

NO MORE HEADACHES

Suffered From Constant Headaches—Cured by "Fruit-a-tives" When Doctors Failed.

"I was a sufferer from fearful headaches for over two years, sometimes for days at a time. I took all kinds of medicines, was treated by physicians, and yet the headaches persisted. I was rarely free from headache. A short time ago I was advised to try 'Fruit-a-tives' and I did so with I must confess, very little faith, but after I had taken them for three days my headaches were easier and in a week they left me. After I had taken a box of the tablets my headaches were quite cured. My appetite was always poor and my stomach bad, and now my appetite is splendid and my digestion is excellent. I had become thin and weak, but now not only have I been cured of all these awful headaches, but my strength is growing up once more. I feel like a new man. I have taken in all three boxes of 'Fruit-a-tives' and I am exceedingly grateful to give this unqualified testimonial to the great pleasure of 'Fruit-a-tives' and to some other sufferers of headaches who will be induced to try 'Fruit-a-tives' and will be cured."

ODIST CALL IN AID OF MISSIONS

ST. JOHN, January 14.—A convention of the ministers of the St. John district of the Methodist church was held yesterday afternoon and evening in the parlors of the Centenary church. Rev. Thomas Marshall, superintendent of missions, delivered an able address on the life and work of the church in the district. Subsequently a strongly worded resolution was adopted calling on the churches to meet the necessity of a largely increased revenue to maintain the work and to show greater zeal in the cause of missions.

Rev. S. Howard, president of the conference, was in the chair. Those present were Rev. Mr. Marshall, Rev. H. D. Marr, Rev. Dr. G. M. Campbell, Rev. Dr. C. R. Flanders, Rev. Charles Comben, Rev. Neil McLaughlin, Rev. C. W. Squires, Rev. James Crisp, Rev. A. C. Bell, Rev. George Ross, Rev. H. Stanley Young, Rev. J. L. Laird, Rev. J. B. Champion and Rev. T. J. Deinstadt. Rev. M. R. Knight, secretary of the conference, and Rev. J. C. Barrie, of Marysville, were welcomed and invited to seats in the convention.

The chairman, Rev. Mr. Marshall, in his address on the life and work of the church in the district, dealt with the territory included within the circuits, the membership of the church, the amounts contributed to various church schemes, and showed the great necessity of an increase in mission contributions, as well as a supply of ministers to fill vacant fields.

The convention gave the subjects presented careful and thorough consideration and as a result the following resolution was unanimously adopted and directed to be sent down to the circuits and missions in the district:

"That as the open and opening doors are bringing the mission board face to face with an emergency never before experienced, and are making necessary a largely increased

"Chancing to read that my symptoms were those of Kidney Disease I began using Dodd's Kidney Pills and began to improve almost at once. Six boxes worked a complete cure."

"Diseased Kidneys are the cause of nine-tenths of the ills that make life a burden to so many women in Canada. Dodd's Kidney Pills always cure diseased Kidneys."

BY SPECIAL REQUEST THE SCOTISH TRIO WILL APPEAR

At New Wonderland Tonight. Farewell For Brown and Wilmot.

Tonight combines the farewell appearance of Brown and Wilmot with the last appearance of the Scottish Trio as well, and it is in accordance with the request of innumerable patrons of New Wonderland that the Trio comes on again. It is indeed worth seeing and hearing. The tuneful Scotch melodies combined with the popular as well as natural duets and trios, are harmonious, catchy, fetching in spectacular beauty and the whole act so out of the ordinary that no one should miss this farewell tonight. Exceptional in every good quality, attractive in all, and premier winners of the people's admiration, Brown and Wilmot have left a record after them seldom equaled by any vaudeville act, and it is with regret that their "good byes" will be said this evening. Give them bumper house they deserve, but novel and out of the common is filled for New Wonderland. Sid Allison sings tonight "Won't you be my honey?" for his change of song, and the motion pictures are:

10,000 NOW TRYING TO LIVE TWO WEEKS

CLEVELAND, Ohio, January 13.—The movement began a week ago Sunday by eighteen hundred young people of this city to live for two weeks "Jesus would" has assumed a scope far beyond the expectations of its promoters. Fully ten thousand volunteers have unofficially joined the movement by attempting the test, and pledging themselves to walk in his steps. Even city officers are taking an interest and are summing up on what Jesus would do if He were a city officer.

