JURY'S VERDICT AT TIGNISH.—The verdict given by the jury in connection with the death of John Riley, whose death near Tignish was reported Saturday was that "death was due to inflammation of the bowels." Drs. Alex. McNeill, Johnson and McGrath, who performed the autopsy stated in their evidence that there were no external or internal marks which could indicate violence. They attached no blame to any one.

RETURNED OVERSEAS.—Says the Pictou Advocate: Private Fred Whitlock has returned overseas after a ten weeks' furlough at his home in Pictou and with his parents in Charlottetown. Pte. Whitlock enlisted in Pictou in the 106th Nova Scotia Rifles and was transferred to another battalion in England. At the time of enlisting Private Whitlock was employed at G. J. Hamilton & Sons, and on going overseas he was attached to a baking section.

WEDDING BELLS.—The Methodist Parsonage, Cornwall, was the scene of a happy event on July 18th when Miss Georgie Senter of Loyalist and John A. McLeod of Brookfield were united in marriage. The ceremony was performed by Rev. J. Heaney. The bride was attended by her sister, Miss Nina Senter, and Mr. Donald McDonald of Brookfield supported the groom. The bride was attired in a gown of blue silk and carried a bouquet of carnations and maiden hair fern. The young couple will make their home at Brookfield and are followed by the best wishes of their many friends.

CAPTAIN BAGNALL IN LONDON.

Dr. Bagnall received a cable Saturday stating that his son, Capt. Stanley Bagnall who has been reported gassed in action, had arrived in London.

APPRECIATION.—Thanks are due in connection with the reception to the returned soldiers on Saturday to Mr. John Webster, for making the arrangements and to Messrs. R. H. Stearns, Walter Grant, and Bruce Stewart for providing automobiles. All the returned soldiers were the guests of His Worship the Mayor during their stay in Charlottetown. The City is fortunate in the fact that the Mayor and ex-Mayor alike have extended hospitality on all occasions when soldiers have returned.

SOLDIER BOYS GRATEFUL.—The 8th Canadian Auxiliary mailed on Friday thirty-four seven pound parcels of oats, smokes, etc., valued at \$100.00 to the Battery in France. They received, yesterday, a letter from Capt. Bagnall acknowledging the arrival of the magazines and conveying thanks for the same, stating that the boys were well over then as they were resting between their hours of duty. Doubtless the friends will forward another lot at an early date.

THE ISLAND BEAUTIFUL.—Mr. and Mrs. J. C. McLeod of Pittsburg Pa., arrived on the Island to spend a three weeks' vacation here. Mr. McLeod is a native of Melville, and left the Island 27 years ago. He had the pleasure of meeting his mother, who notwithstanding her four score and three years is in wonderful health and spirits and came to town to meet her son, upon his arrival. Mr. McLeod who is in the life insurance business has travelled from one end of the United States to the other, but affirms that notwithstanding all that he has seen in the way of beautiful scenery, nothing has met his eye to compare with his own native island.

The celebration of the third anniversary of the war yesterday opened with united services in the First Methodist Church and at Mass Service in St. Dunstan's Cathedral.

AT VICTORIA PARK

Ten returned soldiers arrived here by the Arammore on Saturday. —Pte. C. P. Riley, Strathcona, Ernest Devine, Hunter River, J. W. Hunter, Bridgetown, Ernest Jenkins, Pownal, Nicholas McFarlane, Charlottetown, J. A. Campbell, Peake's Station, all formerly of the 105th Battalion (now the 104th); Gr. W. H. Singleton, Flat River, of the 98th Siege Battery; Gr. E. J. Richardson, of Bristol, W. C. McKenzie and Fred H. Hooper, of Charlottetown.

The returned men were met at the wharf by a detachment of local overseas recruits under command of Major LeGin and by Rev. Major Fullerton, of the Returned Soldiers' Reception Committee. They were given the usual cheers as they landed, and the band played "O Canada."

The returned soldiers were then accorded seats in autos which were in waiting, and headed by the band and the guard of honor they paraded, as before stated, to Victoria Park, where a great crowd had assembled for the war anniversary celebration.

At the Park the procession halted at the bandstand which was appropriately decorated with flags. Here a program of speeches and songs was carried out, Mayor Brown presiding.

His Worship in opening the proceedings, said that it afforded him much pleasure to meet the men who had that day returned from overseas. He assured them that they were most heartily welcome back to their native Province, and he hoped they would soon be restored to complete health and long spared to their country.

