

IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

FRIDAY. A happy event occurred at the home of Capt. T. A. Stewart, New Dominion, on Wednesday at noon, when his youngest daughter, Isabel became the bride of Thomas Phillips, St. John, the ceremony being performed by Rev. A. Craise. The bride was most becomingly attired in a travelling suit of blue with hat to match and both bride and groom were unattended. Immediately after the ceremony, the happy couple drove to this city, accompanied by a number of their intimate friends and relatives and took the afternoon train for Summerside en route to St. John, where they will take up their residence. Miss Stewart is a very popular young lady and was the recipient of a large number of beautiful gifts. The groom's gift was a valuable pearl pin. The Guardian joins with their many friends in extending to the newly-wedded couple abundant joy and happiness.

The home of W. C. and Mrs. Jenkins, Annandale, was the scene of a very pretty and interesting event on Friday evening, the 16th inst., when their eldest daughter, Emma, was united in marriage to Harry Weatherbie, Marion, La. The house was tastefully decorated for the occasion with potted plants and cut flowers. The ceremony was performed by the Rev. M. N. McLeod in the presence of about fifty guests. The bride looked charming in a gown of cream silk. The bride and groom were unattended. At the conclusion of the ceremony a reception was held, after which the guests repaired to the dining room where a dainty luncheon was served. The bride was the recipient of a large number of costly and useful gifts, including a gold piece and bank notes. Mr. and Mrs. Weatherbie remained at Annandale till Monday evening, when they drove to Marion, La., where they will reside. In the Presbyterian Church Sunday morning Mrs. Weatherbie performed her services as organist there for the last time, and at the close of the service, on motion of Rev. Mr. McLeod, the congregation rose and tendered to Mrs. Weatherbie their thanks and appreciation for her efficient service as organist during the last few years and joined with their many friends in wishing Mr. and Mrs. Weatherbie a happy and prosperous journey through life.

Casarets Insure Inside Cleanliness

The millions of Casaret users never have Headache, Constipation, Biliousness or Sick Stomach.

It is more necessary that you keep your Bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.

Are you keeping clean inside with Casarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Casarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gasses; take the excess bile from the liver and carry out of the system the decomposed waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel, a Casaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

MONTAGUE, Oct. 11—The Prince Edward Island Sunday School Association is at present in session here, the opening sessions being held Monday night.

The meetings are being held in the Presbyterian Church and there is a large attendance of delegates and friends. It looks as if this convention would be the best and most successful in large numbers and the billeting committee is kept busy.

A delightful feature of the Convention is the presence of distinguished visitors from outside provinces. Among these are Rev. Clarence McKinnon, Principal of Pinehill College, Halifax, N. S., Rev. Mr. Curtis, Secretary of the Sunday School work of the Methodist Church of the Maritime Provinces and Rev. Franklin W. McElfresh, Ph.D., of the International Training Department, Chicago, Ill.

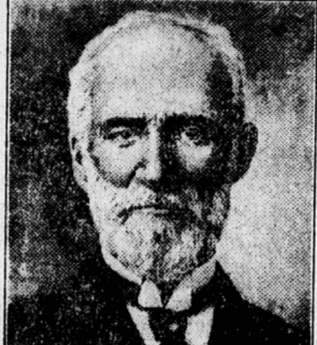

Rev. Mr. Curtis conducted a delightful devotional service at the opening of the convention after which Rev. W. M. Fields, President of the Convention, took the chair and gave his address. He spoke hopefully of the future of the past year and gave a comprehensive review. The future of the Sunday School work of P. E. Island was bright with promise.

The chair appointed nominating, resolution, credentials and press committees. A very cordial address of welcome was given by Rev. D. Wright, pastor of the church in which the convention is being held. Rev. W. H. Spencer, who has been for 17 years a pastor of this church, responded in a very pleasing manner.

EFFECTS WERE MARVELLOUS

When I Tried "Fruit-a-tives"

HARDWICKE, N.B., Jan. 17th, 1910. "I feel it my duty to give you a statement in respect to the wonderful cure I received by taking 'Fruit-a-tives'. Chronic constipation was the complaint I suffered from for years. My general health was miserable as a result of this disease, and I became depressed and alarmed. I was treated by physicians without the slightest permanent benefit, and I tried all kinds of pills and tablets.

