

Mosquitoes won't bother Outdoors!

FLIT is doubly useful, because it contains a special insect-repelling ingredient that drives away flies and mosquitoes outdoors. Be comfortable on the porch, evenings. Take it with you camping. Spray your garments—FLIT vapor does not stain.

FORBES, Scotland, June 20.—Premier Ramsay MacDonald and General Charles Dewes, United States Ambassador to Britain, planted a fir tree at the foot of a hill facing Logie house here this afternoon in memory of their historic talk on Anglo American naval disarmament. As Ambassador Dewes, with his cherry wood pipe in his mouth, vigorously shoveled the earth around the tree he planted, MacDonald said, "I see you are an expert." Planting his own tree, he remarked "I hope it will grow well."
