

Vapo-Cresolene
Established 1879
Whooping Cough, Croup, Bronchitis
Cough, Grip, Asthma, Diphtheria
Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach?
It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

HUBBARD SQUASH AND PUMPKINS.
Hubbard squash is not used to the extent that it should be in this country. In England and the United States this vegetable is very much prized. As a vegetable it is unexcelled and for pie making it is all that could be desired. Pumpkins, is another vegetable coming more into use every year, and a good pumpkin pie goes to the right spot every time.

Then again pumpkins make grand preserves, a 20c. pumpkin will produce as much preserve as one dollar's worth of plums. Cranberries should be used more extensively than they are, they correct the liver and have a beneficial effect on the kidneys and purify the blood.

It would be expensating to give all this information if we were not in a position to point out where to procure these articles, and at a very reasonable figure.

Hubbard squash we have them at from 10 to 20c. each. Pumpkins we have them from 10 to 25c each. Cranberries we have them (as good as Cape Cod's some say better) at 8c per quart 10 quarts for 75c.

All the above goods advance in price as the season advances and have done so year after year as long as we can remember.

"The latest news first of all."
...Rev. F. A. Wightman of Moncton spent last week in Laurenceville, N. S., where he was called to assist the executors in winding up the estate and business of his father-in-law, the late J. W. Whitman. Among the bequests were a hundred dollars to the Canadian Bible Society and fifty dollars to the General Missionary Society of the Methodist Church.

FROM THE GOLDEN STATE.
Santa Monica, Cal. The drug trade here are having such enormous demand for "Catarrhose" they find difficulty in keeping it in stock. Wonderful cures are effected almost daily. Mr. A. H. Calkins says: "If anything will cure bronchitis and catarrh I am sure Catarrhose will; it soothes the membranes of the lungs, throat and nasal passages, relieves quickly and always cures the most stubborn cases." The people of many nations use Catarrhose, which has no equal for thorough cures; two months' treatment guaranteed to permanently cure costs one dollar; the sample size costs twenty-five cents at all dealers in medicine. Get Catarrhose today.
