TESTIMONIALS: DEAR SIR:—I had a mare which had a very bad cough and heavy frothy discharge, and became so thin there was nothing left apparently but skin and bones and I was compelled to slaughter her. A friend of mine who had used Dr. J. Woodbury's Horse Liniment, with good success, induced me to try one bottle of it which I did with the best results. I used just one bottle of the Liniment which effected a complete cure of both the cough and the froth, and I have worked and driven her ever since. I strongly recommend Dr. J. Woodbury's Horse Liniment as the best Horse Liniment on the market, and advise all horse owners to try it. ROBERT HICK, WOODBURY'S HORSE LINIMENT FOR A NUMBER OF YEARS, and have found it to be the most excellent article for the feet of horses kept in the stable. It prevents dryness and hardness, promotes a smooth and healthy growth and will, used according to directions, soon remedy anything like contractions of the hoof. W. A. C. RANDALL, M.D.
