RETURNING SOLDIERS.—A telegram received by Miss Gillis, Secretary of the Returned Soldiers' Committee, states that two returned soldiers, Charles Arsenault and John Perry, were leaving Halifax for Charlottetown. PRINCE EDWARD THEATRE.—The third chapter of that thrilling serial, "The Secret of the Submarine" was even more tense in action than the two preceding installments. The tremendous automobile leap was a breath-taker and intense dramatic adventures teemed throughout every inch of the film. "Luke's Double" was just a little nonsense and a little nonsense now and then is relished by every one. Owing to a misunderstanding in St. John, regarding the winter service the other big feature advertised for yesterday—"For the Defence" was shipped to Pictou instead of Point du Chene and will arrive by the car ferry steamer today. It will be put on tonight and is a photo-play of intense dramatic interest.
