BELFAST NOTES

We are pleased to note that Mrs. Charles A. Morrison, of Roseberry, is improving, after her illness.

The majority of the farmers in this vicinity are through with the harvest while others are busily engaged in storing away their grain.

Mr. John J. Shaw, of Garfield, is having a new forge built as the old one is small and inconvenient. Mr. Shaw does a rushing business at all seasons.

Mr. Alex Campbell, of Belle River, who had the misfortune of losing his arms by fire this summer, is now engaged in erecting a new building with the aid of the neighbors.

On Monday afternoon, Sept. 2nd, a party was held in the grove of the St. John's Presbyterian Church, Belfast. A number of people from far and near attended and were well satisfied with their afternoon. The tables were excellent and every one enjoyed a very pleasant outing.

The young people of Murray Harbour held a play on Tuesday evening, Sept. 3rd, in the Belfast Public Hall. Eidon entitled "Mrs. Briggs and the Poultry Yard" and proved a decided success. The different performers were masters of their respective parts and cleverly impersonated the characters assumed.

Mr. Samuel MacLeod, an aged and respected citizen of Point Prim, passed away at his late residence on Friday, Sept. 6th. The deceased was widely and favorably known in this vicinity as well as other communities and shall be mourned by a wide circle of relatives and friends. To the devoted family this community tenders its sincere and heartfelt sympathy in their loss.

Miss Christene Gillis, of Flat River is now attending the Prince of Wales College at Charlottetown.—O.

THE NEW DOMINION ROYAL CORD

DOMINION TIRE builders foresaw the trend in motor car development. They realized that responsive motors, 4-wheel brakes, sensitive steering control, modern spring suspension and skilfully engineered balance demanded a specially designed tire to give all the comfort and flexibility of which the modern car is capable.

In the New Royal Cord they have perfected the tire of today for the car of today. It is not just the old Royal Cord with a new tread. It is an entirely new tire through and through.

Its main changes are dictated by engineering reasons. It is new in shape, new in construction. It has strength where 1929 motoring conditions demand it.

Its massive carcass is scientifically built up of web cord with thick cushions of rubber in between.

Its tread is thick and deep-cut to give extra non-skid mileage. Designed to grip the road across the full tread surface. Buttressed sidewalls guard against curb and rut wear and give further strength to the rugged carcass.

For safety and long mileage, for the job your 1929 car has to do, the New Royal Cord is the one tire for you.

The New

Dominion "ENDURANCE"

Here is a tire combining sound engineering, finest workmanship and sterling materials at a price considerably below the average. A splendid tire for light cars.

The *Dominion Royal Master*—a luxury tire for fine cars. The finest tire the world has ever known.

Dominion Heavy Service Tire—a super tire for trucks and buses.

POWVAL NOTES.

Miss Amy Smith spent the weekend with her sister, Mrs. Nat. McKinnon, Alexandra.

Mr. and Mrs. Robert Jones and son, Bruce, of Charlottetown, were visitors here on Sunday.

Mrs. Carrie Caswell, of the U.S.A., with her son and daughter, are visiting here the guests of her sister, Mrs. Ralph Judson.

Mrs. Helen Drake, teacher at Flat River, spent Labor Day at her home in Waterville, as did Miss Charlotte, teacher at Mt. Albion.

Miss Edyth Lawton has gone to the city to commence her studies at P. W. C. Edyth is a brilliant young scholar and her many friends here and elsewhere wish her continued success in her studies.

Miss Frances Wood, teacher at Cherry Valley, was a visitor in Powval recently. On Sunday evening last, Miss Wood was the soloist at the United Church here, her rendition of "Somebody Calls" being a pleasure to all.

The following were visitors to the city on Saturday night: Mr. and Mrs. Nat. McKinnon, Miss Amy Smith, Messrs. Peter McKinnon and Don Matheson, the Misses Aneta Wood, Mary McLennan, Mr. and Mrs. Geo. McLennan, Hazel, Elmer and Alton Carver, Edyth and Helen Judson, Mr. William Drake and Mr. Finlay Drake, Mr. and Mrs. Breckon Wood and family.

Service at the Alexandra Baptist church was well attended on Sunday. Rev. R. W. Lindsay spoke on the peculiarities of a Christian. So clearly did he present his message, no one need misunderstand. Al regret that Mr. Lindsay is so soon to take his departure. Ten years ago he came into our midst a young man—a stranger. Today he goes out a true friend and brother. May continued success be with him, his partner and family.

Mr. and Mrs. Malcolm McRae and Mr. W. E. Smith and daughter Adelle, have returned home from a motor trip through the Maritimes.

The lecture given in the church here last week by Mr. Hockley was fairly well attended. Several musical numbers were rendered by the Sunday School orchestra. Altogether a very enjoyable evening was spent by those present.

On Wednesday evening, September 4, the United Church here put on a chicken supper and ice-cream social—"two in one"—no, not shoe polish, but a real bang-up collection of everything good to eat, which Powval is noted for. All honor is due Mrs. Nat. Gay, who was in charge of the pantry, she handling out the tempting viands to the satisfaction of all. The tables fairly groaned under the weight of chickens, ham, potatoes and salads, pickles and chow, apple pie and lemon pie, cookies and cakes, tarts and biscuits, etc. The kitchen presented a lively scene as a jolly bunch of gay old birds handed out potatoes, tea, pie, advice, or anything one might wish. Upstairs in the assembly hall, Rev. Mr. Campbell directed the games which were lively and exciting, those taking part enjoying themselves to the utmost. At the close of the evening a number of cakes and pies were auctioned off by Mr. J. A. Moore. Altogether the sum of sixty dollars was taken in, which will be handed over to the Manse Committee, who are thankful to all who helped to make the affair a big success.

To Farmers And Dairymen

Owing to the long continued dry weather that has almost burned up pasturage the Milkmen state that they have to house and feed their cattle almost the same as they have to in the winter time. The pastures are so dry that what the stock picks up does not by any means keep up the milk supply, and other feeds have to be fed.

One of the best feeds for Dairy cows is Sugar Beet Pulp. This is a well known feed manufactured from the Sugar Beet, and is an excellent substitute for Turnips for milk cows. It is also a good feed for Hogs makes them grow fast.

At the present time Turnips are selling at from 40c to 50c per bushel for export, and it is likely that they will continue to bring a good price for some time. It would pay the farmer to sell his Turnips and buy Sugar Beet Pulp to help out in keeping up the flow of milk. We have in stock a carload of this excellent feed ready for delivery which we are offering at \$2.35 per bag of 100 lbs., a better price in ton lots.

We also have fairly good stocks of other Feeds such as, Bran, Middlings, Cracked Corn, Cornmeal, Schumacher Feed, Oil Cake Meal, Crushed mixed Grain, etc., which we are offering at lowest prices.

Book your orders with us, and save money.

We are buying Seed and Feed Oats, Seed and Feed Wheat, Barley, Buckwheat, etc., and paying highest prices.

Successful Fox Feeding

Is the problem of our Fox Ranchers today. How to grow strong, vigorous foxes, that will produce pelts of fine texture and lustrous sheen, is uppermost in all minds. THE IMPERIAL BISCUIT COMPANY, LIMITED, have found the solution in their increasingly popular.

Imperial Cod Liver Oil Fox Biscuits and Imperial Puppy Food

Regular feeding of these is giving the desired results in our Prince Edward Island ranches. "Imperial-fed Foxes" are in a class by themselves. They "produce the goods." Ensure success by liberal feeding of "IMPERIALS."

For sale by leading Island dealers or direct from factory.