Many interesting experiences have been related by those who have completed the first year. Some say they cannot carry the practice into business. Others say they can. The test also has brought out a host of critics, some praising, others condemning the idea. Church members are encouraging the trial and pleading for its continuance. The scoffers sarcastically say that the effort implies past hypocrisy.

Discussions are rife in homes, in churches, in clubs and in newspapers as to what Jesus would do under all manner of circumstances and what His attitude would be toward the common forms of amusement and human endeavor. Most of the arguments centre about the theatre, playing, dancing and baseball, with supporters on either side.

The coming week will be the concluding period of the official test.

WILL RESTORE RIGHTS.

LONDON, Jan. 13.—Mrs. George Guy Chetwynd, who is a daughter of the late Charles Secor, of New York City, was granted a decree in the divorce court yesterday against her husband for the restitution of her conjugal rights. The petition was not defended.

Mrs. Chetwynd's husband is son and heir of Sir George Chetwynd.

MONTREAL WILL NOT BE PLUNGED IN DARKNESS.

MONTREAL, Jan. 13.—The Commercial Metropolis of Canada will not be plunged in darkness. The City Council decided this afternoon to ask the Montreal Light and Power Company to continue lighting the City until a new contract is concluded. The rate is to be left to arbitration.

MONCTON CIVIC ELECTIONS PROMISE TO BE LIVELY.

MONCTON, N. B., Jan. 14.—Candidates are getting in the field for civic elections to take place Jan. 25. Mayor Purdy, Ald. J. S. Rieley, Martin, J. H. Crandall and P. N. Crandall of the old board have announced themselves candidates, while new men in the field are H. S. Bell and H. B. Gordon, ward 2, and C. J. McCarthy, ward 3. In ward 2, Ald. J. T. LONELY TRIP OF MISS C. MANSFIELD

\$30,000 FOR THE LOSS OF A LIMB

LONDON, January 14.—Miss Charlotte Mansfield, an adventurous young authoress, sailed for Cape Town recently, with the intention of starting on a lonely tramp of eight thousand miles toward Cairo. Two thousand miles of the journey will be through the wilds of Central Africa. Miss Mansfield's only escort will be thirty native warriors. At Nairobi she expects to meet President Roosevelt.

Miss Mansfield is an athletic young woman, and although she has never been in Africa before, the journey, she says, has no terrors for her. She has tramped alone in several of the out-of-the-way districts of Europe. She is a good shot and expects to supply herself with fresh meat with the rifle. Otherwise her party will rely on the resources of the country, corn, rice, manies and fruit.

The Cattle Rustlers: one of the first pictures ever shown here, and one which teaches a strong moral lesson while showing grand scenery, noble horses, and a general depiction of the life of the West.

Yusuf The Pirate, will by special request too, be shown tonight, as it was put on only Monday evening, and hundreds did not have the opportunity of seeing this grand picture. Saturday night at New Wonderland is always something to look forward to, and tonight offers attractive features in plenty, ones which will be sure to bring a bumper house. The low price of admission is within the reach of all, and the comfortable hall, with its recent cleansing is most inviting in every way. Come tonight.

TORONTO, Jan. 14.—Sir Frederick Borden and Lady Borden and Hon. J. J. Foy and Miss Foy were received in private audience by His Holiness the Pope on Christmas Eve. Attending the Holy Father as grand chamberlain was the Marquis of Ripon, while Sir Thomas Esmond conducted the presentation. The Pope seemed greatly interested in Canada. He predicted a great future for the country. Addressing the party he said in English, "God bless you and God bless Canada."
