SPRING MEDICINE.

As a spring medicine Burdock Blood Purifier has no equal. It tones up the system and removes all impurities from the blood, and takes away that tired, weary feeling so prevalent in the spring.

Griggs—Oh, yes. Why, I was seasick all the way over with a most charming blond.

Glady's—So she married him just because he owned an 'ant'?

Minard's Liment the Best Hair Restorer. The essential healing principle of the pine tree has finally been successfully separated and refined into a perfect cough medicine—Dr. Wood's Norway Pine Syrup.

Doan's Kidney Pills act on the kidneys, bladder and urinary organs only. They cure backaches, weak back, rheumatism, dialysis, congestion, inflammation, gravel, Bright's disease and all other diseases arising from wrong action of the kidneys and bladder.

Why are you in mourning? 'Oh, for my sins.' 'I didn't know that you had lost any.'

Minard's Liment Cures LaGrippe. Bertha—I'm so sorry you asked me to marry you. It pains me to refuse.

THE LADIES' FAVORITE. Laxative Pills for the ladies, favorite medicine. They cure Constipation, Sick Headache, Biliousness, and Dyspepsia without griping, purging or sickening.

Many people say they are 'all nerves,' easily startled or upset, easily worried and irritated. Milburn's Heart and Nerve Pills are just the remedy such people seek. They restore perfect harmony of the nerve centres and give new nerve force to shattered nervous systems.

Some people's idea of economy is to break every dollar they get hold of so as to save up the pennies they receive in change.

Minard's Liment For Rheumatism. Ella—Is Bella a girl of high ideals? Stella—I guess so; she's engaged to a footer.

SUDDENLY ATTACKED. Children are often attacked suddenly by painful and dangerous Colic, Cramps, Diarrhoea, Dysentery, Cholera Morbus, Cholera Infantum, etc. Dr. Fowler's Extract of Wild Strawberry is a prompt and sure cure which should always be kept in the house.

Young Doctor—Which kind of patients do you find is the hardest to cure? Old Doctor—Those who have nothing, he matter with them.

SIX YEARS OF SUFFERING AND HELPLESSNESS

THE DISTRESSING CASE OF MR. CLOUTIER, WHO WAS UNABLE TO WORK OR SLEEP, AND ENDURED TERRIBLE HEADACHES AND BACK PAINS.

Was in Four Hospitals

BUT DOCTORS COULD NOT CURE HIM. NERVOUS SYSTEM WAS ENTIRELY UNDERMINED A MARVELLOUS CURE EFFECTED BY DR. CHASE'S NERVE FOOD.

Dr. Chase's Nerve Food. Effects thorough and radical cures because it builds up blood and nerves, the very foundation of health. It tones, strengthens and revitalizes the system, reconstructs the wasted tissues, creates new nerve force and prevents and cures diseases caused by weak blood and exhausted nerves.

The case of Mr. Simon Cloutier, shoemaker, 110 Lagache street, Montreal, Quebec, deserves more than passing notice, because his case was unusually severe.

For six long years Mr. Cloutier was an invalid, unable to attend to his work, and much of this time was spent in the hospitals of Montreal. The doctors gave him no hope of recovery, but, on the contrary, told him that he would never be well again.

A treatment that will restore to good health a person whose case was considered hopeless, must be of more than ordinary value, and this is only one of a series of remarkable cures that have been brought about by the use of Dr. Chase's Nerve Food.

Mr. Simon Cloutier, shoemaker, 110 Lagache street, Montreal, Que., states:-

"For six years I was not able to work, my nerves were all unstrung, and my digestion bad. I had severe attacks of headache, could not sleep, and suffered with shooting pains in the small of my back. I was in four hospitals, but the doctors could not cure me. They said I would never be well again. In spite of their decision I began the use of Dr. Chase's Nerve Food some months ago, and I am convinced that I owe my life to this medicine. I have now been at work for over two weeks, and believe that my health has been fully restored. It is a pleasure for me to add my testimony to the hosts of others from persons who have been cured by this wonderful medicine."
