, but the rangy Maritime lightweight champion did a light job in a bout between two boys that there is no love lost between.

In the opening fight on the card Kid Docherty and Kid Jones staged a three-round, two-fisted attack on the injured Kelly, but here Jones came back with a two-fisted attack that saw both boys stage a real slug-fest for the remainder of the round with honors even.

In the third the action slowed somewhat but both fighters produced lots of action as they slugged it out several times during the round. The decision of the judges was unanimous.

In the second fight on the card Kiler Poulton took every round in taking a three-round decision from Kid Peck of Louisburg, Nova Scotia. Peck had little else but courage to offer against Poulton's two-fisted attack and although strong in each round, nevertheless hurt his opponent as he got inside on several occasions to hammer away at Poulton's mid-section.

Woman And Granddaughter Play In Tourney

By JACK MITCHELL
Carnegie Club, Sept. 2.—(CP)—Somehow or other, there still seems something remarkable today about a woman and her granddaughter playing in a golf tournament.

But Mrs. S. Jacques of Montreal, doesn't think there is and Mrs. Jacques should know. She did it, and more.

Mrs. Jacques carried off one of the prizes in that tournament while her granddaughter and two daughters-in-law finished among the top runners.

Her granddaughter, what's remarkable about it, she's somewhat testily turned away one questioner, went out there and played just like a man.

Mrs. Jacques, who has an official handicap of 30, won that prize for the lowest net score for 36 holes among players with handicaps between 19 and 36. It was the Selwyn Club's recent ninth annual invitational tournament.

Gray-haired but youthful-looking, Mrs. Jacques had 18-hole rounds of 113 and 109 for the two days on the difficult par-77 course.

The granddaughter and the two daughters-in-law, along with her three sons, were on hand to congratulate her at the finish, where the prize-award announcement was made. Only the 19-year-old granddaughter, who shot 218 for the 36 holes, beat her out in the gross score.

Spencer Scott Sets Record

INDIANAPOLIS, Sept. 2.—(AP)—Spencer Scott, winner of the Hambletonian Stake at Gothen, N.Y., set a stake record of 2:01 1/4 today for the Horseman's Futurity Trot, feature even of the Indiana State Fair's Labor Day harness race program.

The brown son of Scotland won both heats, setting the record in the second after trotting the first in 2:02 1/4. Fred Egan drove the winner, owned by C. W. Phellis of Greenwich, Conn.

Kuno, owned by Dunbar Bestwick of Aiken, S.C., was second in both heats.

H. Pat, from Willis Rowe's Stables at Bloomington, Ill., paced the first 2:00 mile of the six-day meeting in winning the second heat of the Claypool Hotel Stakes. The bay horse was sixth in the first heat, won by Single Stine, but captured the last two.

The meet, running through Friday, lacks grand circuit sanction because of refusal to use the McNamara Starting Barrier.

From Sidney, won the second race. Gail Harvester, owned by T. MacKinnay, gained second in all three heats.

Det. L., owned jointly by Dr. McIsaac and W. MacNeil, Charlotetown, captured the final race, Dermot, owned by J. W. MacKin-

Glance Bay Take 2-1 Lead

GLANCE BAY, N.S., Sept. 2.—(CP)—The Glance Bay nine went into a 2-1 lead in games in its Nova Scotia Baseball Semi-final series with Halifax today by beating the capital city team 9-6 in the third game. They had split two games played at Halifax.

The winners will meet Liverpool Larrupers, last year's Maritime titleholders, for the provincial crown.

Port Hawkesbury, N.S., took three seconds.

Though the track was in perfect condition, no marks were hung up. Best time of the day was set by Peter At Court in the second race, when he ran the first heat in 2:12 1/4. Five thousand persons watched the program.

Yankees Split Twin Bill With A's To Move Even With Detroit

NEW YORK, Sept. 2.—(AP)—After grabbing the opener of a doubleheader 6-3 to extend their winning streak to eight games today, New York Yankees ran into Johnny Babich, slider-ball specialist of Philadelphia Athletics, who issued but five hits and no walks to hand the world champions a 3-0 setback.

At Chicago the White Sox, continuing in their role of nemesis to Detroit's pennant hopes, smothered the Tigers 2-1 and 4-0 in both ends of a holiday doubleheader.

At Cleveland the St. Louis Browns belied the belief they have in their pitchers and swept a twin bill with the American League-leading Indians before 52,491 fans.

Vernon Kennedy's hitting and twirling gave him a 2-1 triumph in the opener and Eiden Auker followed with a 3-0 shut out.

The double defeat left the Indians 3 1-2 games in front of New York Yankees who broke even with the Athletics to climb into second place.

At Washington Lefty Grove made his first start since hurting his foot early last month and lost a 13-inning pitching duel to young Sid Hudson 1-0 as the Senators grabbed a doubleheader from Boston.

Red Sox Ken Chase outlasted three Sox hurlers to take the second game 5-4. It was called after six innings because of darkness.

Nelson Beats Snead For Golf Crown

By Gayle Talbot
Associated Press Sports Writer

HERSHEY, Pa., Sept. 2.—(AP)—Again Samuel Jackson Snead went to the final, thrilling hole of a major championship today, and again he tasted bitter defeat as Byron Nelson beat him on the 36th green for the Professional Golfers Assn. title, one up.

For a few brief moments late in the afternoon it looked like the young man who blew the 1939 Open Championship with an eight on the 72nd hole was going to crash through. After the 33rd hole, with only three more rivers to cross, he had Nelson, the man who went on to capture the Open crown that Sammy blew, one down.

But then Nelson, tomahawked Snead, the current Canadian Champion, so suddenly that the rushing gallery scarcely had time to adjust just itself to the shifting fortunes of battle.

Nelson shot a birdie on the 34th to square the match. Snead's bog putt from 20 feet for a half clanged into the cup and bounced out.

Nelson shot another birdie on the 35th to take back the lead that he had held most of the day. And then he settled Sammy's last faint hope by sticking his tee shot within six feet of the cup on the 36th green for a certain par. Snead tried half-heartedly to get his down from 30 feet, but fell well short and that was the end.

Direct L. Takes Named Race At Sydney

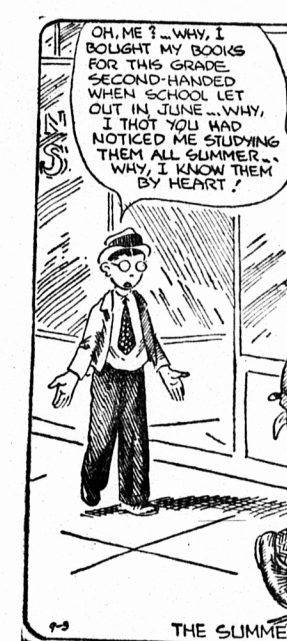

NORTH SYDNEY, N.S., Sept. 2.—(CP)—Cape Breton-owned horses captured top honors in two of three races opening a two-day harness meet today while a horse owned jointly by Charlottetown and Sydney captured the final race of the day. All the events went in straight heats.

All the events were named races. Dina G., owned by R. MacDonald of Glance Bay, N.S., took the first race, beating out Walter Brothers' Flo Direct from Halifax. Veteran Billy Hood piloted the horse to victory over four competitors.

REMEMBER WHEN
(By The Canadian Press)
Lou Ambers, the "Herkimer Hurricane," pounded out a 15-round decision to strip the world lightweight boxing championship from Tony Canzoneri at New York four years ago tonight. He held the crown until August, 1938, when Henry Armstrong, negro battler, defeated him over 15 rounds.
