WOLVERINES BLANK MONCTON HAWKS 6-0

Lawlor, Mosher Stand Out In Brilliant Win

Allan Cup Holders Upset Before Packed House In Rough Fast Game.

(Canadian Press, by Guardian's Special Wire)

HALIFAX, Jan. 11.—Scoring two goals in each period, Halifax Wolverines administered Moncton Hawks a sound 6-0 drubbing here tonight. The game, rough and fast, gave a well packed house much to talk about and was far more evenly matched than the score indicated. Having lost twice to the Wolverines in so many starts, the Allan Cup leaders retained cellar berth in the newly formed Big Three hockey league. A win would have created a three-cornered tie.

To Halifax fans, Chummie Lawlor was a revelation as he jumped from mediocrity to stardom with one of the wildest scoring sprees ever seen on Maritime ice. Combining perfectly with Ernie Mosher, Lawlor scored four of the six goals and was directly responsible for another, scored by Reggie Shields. Assisting Lawlor in all his goals, Mosher scored another, the final one, himself.

Lack Polish

Strangely enough, Wolverines netted all their goals with old time Hawks on the ice although five were scored with Hawks in the penalty box. Moncton's two rookies, Frankie Leblanc and Gordon Trites of Campbellton played grand defensive hockey but showed no signs of Nicklin polish on offensive dashes.

With Daddy Bubar in the Wolverine cage making some sensational saves, the Allan Cup holders received one of the worst shut-outs they ever experienced tonight, although they had more shots on goal than the Wolverines. In the final period until the last two minutes they kept the Haligonians bottled up behind the blue line almost continuously and had the homesters shooting up the ice in desperation.

Wolverines' first goal came only two minutes after the game opened, when Shields banged the puck past bewildered Jimmie Foster after Chummie Lawlor's shot passed over the cage and rebounded in front of the net from the back boards. Lawlor, however, was not credited with an assist.

James Penalized

Seconds later, Wolverines made another wild dash and in a scramble near the goal, Dud James took a penalty. On the face-off, Mosher passed to Lawlor who quickly shot a high one into the corner of the twine. Mosher and Lawlor combined the same way in the second period for the third goal.

Mosher passed the puck through the defense two minutes later to Lawlor who had skated in behind. Picking up the puck, Lawlor drew Foster from the goal and slid the rubber into the corner with a backhand shot.

Hawks had it all their own way in the third period, although they could not score, until Nucker Irvine went off for tripping Shields, and big Bill Gill and Vince Ferguson received penalties for roughing it up. With a minute to go, Halifax scored two more goals within 20 seconds of each other.

Scores Unassisted

The first was another Lawlor-Mosher play with the former shooting high from near the blue line after getting a pass from Mosher. His vision obstructed by several players, Foster let the puck slip by into the twines. Soon after Ernie Mosher scored on one of the prettiest rushes of the night. Starting at his own defense, he circled Hawks' one defenseman and slipped the puck past Foster after drawing the goalie sweetly.

TORONTO, Jan. 11—Irish Jimmy Boyne of Fredericton, N. B., will meet Frankie Genovese of Toronto here Jan. 21 in an elimination bout for the Canadian welterweight boxing title. The winner of the bout will be matched with Gordon Wallace of Vancouver for the vacant title.

Jimmy Boyne earned his chance with a knockout tonight over Al Traino of Rochester, N. Y. It was Boyne's bout all the way and he piled off the Rochester boy in convincing fashion.

Scores Four

Chummie Lawlor, left winger of Halifax Wolverines, who played an important role in his team's victory over Moncton Hawks last night. Lawlor scored four of the six goals.

SPORT BRIEFS

Clint Benedict, ex-coach of the Saint John Beavers, left that city last Tuesday afternoon en route to Ottawa. "Bennie" was for years one of the outstanding goalies of the N.H.L., playing on Stanley Cup teams with Sprague Cleghorn and other notables. Before leaving he spoke very appreciatively of Saint John and its people and wished any further athletic activities or ventures the best of success.

