For Family Colds

A reliable cough and cold cure should be always in the house ready for use the moment the first symptoms appear. It is always easier, cheaper and better to check a cold in the very beginning. It is safer, too. Shilo's Consumption Cure, the Lung Tonic, has been tested for thirty-three years, and tens of thousands of homes in Canada and the United States to-day are never without it. A dealer writes: "Shilo's Consumption Cure is without doubt the best remedy for Coughs and Colds on the market. Once used, my customers will buy no other."—L. Ebley, New Glasgow, Ont. If it were anything but the best would this be so? Try it in your own family. If it does not cure, you get back all it cost you. We take all the chances. Neither you nor your dealer can lose. Isn't that fair? 25c. is the price. All dealers in medicines sell.

We have placed in our window a lot of good quality china that we are going to sell at half price.

Right here we wish to draw your attention to the fact that we have been very careful never to misrepresent—so when we say half price, we mean it. One dollar can do the work of two.

At the prices they should not last long particularly when so much of it will make suitable Xmas gifts.

It is a splendid chance to make your Xmas money go further and better than you expected.

A MEETING of the Prince County Temperance Alliance will be held this evening at 8 o'clock in the E. M. G. A. Rooms. Every voter interested in the moral welfare of the community, is urgently requested to be present.

THE marriage took place at the Methodist Church, Kensington, last evening at seven o'clock, of Pattinson Walker of Freeport, to Miss Georgie, daughter of Hon. G. W. Bentley. The bride was Miss Irene Moore, daughter of John A. Moore of Charlottetown. The groom was supported by J. A. Bentley, brother of the bride. Owing to the illness of her father the bride was given away by her brother W. E. Bentley of Charlottetown. The bride looked charming in a gown of white silk, and carried a bouquet of white carnations and maiden hair fern. The bridesmaid wore cream with hat to match, and bouquet of scarlet carnations. The bride received a large number of very beautiful presents.

BISON FURNACE

Drafts in the Bison Hot Water Furnace work on exactly the same principle as in a kitchen range.

Its direct draft will give a roaring fire in "no time," and its side and down draft will bring the water to the boiling point very quickly.

Every heat unit in the fuel is utilized, its draft construction preventing any escaping.

The Bison has more good heating points than all other heaters combined.