Mr. James Paton, M.L.A., said it was a pleasure and privilege he much appreciated to meet those men who so gallantly went forth to battle in the cause of liberty. What they had done was appreciated by the Empire, Canada and P. E. Island, and he hoped the example they had set would be an incentive to others.

Rev. Major Fullerton also expressed his pleasure at meeting the returned soldiers and said it afforded him pleasure also to make the announcement that they would be the guests of the Mayor while in the city (cheers).

The band then rendered a selection after which Mayor Brown read a letter from Bishop O'Leary, who expressed his regret at being unable to be present, and also from the Labor Union, who on account of business preventing were unable to participate in the celebration.

"O Canada" was then sung by the school children, lead by Prof. Hinton. Mayor Brown made some further remarks in which he pointed out that the nation was as determined as ever to fight to a victorious finish, that the liberty of the world may be secured.

"Rule Britannia" was then sung, Prof. Barlow taking the solo part and everybody joining in the chorus.

His Honor, Lieut. Governor Macdonald, was next called on. He referred to it being the third anniversary of the war and Canada's share in it. He said he was proud to meet the men who had returned that day. No honor could be too great for them.

Hon. Premier Arsenault, in the course of a brief but excellent address, (it being his first public appearance here since his appointment), said that the first thought of all on this, the third anniversary of the war, should go out to the boys in France and Flanders who are suffering every discomfort and making sacrifices.

Here he said he, we are living in comfort pursuing our daily avocations, hardly feeling any effect of the awful conditions that prevail in the world. Our next consideration, continued the Premier, should be as to which way we can help our boys at the front. This could be done by providing them with the little comforts of life, and also by sending them reinforcements to strengthen their hands against the enemy (cheers). We should also be more economical, said he, in the use of foodstuffs, that these men may not suffer hunger.

What does all else matter if we do not win the war? There should be more unity in Canada the same as the rest of the countries which are fighting the common enemy. Disunion among us, continued the Premier,

Treat Chafing After the Bath by Applying Dr. Chase's Ointment

THIS rule has been adopted by many mothers, and is becoming general because of the splendid results obtained. Pore-clogging powders have had their day. While they absorbed moisture, they have proved of absolutely no healing value. Permanent injury was often done to the skin by clogging the pores.

In contrast, Dr. Chase's Ointment is antiseptic, soothing and healing. It promptly destroys germs of disease, and therefore prevents the development of eczema or other skin diseases from which so many children suffer.

This ointment affords relief from chafing and skin irritation, and restores the soft, smooth, velvety texture of the skin. It is, therefore, a fine habit to use Dr. Chase's Ointment after the bath.

means comfort to the enemy. Let everyone this day make a resolution to the effect that if we cannot fight we will do something. It is our bounden duty. There is no use in lip-labiality—we must act. We must win the war nothing else matters.

Mayor Brown then moved the following resolution, which was seconded by Sir Louis Davies:—

"That on this the third anniversary of the declaration of a righteous war, this Meeting of the citizens of Charlottetown records its inflexible determination to continue to a victorious end the struggle in maintenance of those ideals of Liberty and Justice which are the common and sacred cause of the Allies."

Sir Louis Davies, in seconding the resolution, which was carried unanimously, said the remark of the last speaker that if we lose nothing matters, was the substance of all that could be said. If we win, said he, the march of progress will go on as before. He was proud of the showing made by this province in the war, and thought, as Lloyd-George had said, we

should be in it to the last man and last shilling if need be. The National Anthem was then sung and the large crowd dispersed.

ALMA BRANCH R. C. S.—The annual business meeting of the Alma Branch, Red Cross Society, was held at the home of Mrs. Joseph Dunbar, July 18th. The total amount collected since the branch was organized two years ago is \$477.93. 105TH MAN WOUNDED.—A late casualty list contains the name of one Islander, Pte. Felix Martin, of Martin, P.O., wounded. Pte. Martin left here in the 105th Battalion.

Private Ernest Jenkins of Pownal one of the soldiers who arrived home from England on Saturday left here with the 105th Battalion. He was for three months in hospital at Brampton suffering with hemorrhage of the lungs. He speaks very highly of the treatment he received in the English hospital. Pte. Jenkins is a son of the late Mr. Donald Jenkins of Pownal. He was one of the soldiers on the hospital ship which went ashore at Portuguese Cove nine miles from Halifax, and which it is feared will be a total wreck. The 525 passengers, including quite a number of cot cases were removed from the ship within two hours, the best discipline being maintained. Ptes. Campbell, Devine and Hunter also of the 105th returned by this ship and had each been in hospital for some time.