Among the players ruled out of competition for this season by the edict of Cecil Duncan, Vice-President of the C.A.H.A., is Jimmie Dewey, last year's centre player with Saskatoon team. Jimmie expected to play with Ottawa then shifted to Sudbury, Ontario, where seven other Saskatoon players are domiciled. All eight are under suspension.

Moncton Hawks are strengthening up with new material such as Frankie LeBlanc, who toured Europe last year, Gordon Trites, who played with Campbellton Tigers in the Big Six and was one of the very best on the team, and possibly Clint Gammon who played with Saint John last year until he received an injury that put him out of hockey.

Joe Devone was arrested for an alleged part in a fracas during a hockey game at Sault Ste. Marie Monday evening, in which he struck another player, Lorne Greenwood, with his stick, breaking his nose and crashing his head. The charge is assault occasioning bodily harm.

England won the woman's cricket match with Australia last Monday by eight wickets, the second victory in succession. The games were played at Sydney, Australia.

Cast off goalies are coming into their own with a vengeance in the N.H.L. Lorne Chabot sold by the Canadiens of Montreal to Chicago, has been wonderful. Alex Connell who has been denied a place on a team for two years is a stand out for Montreal Maroons, and Dave Kerr who last year guarded the nets for the Maroons but was this year dropped in favor of Connell, is carrying the hopes of Lester Patrick for a playoff berth for his New York

ALL STARS DEFEAT BEAVERS

Desilets, Getliffe and Brenneman Star In 6-3 Victory.

(C. P. By Guardian's Special Wire)

SAINT JOHN, N. B., Jan. 11—Launching the first game of a local, two-team exhibition schedule, Beavers and All-stars treated a small crowd tonight to what was generally termed the best and fastest hockey ever seen on Saint John ice. All-stars, shooting five goals during a third-period surge, won 6-3.

The All-stars consist of ineligibles culled from former ranks of Moncton Hawks and Charlottetown Abegweits in the late Maritime Mercantile Hockey League. "Bink" Medinski, formerly with Moncton Hawks, was the only new player used tonight by Beavers, whose heavy list of ineligibles prevented them from rejoining Halifax, Moncton and Charlottetown in competition looking toward the Allan Cup.

Walter Monson scored two of the Beaver goals and assisted Alex Archer for the third. "Dizzy" Desilets had the only unassisted tally of the night. He scored again, with the help of "Nig" Brenneman, and assisted two other counters. Ray Getliffe also shot two goals. "Duke" Campbell and "Des" Smith getting one each.

"Skeet" Kuhn, nominated as goalkeeper for the All-stars, was kept at Windsor, N. S., by a railway washout. His place was taken tonight by Charlie "Gibraltar" Wilson, who played for Beavers last year and has appeared in a local commercial loop this season. He and "Hawse" Marsh, Beavers' goalie, gave exceptionally brilliant performances during the contest of continuous wide-open hockey.

LINEUPS

Beavers: Goal, Marsh; defence Farrell, Walker, Draper; centre, Donald, Monson; left wing, Medinski, Sherwood; right wing, Shields, Archer.

All-stars: Goal, Wilson; defence, Smith, Renaud; centre, Campbell, Getliffe; left wing, McCabe, Brenneman; right wing, Marshall Desilets.

Referee: Brad Gilbert.

SUMMARY

Kit Klein In Victory

(C. P. by Guardian's Special Wire)

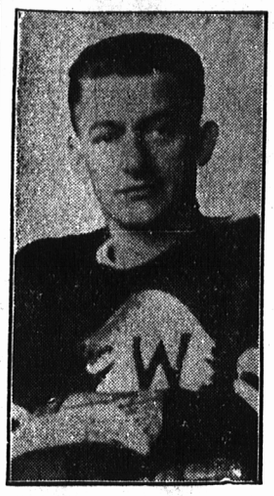
FORT ERIE, Ont., Jan. 11—Kit Klein of Buffalo, who holds a number of speed skating international championships records and is slated for the 1936 U. S. Olympic team, successfully defended her laurels in the 880-yard dash of Golden Skates Tournament at Peace Bridge Arena tonight. She defeated Miss Rita Fenzel, who had beaten Miss Klein previously in the middle Atlantic meet at Atlantic City. Miss Klein led all the way to flash over the finish line 20 yards ahead. Ruth Burgen of Buffalo was third. The time was 1.53 2-5.

