Kindles Life In the Nerve Cells
And by the Increasing Nerve Force Restores Vitality to Every Organ of the Body.
Dr Chase's Nerve Food.
Suicide, insanity, falling sickness, paralysis: These are some of the results of worn-out nerves. No one would neglect a disease so dreadful in its results as nervous exhaustion if the danger were only realized with the first symptoms.
The time to begin the restoration of the nerves is when you find yourself "unable" to sleep at nights, suffering from headache or neuralgic pains, indigestion or weak heart action. Loss of flesh and weight, growing weakness and debility, a tendency to neglect the duties of the day, gloomy forebodings for the future, are other indications of depleted nerves.
You cannot liken Dr. Chase's Nerve Food to any medicine you ever used. It is a nerve vitalizer and tissue builder of exceptional power. Naturally and gradually it rekindles life in the nerve cells and forms new red corpuscles in the blood—the only way to thoroughly cure nervous disorders.
Mrs. J. McLeod, Chestnut Street, Charlottetown, P. E. I., states: "For some time I have been troubled with attacks of nervous sick headache which were accompanied by indigestion. I began using Dr. Chase's Nerve Food some time ago and have been greatly benefited by its use. My digestion has been improved, the headaches have disappeared and I have gained in flesh and weight. I consider Dr. Chase's Nerve Food a splendid health builder."
Mrs. George Beattie, Carr's Brook, Colchester Co., N. S., writes: "Last spring I was very much run down, felt tired all the time and did not seem to have life or energy enough to do my work. Three boxes of Dr. Chase's Nerve Food did me a world of good and made work a pleasure to me. I have not had occasion to use any medicine since and have recommended Dr. Chase's Nerve Food to all my friends."
Dr. Chase's Nerve Food, 50 cents at all dealers, or Edmanison, Bates & Co., Toronto.
