### LIKE A THIEF IN THE NIGHT

That's how pain comes. We sit near an open window, get stiff neck or sore back. Perhaps cool air quickly after exertion—rheumatism develops. Spend what you may, but money can't buy anything better than Polson's Nervine line. Its penetrating power enables it to reach deep tissues—that's why it cures aches that all else can't touch. For outward application we guarantee five times more strength than in any other liniment. Inwardly it's harmless and as sure as the hereafter to ease at once. Don't accept a substitute for Polson's Nervine which is the one great household panacea of today.