Cape Breton Athlete Passes

(C. P. By Guardian's Special Wire)

NEW WATERFORD, N. S., Jan. 11—Mary McDonald, 20-year old Cape Breton athlete, is dead here tonight, having suffered a relapse after apparently recovering from an attack of acute lead poisoning six months ago. She was a daughter of the late Rannie McDonald, who was instantly killed last February when he fell from a staging in no. 12 colliery. Her mother, six sisters and four brothers survive.

In Form



Ernie Mosher, brilliant centre, who proved the spearhead of the Halifax attack in their shutout victory over the Allan Cup holders.

AMBERS WINS DECISION OVER DUBLINSKY

Now Rated As Foremost Lightweight Challenger By Garden.

(By Edward J. Neil, Associated Press Sports Writer)

(A. P. By Guardian's Special Wire)

NEW YORK, Jan. 11—Lou Ambers, the Herkimer hurricane, stepped into the Garden ring for the first time in his young life today and trotted out with a hard won 10-round decision over tough Harry Dublinsky of Chicago, to justify the New York State Athletic Commission's rating of him as the foremost lightweight challenger.

It was as rough a spot as any youngster could pick for himself, but Ambers named by the New York solons above Tony Canzoneri, Frankie Klick, and the rest as the warrior best fitted to challenge Barney Ross, came through splendidly.

The Associated Press score card gave Ambers five rounds, Dublinsky three, and two were even. In addition to experience, Ambers conceded height, reach and weight, scaling but 133 3-4 to Dublinsky's 140 1-4.

Red Indians Defeat High School Team

(C. P. by Guradian's Special Wire)

MONCTON, Jan. 11—Moncton Red Indians defeated the Moncton Aberdeen High School in a regular engagement of the Southern New Brunswick Hockey League here tonight 4-3 in an overtime game that produced more thrills than any junior tussle staged here for a long time. A fair-sized crowd watched the two young teams fight tooth and nail through three periods and an extra session, with honors even. However, Red Indians possessed greater staying power and it was their furious drive in the last three minutes of play, which drove the students back into their own territory, held them there and finally punched home the winning goals.

Malenfant, Keiver, burly defenceman, and Carey, scored the goals for high school, while E. Boudreau, McArthur and Gould accounted for the Indians' goals, McArthur netting two.

The lineups:—

Red Indians: Barton, goal; White, McArthur, Mitton, Bastarache, Defence; Y. Gould, B. LeBlanc, Calhoun, E. Boudreau, Belliveau, Bell, S. Gould, forwards.

Aberdeen High—Barton, goal; Keiver, Bursey, C. Cummings, defence; Cormier, Malenfant, Carey Strugnell, Welling, Lundie, Wheeler, forwards.

Referee—Wick James.

ABBIES AND HAWKS SEEK NEW PLAYERS

Compensation For Loss Of Players To N. H. L. Is Sought.

(C. P. by Guardian's Special Wire)

AMHERST, N. S., Jan. 11—President James E. Wry of the Maritime Amateur Hockey Association said today he had not been officially advised of the plans of Saint John Beavers, who did not join Moncton Hawks, Halifax Wolverines and Charlottetown Abegweits in the Maritime Hockey League. Until a statement had been received, the Association could make no disposition of eligible players in Saint John.

Abbies Seek Draper

He added that Abegweits were seeking the services of Jack Draper big Saint John defenceman, to compensate for the loss of Pete Kelly, who left Charlottetown today to join St. Louis Eagles.

Under the C. A. H. A. constitution the residence rule could be waived when clubs lost players in mid-season to professional teams. Moncton might also request two or three Saint John players on the ground that the Hawks had been badly affected in playing strength when they lost Aubrey Webster, McManus and Connolly at a time when other men could not be secured without direct violation of the residence rule.

