The remains are being brought to the Island to-day for burial at his home. Dr. McDonald received his degree as Veterinary Surgeon from the Toronto Veterinary College a little more than a year ago, and last December received an appointment on the Meat Inspection Staff in Toronto. No further particulars have been received.

FOUR DOCTORS DISAGREED

Pains Disappeared After Use of Lydia E. Pinkham's Vegetable Compound.

Wilmington, Del.—"I was suffering from a terrible backache and pains in my side, with bearing down pains and was very nervous. I was always tired, always drowsy, never could get enough sleep and could not eat. I had four doctors and each told me something different. I read of Lydia E. Pinkham's Vegetable Compound and decided to try it. I got good results and I now feel better than I have felt for years and I am gaining in weight. I can gladly recommend it to all women."—Mrs. GEORGE W. SEBOLD, 1611 West 4th Street, Wilmington, Del.

Backache and bearing down pains are danger signals which every woman should heed. Remove the cause of these aches and pains by taking Lydia E. Pinkham's Vegetable Compound, that good old root and herb medicine. Thousands of women have testified to its virtues. For forty years it has been making women strong, curing backache, nervousness, ulceration and inflammation, weakness, displacements, irregularity and periodic pain.

If you want special advice write Lydia E. Pinkham Medicine Co., confidential, Lynn, Mass.

IN MEMORIAM

THE LATE MRS. PERCIVAL.

The late Mrs. Percival was a thorough Christian lady, possessed of more than ordinary ability in many ways. Her kindness of heart could not be excelled, her charitable disposition endeared her to all, who had the pleasure of her acquaintance, she emigrated to this Island some eighty-eight years ago, when P. E. Island was in its infancy, she married the late Rev. Isaac Smith, a gentleman beloved by all. She was the grand daughter of the late Admiral Westgate, a gentleman of distinction and high honors, his daughter was the mother of the late Mrs. Percival, who died in this city on April 14th 1916 aged 93 years.

MR. ISAAC SAUNDERS.

The community of Winsloe has sustained a great loss by the passing away of one of its most highly respected inhabitants in the person of Mr. Isaac Saunders. He peacefully entered into rest last evening at the Charlottetown Hospital after a lingering illness. Mr. Saunders was not only a very hard worker and successful farmer but a man of high ideals and noble character. He was for many years a faithful member of the Methodist Church at Winsloe and possessed a deep religious experience which cheered and sustained him through the lingering days of his sickness and enabled him at all times to submit himself entirely to his Master's will. He leaves to mourn, besides his widow one son, Mr. Lea Saunders, and two daughters Mrs. Albert Wise of Charlottetown and Miss Blanche of Winsloe. The funeral will be conducted from his residence at Winsloe on Thursday at 2 p. m., and from thence to the local cemetery. The heartfelt sympathy of a host of friends will go out to the bereaved family in their great loss. Servant of God, well done! Thy glorious warfare's past, The battles fought, the Victory's won, And thou art crowned at last.

MRS. THOMAS COUGHLAN.

Very suddenly at Brocton, Lot 4, on April 1st there passed from this world Mrs. Thomas Coughlan nee, Catherine Macdonald. She had always been in good health, but on that morning complained of not feeling well. At noon medical help was obtained, but all that medical skill could do was of no avail and in the evening her gentle spirit passed from the cares of this world to the glories beyond. Much sympathy is felt for the family who within a few short months have lost father, brother and mother, all being taken suddenly away. The memory of this gentle patient loving mother will long be cherished by her devoted children, to whom she was everything. The sons and daughters are:—Mrs. Lynn Selby in Seattle, Washington; Raymond in Alberta; Flora and Ethel in Brocton,

Preparedness

Now that all nations are talking preparedness, why not discuss health preparedness. While we have been negligent in protecting our country against the enemy, we have also failed lamentably in fortifying our human bodies against disease germs.

This has been proven in the recruiting offices, where so many men have been turned down by the examining doctors. Weak heart action; diseased lungs; thin, watery blood; defective eyesight, resulting from exhausted nerves. These are among the prevailing derangements which the examining doctors find.

Health has been neglected. The blood has not been kept in healthful condition. The nervous system has got run down, and the subject under inspection is in no condition to fight the enemies of his country or to withstand the attack of disease germs.

Health preparedness means the use of preventive treatment, such as Dr. Chase's Nerve Food, to enrich the blood, reinvigorate the starved nerve cells and keep the health at high-water mark. In this condition you have the strength, vigor and confidence which is necessary to the success and enjoyment of life. You have the vitality to defy disease germs and thereby escape many ills which find an easy prey in the run-down system.

Dr. Chase's Nerve Food, by means of its blood-forming and nerve-invigorating influence, cures headaches, nervous indigestion, sleeplessness and irritability, and prevents such serious diseases as nervous prostration, locomotor ataxia and paralysis.
