SOURIS A DRUG STORE THAT IS A DRUG STORE There are lots of drug stores. You may wonder whether it makes any difference where you take your prescriptions or where you buy your goods. Our best promise is our drugstore. If you come in and investigate it from front door to back, from top to bottom. Bring in anybody else who is competent to judge and let them investigate methods, quality of drugs, prices and everything else. If you do, you are bound to become one of our customers because you will find that this is a real drug store worthy the name. Mabon's Drugstore, Souris East, P. E. Island.

DON'T NEGLECT YOUR EYES Don't strain your sight by disregarding a defect of vision which glasses will correct, but make provision for the future by saving your eyes as much as possible. Spectacles are sight savers. A pair of colored glasses worn now would save much future discomfort to many eyes. We have them at 25c up. E. W. TAYLOR, CAMERON BLOCK.

SOMETHING FASCINATING about the shoes that we are showing for SPRING wear. They are so well made, so symmetrical in form that the eye cannot rest upon them without being highly pleased. And the beauty is not confined solely to the feminine footwear. Men's, Women's, and Children's Shoes are equally stylish and all are excellent quality. J. H. BELL The Experienced Leatherman.

The return hockey game last night between the Druggists and Dentists, which was one of the most interesting this season was won by the former with a score of 12 to 2. The Druggists are certainly a swift seven, and the combination play of Hennessey, Bethune and Foster, deserves particular mention. Dr. Lodge, goal for the Dentists, made some fine stops, and the score would have been much larger had it not been for the good work of the doctor between the nets. This is the third victory for the druggists this season.

The snow fall to date exceeds the whole of that of last winter. Up till Saturday last eighty-four inches had fallen, or two inches more than the whole snow fall during last winter. If this snow were all on the ground at once and a path cut through it, a tall man would find some difficulty in reaching to the top of the bank. Eighty-four inches of snow is no such a lot of moisture, as it is only equal to a little over eight and a quarter inches of rain, and there are places in Maritime Canada where four inches in one rain storm is not infrequent, which would correspond to about forty inches of snow.

FINAL Examinations are now in progress at the Union Commercial College. The students of the Commercial Department are required to make an aggregate of 400 on the seven regular subjects of the Course, consisting of Bookkeeping, Commercial Law, Penmanship, Spelling, Correspondence, Arithmetic and Rapid Calculations. Students making 375, or over, with not less than 70 in any subject are granted the College Diploma with Honors. It will be noticed from the above that the Union Commercial College has taken the initiative in setting a standard which will hinder all who are not properly qualified from obtaining Diplomas. Business men may rest assured that graduates of the above College are fully competent to discharge the duties which may devolve upon them.