For A. P. C. Loop?

Foster Dickson and Bobby Beaton, two Saint John players have sought permission to perform with their home towns of New Glasgow and Stellarton but no formal requests have been received by the Association from the Pictou County towns, and no action will be taken until Saint John makes its plans clear.

Beavers had too many ineligible players to join the other three teams in playing toward the Allan Cup, and after efforts to form a commercial league failed they were left without a league.

McLean League Organize For Year

A meeting of the A. E. McLean hockey league was held yesterday afternoon at Summerside with representatives from Alberton, O'Leary, Wellington, Kensington and Borden attending. The President W. W. Muttart occupied the chair and Mr. Crilly Lea, secretary, took the minutes of the meeting. A new set of byelaws were drawn up discussed and passed. The secretary treasurer reported a deficit on the books. A generous donation from Mr. A. E. McLean, Hon. President made up this amount and the club now faces the season of 1935 with a clean slate.

The western section arranged that Wellington and O'Leary would play a series of games and afterwards to play off with Alberton for the right to meet the winners of the Eastern section for the cup. The Eastern section could not come to a definite arrangement and the meeting adjourned to meet at the call of the President to arrange the eastern schedule. Last year the Summerside Hockey Club won the MacLean Cup but it is put up annually and the best team wins.

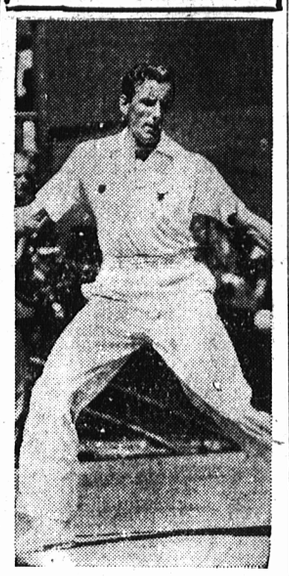
Ross Fails To Accept Challenger

NEW YORK, Jan. 11—The time limit within which Barney Ross had been ordered to accept a challenger for his lightweight boxing title on penalty of losing championship recognition in New York expired today without the New York State Athletic Commission taking action.

"Ross has until midnight," chairman John J. Phelan said, "if he does not accept a challenger we will dispose of his case Tuesday."

It was accepted on all sides that neither the commission nor Ross cared to show a hand until after tonight's 10 round match in Madison Square Garden between Dublinsky of Chicago, and Lou Ambers, who has been designated by the local commission as Ross' no. one challenger here.

Perry Regains Old Form



(A.P. By Guardian's Special Wire)

MELBOURNE, Jan. 11—Apparently having regained his form after a slump that lasted several weeks, Fred Perry, world's amateur singles tennis champion, will appear tomorrow in the first defence of one of his three major titles.

The black-haired Briton, whose 1934 world-wide campaign netted him the British, United States and Australian titles, gained the final round of the Australian championship today by defeating Vivian McGrath, Aussie Davis Cup player, in straight sets, 6-2, 6-3, 6-1.

Perry's opponent in the final will be his arch-rival Jack Crawford, who wore the crown three years until Perry wrested it from him last winter. Crawford defeated his Davis Cup team mate, Adrian Quist, in the other semi-final.

United States Golf Assn. Schedule

(A. P. by Guardian's Special Wire)

NEW YORK, Jan. 11—The United States Golf Association announced today that 36-hole sectional qualifying rounds for the 1935 open championship would be played May 13 over 22 courses throughout the country. The qualifying centres will be assigned in two weeks.

Similar preliminary tests for the amateur championship, which for the second year will be conducted along an all match-play basis, will be played over 24 courses Aug. 20.

The open tournament is scheduled for June 6, 7, and 8 at Oakmont Country Club near Pittsburgh, and the amateur will be held Sept. 9 to 14 at the Country Club, Cleveland.

Entries for the open will close April 24, and for the amateur Aug. 7.