"I saw the strong testimonial in favor of 'Fruit-a-tives' by New Brunswick's 'Grand Old Man' Senator Costigan, and I knew that anything he stated was honest and true and given only to help his fellow-men. I tried 'Fruit-a-tives' and now I am entirely well from that Chronic Constipation that I suffered with for years." A. C. WILLISTON. "Fruit-a-tives" will cure you, just as they cured Mr. Williston. Get a box today—take them—and begin to feel better. 50c a box, 6 for \$2.50, 00 trial size, 25c. At all dealers, or from Fruit-a-tives Limited, Ottawa.

association, but a good beginning had been made. A great need was the strengthening of all the departmental work. Rev. Mr. Ross grappled with the problems concerning the association like a Christian statesman. It is felt that he is the right man in the right place.

John F. Wear gave the report of the executive committee. He has been a most efficient chairman and much of the success of the work of the year is due to his splendid leadership. He spoke very favorably of the Secretary, Rev. Mr. Ross. He spoke encouragingly of the improvement in the finances but something must be done to put the work on a satisfactory basis. He advocated the appointment of a special committee to consider the financial condition of the Association. This was adopted. Statistical reports are being printed and will be distributed.

Mr. Jardine, Summerside, gave the financial statement for the year. It was more encouraging than last year, but there was still a deficit.

Rev. W. A. Ross next gave an interesting talk on Our Banner Schools. He defined a banner school as one which (1) kept good records; (2) was graded; (3) had a cradle school; (4) had a home department; (5) had graded classes; (6) had teacher training classes; (7) had teacher's meetings; (8) Evangelism; (9) Bible; (10) cooperated with the Sunday School Association program was a fine address by Rev. R. G. Strathie on Religion a man's job. Mr. Strathie very convincingly showed that first the Bible appeals to man and the centre and heart of the Bible was the man Jesus Christ.

Second, the world around appeals to the heroic in man to be religious. Third, Religion is a matter of individual experience and implants in the heart of a man the loving heart of a little child.

Rev. Principal McKinnon delivered an address on Evangelism—Christian Nurture.

In the afternoon Mrs. S. Sanderson gave an excellent report on elementary divisions. Mrs. F. A. Wightman spoke on the important factors in primary teaching. Mrs. W. A. Ross gave a clever address on elementary work. Rev. W. A. Ross followed with a splendid address on the elementary standard of excellence.

The new graded lessons were demonstrated by Miss L. Barrett, Charlottetown, Mrs. W. A. Ross and Mrs. Sanderson, who taught classes of little ones before the delegates.

Rev. Mr. McElfresh followed with a really splendid address on The Child and The Bible, at the conclusion of which the meeting adjourned until evening.

The session will be continued today. Special from Guardian correspondent. MONTAGUE, Oct. 12—The P. E. I. S. S. Association The Presbyterian Church, Montague, was filled to overflowing on Wednesday evening. Rev. A. Wightman led an inspiring devotional service after which Rev. E. A. Westmoreland gave a very helpful address on The Child and The Kingdom.

Dr. McElfresh gave another of his unreportable address. He is a great favorite with the convention. His bright sayings and his suggestive address are a feature of the sessions. He is scholarly, but he is simple in expression and easily understood. His big heart and cultivated mind bring to every address well beaten oil. His subject was one of vital importance, The History of Adolescence. He developed his plot under three heads: (1) Sympathy; (2) Guidance; (3) Will. The great work of the Sunday School is to lead to conversion and this period is the special time when religion appeals to the young mind.

these works can be converted. Eighty-seven per cent of the Church membership come from the Sunday School. Brief closing prayer was made by Rev. B. O. Hartman.

On Thursday morning Rev. E. J. Grant led the Devotional Services. The report of the Home Department was given by Rev. Z. L. Fash. He emphasized the importance of having a home department in every one of the 200 Sunday Schools in P. E. I.

The Rev. F. J. Wightman gave the report of the Adult Department. Some discussion followed on the importance of appointing distinct Superintendents who were efficient and who would act.

Rev. W. A. Ross gave a helpful address on the adult Bible Class standard of Service. This attempt to put a definite program of service before the people every man and woman should be given something definite to do. The following points were emphasized as the main purposes of the movement: (1) Increase of membership; (2) Bible Study; (3) Missions; (4) Soul Winning; (5) Community Work.

Rev. H. W. Toombs, Georgetown, gave the report for the temperance department, of which he was superintendent. He gave some suggestions for temperance workers throughout the province.

Rev. Robert Murray Leary gave a suggestive Temperance Talk. He used some very helpful charts and made some pointed remarks. It would be well for all the Sunday Schools to have these charts.

