—STREETS IN POOR CONDITION.—The public can plainly see that the streets of Summerside are in a very bad condition and apparently the young people feel themselves compelled to use the sidewalks as bicycle tracks. It is hoped that this will soon be remedied.

—REBUILDING ALBERTON.—Owners of properties in the burnt area have, in most cases, given contracts for erection of buildings and contractors are awaiting favorable weather to begin operations, says an Alberton correspondent of the Island Farmer. Reports say that some of the new structures are to be unusually low. The hope is expressed that the general good appearance of our principal thoroughfare will not be marred by shed-like structures about its very centre.

—HOME FOR BURIAL.—The remains of the late Mrs. Agnes Corken, who passed away in Roxbury, Mass., February 19th, were brought to Summerside on Wednesday evening and the funeral took place on Thursday to the People's Cemetery. Deceased was 75 years of age, and was formerly Mrs. T. H. Hall, of Summerside, daughter of the late Mr. Robert Glover. She, with her husband, left the Island about thirty years ago for Colorado and on the death of Mr. Hall moved to Roxbury, Mass. She later married Mr. Corken. She leaves to mourn one brother, Mr. Robert Glover, of Somerville, Mass., and one grandchild, Mr. Glover accompanied the remains to Summerside.

—BASEBALL AND ATHLETIC CLUB AT KENSINGTON.—At a meeting of the young men of Kensington on Wednesday evening last it was decided to form a baseball and athletic club. The committee in charge have procured a suitable ground near the town. It is most likely that a P. E. Island baseball circuit will be established, and Kensington would like to be "counted in." In the athletic field there is promising material. Practice is required to develop the embryo champions. The athletic club will affiliate with the Abegweit and C. A. A. A meeting will be held on Tuesday evening, April 22nd at 7 o'clock in the Commercial Hotel sample rooms. It is desirable that the athletes and baseball players from contiguous districts be present.

Japan May Withdraw From Peace Conference. (Special to The Guardian.) PARIS, April 18.—If Japan's position toward Kiaochow and Shantung is not approved by the Peace Conference she will withdraw and make her own arrangements with Germany. She can stand two deliberate affronts but she will not submit to a third. This statement was made by a Japanese official who does not wish his name used but who feels that Japan's attitude should be made clear and who resents, as does his countrymen, what is regarded as a persistent sub-

face police to minimize her influence and diminish her power. The affronts referred to lie in the fact that after attending a meeting of the council of ten and one meeting of what later became a council of four, Baron Makino since has been ignored and has had no participation in the affairs of the ruling body of the Conference. The second indignity was the defeat of the amendment providing against racial discrimination. German Attempts to Burn U.S. Troopship. (Special to The Guardian.) BOSTON, April 18.—A German agent allowed on the transport Patricia to look out for German property attempted to set fire to the vessel last night as it was nearing Boston with more than 2,000 American soldiers, according to Major F. W. Cavanagh