Win Third Straight

(A. P. By Guardian's Special Wire)

WASHINGTON, Jan. 11—In an abbreviated battle, the lanky doubles combination of William T. Tilden and Ellsworth Vines, for a third straight night, defeated George M. Lott and Lester Stoefen, former amateur world champions, 9-7, 7-5.

Before a crowd of around 2,500 Vines put on a brilliant exhibition of driving, smashing and volleying to lead the veteran professional pair to a comparatively easy victory.

Earlier, Lott took the measure of Tilden, 6-3, 6-4, in a singles match which saw Lott the less temperamental and more steady.

Abegweit Practices

Considerable interest is being taken in the Abegweit practices of late. The newcomers are beginning to fit in well with the senior style of play following instructions from Coach Gross.

Pud Whitlock, Gordon Stewart and one or two other intermediates will be in uniform this morning when the Abbies take the ice at 10 o'clock. An Intermediate practice will be held at 11 o'clock.

Revert Back To Commercial Hockey

VANCOUVER, Jan. 11—Vancouvers Big Four commercial hockey league has decided to carry on and the one-week-old Senior Amateur League has been disbanded. Vancouver Cubs remain the only amateur club in the city.

DOWN THE BACK STRETCH

Add one year to the age of your horses, January 1st being, technically speaking, their birthday.

The get of the young sires Protector 1.59 1-2 and Volomite 2.03 1-4 were the most eagerly sought after at the Old Glory sale and the prices paid were astonishingly good. This has caused some inquiring horsemen quite a bit of surprise in view of the fact that practically all the greatest sires both thoroughbred and standard bred, begat their most notable foals after they had reached the age of fifteen years.

Peter the Great was fifteen when bred to the dam of Peter Volo 2.02, who was world's champion at one, two, three and four years of age. He was sixteen when mated with the dam of Miss Harris M. 1.58 1-2.

With the exception of Lee Axworthy, 1.58 1-4, Guy Axworthy's greatest success as a sire came late in life. For instance he was fifteen when Arion Guy 1.59 1-2 was foaled, eighteen when Mr. McElwyn 1.59 1-4 saw the light of day, and his three Hambletonian Stake winners, Guy McKinney 1.58 3-4, Iosola's Worthy (3) 2.03 3-4 and Lord Jim (3) 2.00 3-4 were the results of matings when he was twenty, twenty-one and twenty-eight respectively.

Anderson Wilkes 2.22 1-4 was twenty-five when he was bred to the dam of Single G. 1.58 1-2 and his advanced age did not cause any sign of weakness in the mighty Single G., the grandest of all campaigners, winner of 99 races who raced for fourteen seasons and secured his record of 1.58 1-2 when thirteen years of age.

The American Sportsman puts in simple language some of the rules governing horse racing and we think it would be well for those interested in the game to cut them out for future reference. Here they are:

When the judges are not satisfied with the efforts of a particular driver and substitute another, the horse then driven by the person they selected cannot be distanced except for a foul.

In a three heat plan race the flag is automatically waived in the third heat for all starters, providing one horse has won the two preceding heats.

There is considerable difference between the words "suspension" is unconditionally excluded from the use of a race track during a race meeting and if under "expulsion" he is also excluded from the use of a race course at any time, providing such race course is a member of the National Trotting Association.

A driver shall not drive a horse in a race without personal knowledge as to the eligibility of the horse to compete in said contest. Such a violation is subject to the penalty if any that follows the horse, except when the driver is substituted or appointed by the judges.

Judges have the power to select drivers and substitute them for others and no driver so selected can decline or refuse without good and sufficient reasons.

The most active winter training camp is located at Seminole Park Longwood, Florida, where over 150 head of colts and aged horses are now in the stables. At the New York sale $42,600 was paid for 14 yearlings which will be trained there.

In three months from now, or even less, some of these youngsters will be showing miles in 2.20 or better and during the coming summer and fall will be taking part in big stake races and futurities.

Tommy Berry, popular and capable Grand Circuit driver who has been training and teeming the Hanover Show Farms stables for the past several years and has placed several of them in the two minute list, has resigned his position and is now located at Longwood track, Florida, where he will conduct a public stable.

