The Woman Who Loved and Earned BY JANE PHELPS A Modern Story of Home and Business MARY TELLS GERRY PLAIN TRUTHS CHAPTER 49. Many, while often using slang, had never before used profane. I was so astonished when she called me a "d—fo—n" that for a moment I could not gather my wits to answer. Then I said: "If I am, you needn't swear, and you might tell me in what way I am such a fool?" "Why didn't you go to that picnic?" "Because I didn't want to! I would have been bored to extinction."

Many a Canadian Beauty owes her exquisite complexion to the use of Baby's Own Soap Cleansing—Healing—Fragrant "Its Best for Baby and Best for You" Albert Soap Limited, Montreal.

HINTS FOR The Motorist BY ALBERT L. CLOUGH RECHARGING A WEAK MAGNETO B. H. K. writes: My Ford magneto has been tested and reported very weak. It gives a good spark but will not carry the lights. Do you recommend putting in a new magneto or merely putting in new magnets?

To All Women Who Are Ill THIS WOMAN RECOMMENDS LYDIA E. PINKHAM'S VEGETABLE COMPOUND—HER PERSONAL EXPERIENCE. McLean, Neb.—"I want to recommend Lydia E. Pinkham's Vegetable Compound to all women who suffer from any functional disturbance, as it has done me more good than all the doctor's medicine. Since taking it I have a fine healthy baby girl and have gained in health and strength. My husband and I both praise your medicine to all suffering women."

TO THE ELECTORS OF THE CITY OF CHARLOTTETOWN Ladies and Gentlemen:

Having been solicited by a large number of the citizens and tax payers of Charlottetown to offer as a candidate for the Mayoralty at the forth coming election, I have consented to offer for the office and beg to solicit your support and influence. An extended report of the past year's work is now before you. You will observe that we have succeeded to make revenues and expenditures meet and have a balance to the good. My work at the Council Board is well known to most of the tax payers of the city and I think that I may fairly assume that the result of my work meets with the approval of the majority of the citizens.

Many of my friends believe that I am entitled to the position on account of my length of service to the city, having served for a greater length of time than any member of the Council Board and have performed the duties of my office in a fair and efficient manner since becoming a member of the Council. If you do me the honor of election there will be nothing negative with regard to my policy for the forth coming term. I will use every effort to promote all and every good work undertaken by the Council for the general welfare and betterment of the city.

Charlottetown has made much progress in civic betterment in the past several years and I believe that I can claim a fair share of the credit for the progress that has been made. I will be unable to see personally the electors before polling day and rely upon the citizens of Charlottetown, whose sense of fair play and justice is well known, to rally to my support. Yours respectfully, D. J. RILEY.

HER MESSAGE IS TO EVERYONE Those who have found relief are the people who want all sufferers to know what they gained from their experience. Mrs. B. Walters, of Savona, B. C., writes, praising Gin Pills for the immediate relief given by these splendid pills. Mrs. Walters says: "I advise people who have not used Gin Pills to try them. I have been troubled for years with weak kidneys, and one box of Gin Pills cured me. I recommend them as an absolute and reliable cure." Derangement of kidneys or bladder is so very serious that, at the first sign of pain in side or back, treatment with Gin Pills should be given. The duty of the kidneys is to cleanse the blood. If weak or inactive, uric acid and other poisons and waste are carried to the joints and muscles, causing inflammation, rheumatism, sciatica, neuritis, lumbago, constant headaches, dizziness, floating specks before the eyes, gravel or stone in the bladder, general debility and lassitude. If you have any of these symptoms get Gin Pills at once. Free sample on request. At druggists or dealers, 50c a box. Money refunded if not relieved. British Columbia Women Speaks Plainly

HER MESSAGE IS TO EVERYONE Those who have found relief are the people who want all sufferers to know what they gained from their experience. Mrs. B. Walters, of Savona, B. C., writes, praising Gin Pills for the immediate relief given by these splendid pills. Mrs. Walters says: "I advise people who have not used Gin Pills to try them. I have been troubled for years with weak kidneys, and one box of Gin Pills cured me. I recommend them as an absolute and reliable cure." Derangement of kidneys or bladder is so very serious that, at the first sign of pain in side or back, treatment with Gin Pills should be given. The duty of the kidneys is to cleanse the blood. If weak or inactive, uric acid and other poisons and waste are carried to the joints and muscles, causing inflammation, rheumatism, sciatica, neuritis, lumbago, constant headaches, dizziness, floating specks before the eyes, gravel or stone in the bladder, general debility and lassitude. If you have any of these symptoms get Gin Pills at once. Free sample on request. At druggists or dealers, 50c a box. Money refunded if not relieved. The National Drug & Chemical Co., of Canada, Limited, Toronto, United States Address, Na-Du-Co., Inc., 20 Main St., Buffalo, N. Y. 253
