SCHOOL EXAMINATION.—The semi-annual examination of North Caledon School took place on Wednesday afternoon 30th ult. The school room was very tastefully decorated for the occasion, a large number of parents and several visitors were present. The pupils were subjected to a thorough examination in reading, spelling, arithmetic, grammar, history, geometry, and Latin, by Ernest S. Weeks, of Mount Allison University, assisted by the teacher Miss Rebecca Gillespie. The pupils acquitted themselves admirably and showed careful and thorough training. Miss Gillespie has been in the school only a few months and has certainly proved herself a capable and efficient teacher. At the close of the examination a very interesting program was carried out by the pupils which included stanzas, readings, etc. The part taken in it by the little twin daughters of Mrs. Woods of Wexford, Mass., was delightfully received. The National Anthem closed this enjoyable entertainment, after which the teachers, pupils, and visitors were photographed by Mr. A. M. Doyle, teacher of Searletown.

At an interesting session of Court Westmorland, L. O. F. was held on Monday, July 28th at Crapaud when a formal reception was tendered to Bro. McKay, High Chief Ranger, and Bro. Clark, High Sec'y. Bro. Clark entertained the Court with an interesting account of his visit to the Supreme Court at Los Angeles, Cal. The following brethren were elected to attend the High Court which meets at Tignish on Aug. 7.—D. McLean, G. F. Dawson, and H. Smith. The Court passed a resolution of sympathy to Mrs. Myra Trowsdale, relict of our late Bro. Robert Trowsdale who died from appendicitis on the 20th inst, and the following letter was ordered to be sent to her:—

DEAR MADAM:—At a regular meeting of Court Westmorland, No 1105 of which your late lamented husband was an honoured member it was unanimously resolved that the deepest sympathy and condolence of this Court be conveyed to you in the great loss and sad bereavement you have sustained in the death of your husband on the 20th inst. We wish to assure you that Bro. Trowsdale held a high place in the confidence and respect of his fellow Foresters, for his unassuming modesty, his genial cordiality, his uprightness and integrity as well as his fidelity to the principles of our Order. Your loss is ours also. We mourn with you in your great affliction and sorrow. May the Father of the fatherless, the God of all comfort, give you everlasting consolation. May His grace be abundant to cheer and sustain, to support and guide both you and yours until "the day dawn and the shadows flee away." "And with the morn those angel faces smile which we have loved long since and lost awhile. Signed by order of the Court.

DIZZY ALL THE TIME.

Every Sick Woman Should Read the Statement of Mrs. Riley, a Cape Breton Lady.

ROCK DALE, C. B. August 4.—(Special.)—Mrs. David Riley, of this village, suffering for over eight years with female weakness. She could not lift anything and was dizzy-headed all the time. No medicine seemed able to help her and the pain in her back was so great that many times she felt like giving up altogether. But she didn't. She began to use Dodd's Kidney Pills, and in a short time was well. She says:—

"If it had not been for Dodd's Kidney Pills I would have had to give up. They are certainly a wonderful medicine, and I can and will recommend them to all weak women who suffer as I suffered for over eight years."
