

Every Veteran

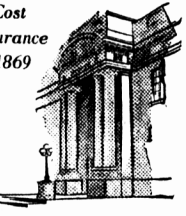

...should answer these questions:

'What is MOST important in my future?' SECURITY, perhaps you would say? You have won the right to plan your future! Plan it with life insurance... the strongest force to assure continuation of your present security... for yourself... for your loved ones... in the years ahead!

'Does it matter WHICH life insurance company I choose?' Yes! Life insurance companies are much alike as to policies and rates, but actual long-term results vary widely. We invite you to compare The Mutual Life of Canada's record with that of any other company.

Low Cost Life Insurance Since 1869

LEICESTER, England -- (CP)—W. A. Dickenson has invented a process of making fire-proof bricks from a fine ash waste product from electricity power stations.

By HAM FISHER

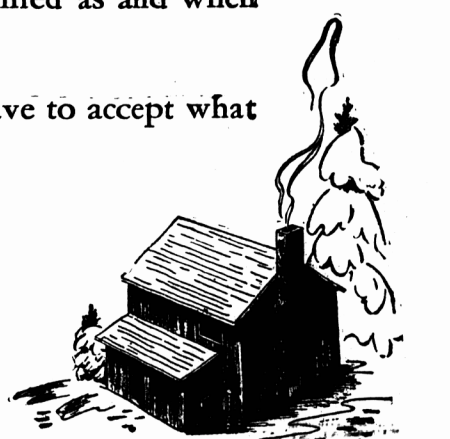

Order YOUR COAL NOW AND BE SURE OF COMFORT NEXT WINTER

Do not delay another day in placing your order for next winter's coal. Have your bin filled as and when fuel is available from your dealer.

Those who put off ordering will have to accept what fuels are available.

You alone are responsible for ordering your supply of coal. It is entirely a matter between you and your Dealer.
