On Wednesday night the Caledonian Club will celebrate St. Andrew's Day in good style. A supper will be served at 8 o'clock, some able speeches will be given in honor of the day; Ronald Kay and Miss Bremner will sing some good Scotch songs; the pipes will play and Haggis will be in abundance, followed by a dance.

T. Nicoll, Agent of the Plant Line here, received a telegram yesterday afternoon stating, that, owing to the congestion of freight, there would be an extra trip of the line steamer to this port on the sixth of December. This will be positively the last sailing. The Halifax will not arrive here until this afternoon. She has a large cargo and will take a heavy cargo outward.

John P. McLaren, a well-to-do farmer of Arcola, Sask., who has been spending several days in the city, the guest of J. A. McLaren of Paton & Co., left Friday for Halifax from which port he sailed Saturday night by the S. S. Virginian en route to his old home in Edinburgh, Scotland, where his family have been spending a year. They intend returning to Canada again in March. Mr. McLaren came to this country when land out west was only \$3 an acre and lived there long enough to see it advance to \$40 an acre. He advises all those having good farms in the east to remain here.-Exam.

That wonderful little instrument - the telephone - is being used now by every person of importance in every walk of life. The 'phone is the great link that connects all businesses, labors, trades and professions. It is the great modern watchdog and messenger boy, it will tell what one wants to know without loss of time, and get what is wanted when wanted. No praise is too strong for this great friend and helper of modern men and all up-to-date householders are invited to read the adv. of The Telephone Co. of P. E. Island in this issue-it has a direct message to them.

## We Can Give You Perfect Heating at Small Cost

If you really want your family to have all the comfort this winter that they should have you will see that you install a good heating system in your home and guard them against the fierce storms of our northern climate.

Our system of heating by hot air is the most modern, economical, practical, and hygienic. It heats every room to a uniform, pleasing temperature and also properly ventilates the home. It is the best that modern man can install because it is the nearest imitation to the natural, sunny climate of a day in June.

Phone 393J for full information, specifications, etc.
