YOUR GRAY HAIRS QUICKLY VANISH

A Harmless Remedy, Made From Garden Sage, Restores Color to Gray Hair

A feeling of sadness accompanies the discovery of the first gray hairs, which, unfortunately, are looked upon as heralds of advancing age. Gray hairs, however, are not always an indication of advancing age, for many people have gray hairs quite early in life. Of course, it is unnatural, and indicates that there is something wrong with the individual, and that Nature needs assistance in correcting the trouble. The same is true of hair that is constantly falling out and becoming thinner every day. If everything is right with Nature, the hair, even in comparatively elderly people, should be long, thick and glossy, without even a streak of gray. The ideal assistant to Nature in restoring and preserving the hair is Wyeth's Sage and Sulphur Hair Remedy, a clean and wholesome dressing for daily use. It not only removes dandruff, but strengthens weak, thin and falling hair and promotes its growth. A few applications will restore faded or gray hair to its natural color. Get a bottle today, and let it do for you what it has done for thousands of others. This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by E. A. Foster & McKinnon Drug Co. Special agents McKinnon Drug Co., (Corner Kent and Great) George Streets and E. A. Foster, Sunnyside.

Baltimore, Md., Nov. 11, 1903. Minard's Liniment Co., Limited. Sirs,—I came across a bottle of your MINARD'S LINIMENT in the hands of one of the students at the University of Maryland, and he being so kind as to let me use it for a very bad sprain, which I obtained in training for foot races, and to say that it helped me would be putting it very mildly, and I therefore ask if you would let me know of one of your agents that is closest to Baltimore so that I may obtain some of it. Thanking you in advance, I remain, Yours truly, W. G. McCUEAN. 14 St. Paul Street. Care Oliver Typewriter Co. P. S.—Kindly answer at once.
