A MILLION NEEDLES

COULD NOT INFLICT THE TORTURE WOMEN SUFFER FROM HEADACHES

Headache is not in itself a disease, but a symptom or accompaniment of other diseases, principally those of the stomach, liver and bowels, such as Constipation, Dyspepsia, Liver Trouble, Bad Blood, Female Complaints, General Debility and Weakness.

The varieties of headache most common are sick or bilious headache, nervous headache, headache from constipation, debility or indigestion, periodical and spasmodic headache. Undoubtedly the cause must be removed before permanent relief can be had.

Burdock Blood Bitters

removes the cause of the headache, and not only does this but it also restores the entire system to healthy action and buoyant vigor.

"I was troubled with headache for a number of years, but could get nothing to help me. I procured a bottle of Burdock Blood Bitters, and finding it was doing me so much good, I got two more. I am now fully cured and think there is nothing in the world like Burdock Blood Bitters for headache."

Is Silver Cleaning a Bugbear

and does your Silver often go uncleaned because you dread the rub, rub, rub of polishing it, the eyes full of flying powder, and at the end, the Silver each time a little duller than when it came home new? All this work is now ended. SILVEREASE is a new scientific preparation which cleans the Silver without any trouble on your part. It is in the form of a powder to be dissolved in a pan of hot water. All the silver is placed in the pan at once, and in from five to ten minutes it is ready to put away bright and sparkling as when it left the store. Silverease is as harmless as soap. Silver, sterling or plate, can remain in it for months without the slightest harm. Price 25c. Sold by

H. A. ELLIS, who has the agency for Ch'town
