CONVENTION

Of Provincial Sunday School
Workers.

What Was Done at Yesterday's Three
Sessions.

The first session of the Provincial
Sunday School Convention was held in
the Baptist church yesterday morning.
The business was chiefly routine. Rev.
Dr. Lucas conducted a Bible reading on
friendship, relationship and fellowship.

AFTERNOON SESSION.
At the afternoon session the Rev. A.
Lucas led the devotional exercises, after
which the president, Rev. Mr. Gold-
smith, took the chair, and the secretary
read the report of executive committee
which was on motion adopted.

The following committees were ap-
pointed:—
Credential committee—Dr. Ayers, W.
C. Turner, J. K. Ross.

Press committee—Rev. Mr. Shaw,
Rev. W. J. Kirby, Dr. Ayers.

Nominating committee—Rev. G. M.
Campbell, L. Morris, Rev. Mr. Shaw,
Rev. Mr. Manifold, D. Montgomery,
Rev. Mr. Finlayson, J. K. Ross.

Resolution committee—Rev. G. M.
Campbell, Mr. Huggan, D. Schurm,
J. A. Lawson. The secretary led
the conference on the home department
showing West Price 90—Summerside
43—Charlottetown, 50 members. Several
took part in conference, after which
Rev. Lucas gave some valuable in-
formation.

A resolution calling upon the district
convention to take more active part in
this department, was moved by Rev. W.
J. Kirby and seconded by the secretary
and carried.

The report on Normal Class Work
was given by the superintendent of that
department, Rev. J. Goldsmith. One
class with twenty members has been
formed and worked very successfully.
It was shown that N. B. Association
has 1000 students, and last year 130
took the examination.

Several took part in the discussion
and the Rev. Mr. Lucas again gave the
convention some very practical ideas,
after which he gave a Normal lesson,
using the blackboard for the purpose,
as he said "because the nerve that leads
from the eye to the brain is 80 times
greater than that of the ear." In a few
strokes of the chalk he put the several
periods of Bible history upon the board
and made the whole more impressive
by a simple diagram.

The Credential Committee showed
present 7 ministers, 10 superintendents,
30 teachers, one Home Department
President.

After announcements of committees,
Convention adjourned with benedic-
tion.

The afternoon session was exceeding-
ly profitable and interesting to all Sab-
bath School workers, and many re-
ceived some valuable hints for future
work.

EVENING SESSION.
The opening of the evening session
led by the President, Rev. John Gold-
smith, at 7.45 was preceded by a half
hour devotional service led by Rev.
Geo. Manifold. Quite a large audience
assembled, considering the inclemency
of the weather. The minutes of the
previous sessions having been read and
adopted, Mr. J. K. Ross was called upon
to address the convention with words
of welcome in behalf of the city schools.

In his remarks he dwelt upon
the importance of Sabbath schools,
upon the necessity of unity
among the different denominations,
as well as upon the earnestness and
zeal with which S. S. workers should
enter into the work, and concluded with
words of hearty welcome to the dele-
gates and friends from different parts
of the province.

Rev. W. J. Kirby was then called
upon to address the convention in behalf
of the churches and citizens. He spoke
of the origin of the S. School by Robert
Raikes; of the responsibility resting
upon the teachers, of the great work
to be done in lifting up, building up
and strengthening in the vineyards of
the Lord.

The reply to the words of welcome
was made by Mr. Montgomery. The
great object of the S. School is first to
lead the children to Christ and then to
lead them to study God's word. Em-
phasis was laid upon the fact that there
is a great tendency to neglect the study
of the Holy Scriptures, and also upon
the same in regard to the desecration
of God's holy day. He thanked the
speakers heartily for their words of
welcome and the citizens for their kind
hospitality.

Rev. Mr. Finlayson also responded
heartily to the words of welcome after
which was sung the well-known hymn,

To Cure a Headache in ten minutes, us
