Moreover, an international flavor will be given the regatta by the participation of the North West Arm Rowing Club of Halifax. The club is sending, in addition to its four-oared crew, F. R. As sworn to by Warren, the statistics were: His father married in turn three sisters, the first two wives being twins and the third being one of a pair of twins.

To the first wife was born one set of triplets, all boys, of whom William Warren was one.

Between them, the two other wives gave birth to 11 sets of twins, making a total of 25 children. No single children were born in the family.

Of the 25 children, 12 were boys and 13 were girls. Finally, all 12 boys served in the Union army. William Warren was the sole survivor at the time he applied for his pension.