Ben White still continues to be the most popular of the southern trainers. His stable is the largest of any trainer in America with no less than 42, mostly youngsters, training at Longwood, Fla.

Carl Saccone, one of the leading horsemen in Italy, has arrived in the United States in search of more racing material for his country.

The state fair of Texas which was successful last year are enlarging the premises and have purchased a lot of houses which they will tear down in order to reconstruct their half-mile track.

Twenty years ago Mcko and Walnut Hall were the leading sires at Walnut Hall Farm, and for that matter among the most noted in the world.

Twenty years ago the Mackinnon Stables which had been racing at Dufferin Track, Toronto, during the ice meetings Christmas week and New Year's week, arrived back in Charlottetown. The horses included Helen R. 2.15 1-2, Dr. Sharper 2.15 1-2 and Angus Dillard. They were in charge of Ernie McTague and Johnny Conroy.

A whole flock of low priced stars, or what are known as turf bargains showed up in 1934. The most outstanding member is Tara (3) 2.03 3-4, owned by the well known wrestling promoter Paul Bowser of Boston. She was purchased at the Old Glory sale 1933 for $475 as a two-year-old and labelled a pacer. She had taken a record of 2.07 1-2 but nobody seemed to want her very much. Taken home in late November she was shifted to the trot and by early spring of 1934 could step along pretty lively.

She was a star over both mile and half-mile tracks, getting the three-year-old filly record over a half mile track of 2.06 1-2 and taking a record over a mile track of 2.03 3-4, and ending up the season with a price tag of $15,000.

Another great bargain was the three-year-old pacer Calumet Evelyn, purchased for $200 in the fall of 1932. She was a winner as a two year old in nearly every event and last year she won all the three-year-old pacing events in which she started and a $10,000 free-for-all at Lexington.

Her success and that of a few other colts of her sire Guy Abbey (3) 2.06 3-4, caused him to be held in such high esteem by the public that although he only cost Henry Knight $1,400 at the Calumet Farm dispersal sale in 1933, Guy Abbey in November, 1934, was sold to Walnut Hall Farm for $20,000.

At the time the Calumet Farm horses were advertised for sale September, 1933, we remarked to a friend that we thought Guy Abbey would be an ideal buy for the Maritime Provinces as a sire, as he should click well with the Captain Aubrey mares here. We thought he would bring in the vicinity of $3,000, but were astonished to find he only brought $1,400. There is no doubt that his home would have been in the Maritimes now had the people we were talking to believed he could be purchased for anything like that figure.

There were a great many other bargains that we could mention, in fact it looked as though the low priced horses, particularly the colts, showed up the best in the race for the money. As George Leavitt very wisely remarked, "It isn't what you pay, its what you get that counts."

In the American Horse Breeder holiday number is a full page write up of the Metropolitan Driving Club by George MacDonald, Allston, Mass., son of James MacDonald of this city. George is secretary of the Club and gets up occasionally behind the horses and is keenly interested in the sport. We note write ups of the members including W. J. MacDonald, President of the Club, Allan J. Willson, Fred H. Bellows, A. J. Furbush, H. B. Ralston and others.

Ace Bailey (not the hockey player) but a son of Colonel Aubrey 2.16 1-2 has arrived in Summerside from the stable of Harry O'Brien, Alberton. He will be driven by Claude O'Brien during the winter.

The big thaw has turned the attention of horsemen to ice racing. Scouting around and looking over the available material we find that there is a dearth of fast trotters available. Last season we had Worthy Lee 2.07 1-4, Peter Dawes 2.12, and Kitty McKane 2.16 1-2, who made good contests. This season there does not seem to be any trotter around that can give the semblance of a race to Lusty Frisco 2.07 3-4.

With the pacers it is a different matter. In the fast brigade we can easily recall the names of Sampson Hal 2.02 3-4, Hush 2.10, Volo Rico 2.04, Winnie Winkle 2.12 1-2, Billy Cope 2.10 3-4, available for a free-for-all, with lots of them for the slower classes. There are also plenty slow class trotters that will make exciting contests.