Rev. James Strothard, Summerside, sent his report on the Missionary Department, which was read by J. C. Jardine. Mrs. Westmoreland's essay on Missionary Instruction in the Sunday School, was read by her husband Rev. E. A. Westmoreland. The possibilities of the child is beyond comprehension. The child is the Church's greatest possibility. Mission is the Church's attempt to bring man into proper relation with God. The Sunday School should give the child a missionary training.

Rev. E. S. Weeks gave an address on the Habit of Daily Bible Reading. The effect of habits upon life was touched upon. Habits become a second nature; secure permanence in good and evil. Daily Bible Reading is exceedingly important. The tendency is to allow some minor matters to interfere. Bible reading is good for every day in the week. The soul needs nourishment, as well as the body. Scripture knowledge wonderfully fortifies the life.

Wm McLeod, a veteran temperance worker, gave some of his experiences. He condemned the selling of liquor by the druggstores and the convention applauded, vigorously.

Dr. McElfresh addressed the convention on "The Organized Bible Class. Every effort should be made to get every man and woman interested in the adult classes during the last five—Sunday School. More than 500,000 members had been brought into years. The Class spirit should be encouraged. The teaching of the bible

is the central element of the class. Everything gathers around the Work of God.

Rev. Principal McKinnon gave the closing address of the morning session on Evangelism—Rescue the Perishing. Evangelism means good news. This good news is that God sent his Son Jesus Christ into the world to save men from sin. The problem is how to apply evangelism to the rescue of the lost. How are we to reach

those who have dropped out of the Sunday School and are perishing? There should be: (1) Personal work for individuals. This was the Saviour's method. Suppose each Christian man should win one convert the whole world would be saved in thirty one years. (2) The method should be to give the whole gospel to the whole world. Give men the living Christ. The only permanent cure for intemperance is to bring men into living touch

with the living Christ. The illustrations in this address were appropriate and telling. We must go after men for Jesus Christ. What makes a man a Christian is his committal of himself to God. We must lead the boys and girls to make a definite decision for Christ.

Neilson's The Chocolates that are Different

There is no such thing as "Chocolates Made Fresh Every Hour". Any dealer, who claims to sell Chocolates an hour after they are made, either mis-states the facts or knows nothing about bon-bon or chocolate making. All chocolate creams, when first made, are hard, and must be kept at least a fortnight before they become soft again. Neilson's Chocolates are always matured for at least a month. This maturing brings the centers of the chocolates back to their original creamy state—and allows the delicious fruit centers to blend perfectly with the cream.

"Cherries in Maraschino, Chocolate Dipped" are as different as they are delicious. A plump French cherry in Maraschino, surrounded by a melting cream, enclosed in a globe of indescribably rich chocolate.

When you see a woman with that indefinable air of being absolutely well-dressed, you may be sure she is wearing a good corset. The D & A and the La Diva Corsets are steadily displacing all competitors in the favor of Canadian women. Our designers get their ideas fresh from Paris and these ideas are faithfully carried out by our large organization of the most skillful work-people on the continent. There is about the D & A and the La Diva Corsets the unmistakable touch of style. They give to the figure long, sweeping lines of grace and beauty. All good stores carry the D & A and the La Diva Corsets, in models suited to every figure and at prices ranging from \$1.00 up to \$5.00. The illustration shows D & A No. 712, which sells at \$2.75. This is a model well suited to many figures, and has very graceful lines. Any imported corset of equal merit sells in Canada at about \$4.00. DOMINION CORSET CO., QUEBEC, Que. 26-11 712

Advertisement for BEAVER FLOUR. Includes an illustration of a woman in a bonnet holding a tray of bread. Text: "Every Woman Knows how necessary it is to use good flour in order to obtain the best results in baking. It is no more costly to use the best flour than it is to use one of inferior grade—and the results are not to be compared. Flours are usually milled for bread making or pastry making, not for both, and that is where the housewife is put to unnecessary inconvenience and expense. "BEAVER" FLOUR is not only the best bread flour, but is the best pastry flour. It is a careful, scientific blend of the rich, nutritious Manitoba Spring wheat and the wheat from which the best pastry flour in the world is made—Ontario Fall wheat. BEAVER FLOUR contains the gluten of the Manitoba wheat that gives nourishment to the system and the properties of the Ontario wheat that make the lightest and whitest rolls and the most delicate pastry. Baking is a pleasure with BEAVER FLOUR, for the results are unvaryingly good, and you have only one sack of flour to buy, to make the best looking, best tasting and most nutritious bread and the lightest cakes and pastry. It makes more loaves to the barrel than any other flour, and relieves you of all anxiety as to how the bread or pastry will turn out. Get it from your grocer, and convince yourself.
