Farewell Presentation

On Saturday, July 16th the people of Watervale and Lake Verde assembled at the former home of Mr. and Mrs. Augustine Wisner to bid farewell to them before their departure to their new home in Charlottetown. Two appropriate addresses were read and a presentation of two lovely gifts were made. Mr. and Mrs. Wisner replied thanking their friends for their thoughtfulness and extending an invitation to them all to visit them in their new home. Lunch was served and the remainder of evening was spent in music and dancing. The following are the addresses:—

To Mr. and Mrs. Augustine Wisner:

It was with profound regret that we learned a short time ago that you disposed of your beautiful home and farm and decided to move to a location in the city. We, therefore, meet tonight to bid you a kind but reluctant farewell.

To Mr. Wisner we would say that we have known him from boyhood as a straight-forward, kind and obliging resident. He counted no task too great if he could help a neighbor in difficulties or perform any act for the betterment of upbuilding of the community. Ever alive to the advancement of farming he was always in the forefront to lead in the improvement of livestock and advanced methods of cultivation. Kind, good natured, and companionable, he will be a distinct loss to the community.

To Mrs. Wisner we would say that in girlhood she was a neighbor and in womanhood a friend. Kind, courteous and considerate, she has endeared herself to all with whom she has come in contact, and enjoys the love and respect of the whole community. She was ever foremost in all movements for the welfare of the District. As Secretary of the Women's Institute for a number of years after its inception, she worked hard for its furtherence and was always a champion of progress. Her work was crowned with success in the building of our new school, which is a credit not only to the District but to the whole county. Goodnatured and kind in every way we hope she will enjoy a well earned measure of rest in her new residence.

We would kindly ask Mr. and Mrs. Wisner to extend their successor our warmest welcome as a resident of our community, and we hope that he will have good health and a great measure of success in our midst.

In conclusion we ask you to accept this small gift as a token of our love and remembrance.

Signed on behalf of the residents of Watervale and Lake Verde.

JOHN T. GRIMES,
OWEN CALLAGHAN.

To Mrs. Augustine Wisner

It is with feelings of deep regret and a keen sense of loss that we learned not long ago of your intention to vacate this community and take up your residence in Charlottetown. During the years you both have been with us, you have endeared yourselves to us all, by your amiable character, your pleasant manner and generous hospitality. As friends and neighbors your loss is felt throughout the whole community.

Your loss, Mrs. Wisner will be felt no doubt, more keenly in our Institute than elsewhere because you have filled your offices so well and faithfully. You have been our Secretary for years and performed your duties faithfully and efficiently. Nothing seemd too much trouble for you and in all conditions of roads and weather, your place was never vacant, and if at times, we as an Institute seemed unappreciative of your efforts, deep in our hearts we were not unmindful, but one and all were grateful for your service. Your loyalty to the best things of life and sympathy and practical help in time of sickness will ever linger in our memory. We will always look forward to your presence, from time to time in our homes and when you re settled in your new home, we are not going to wait for a formal invitation for we know as in the past we will always meet a pleasant welcome at your hospitable door, and now dear friend, you are about to leave us, before we part we ask you to accept this gift, small perhaps in value but rich in the spirit of goodwill and friendship.

In conclusion may we say you will always be welcome at our future meetings and Social gatherings. We will say "Au Revoir" but not "Goodbye" and may God bless you and your family with health and happiness and prosperity in your new home.

Signed on behalf of Watervale Women's Institute.

TORONTO, July 27 —(CP)— Toronto stock market was unsettled today by a selling drive in New York and all indices tilted for moderate losses.

Despite the decline in the average, the market had its bright spots. Trade in the stock totalled 168,000 shares other strong issues of the cheaper gold group were McWatters, Paymaster, Wright-Hargreaves and Bidgood-Kirkland.

A loss of 3-8 for McIntyre was the only set-back in the senior gold group and recessions were limited to 5 to 10 cents for Coniagas, Coniaurum, East Malartic, Hard Rock, Little Long Lac, Macassa, MacKenzie, Moneta, Oro Plata, Stadacona, Pickle Crow and Sylvanite and Uchi dropped 13 cents.

Sharp Decline On New York Stock Market

NEW YORK, July 27 —(AP)— The stock market hit an abrupt turn in the road today and toppled into the sharpest fall since it began to climb out of the depths reached at the end of March.

Traders stampeded to the selling side near the end of the first hour when the market exhibited a disinclination to take an opening advance for a cue to resume the mid-year upswing. The list broke quickly under the impact of offerings so heavy the ticker was left seven minutes behind.

Final prices of many of the recent bull favorites were off 1 to around 3, somewhat better than at the extremes of the day's declines. The Associated Press composite price of 60 stocks was off 1.5 at 48.8, the widest decline since March 29.

The Canadian list was easy. Dome and Lake Shore Mines contradicted the general trend with slight improvements while Distillers, Dominion Stores, International Nickel, McIntyre, Marconi and Ford dipped fractions. Walkers fell back more than a point to 42 1-2 and Massey Harris a point to 9.

Wall Street had several big corporate earnings reports for the second quarter to remind it of the deep inroads the business recession made into earning power. Chrysler reported profit for the period equivalent to 83 cents a common share against $3.80 in the comparable period last year, and General Motors 52 cents against $1.48. Both showed improvement over first quarter results.

Steels turned tail with other groups. While U. S. Steel preferred gained 1 1-2, the common dropped more than 3 from its opening price and finished at 59, down 2. Bethlehem closed down nearly 2 at 58 3-4. Chrysler was down down nearly 3 at 69 3-8 and Consolidated Edison, the big New York city utility, finished down 1 3-8 at 28 1-4.

Minor Rallies Near Close On Montreal Mart

MONTREAL, July 26—(CP)— Heavy seling touched off by a strong bear movement in New York knocked the support from under the Montreal Stock Exchange early today dropping the leaders for losses of fractions to nearly two points before the weakness was checked. Later, however the market quietened and a few issues staged minor rallies.

Equipment shares held the spotlight throughout the day. Canadian Car, National Steel Car and Dominion Steel and Coal "B" sold off sharply, dropping a point or more but in the last few minutes regained part of their losses, each closing 3-4 point lower.

In a much quieter paper market Price preferred slipped 1 5-8 points and St. Lawrence Paper preferred a point with Bathurst, Price common and others down small fractions

In the metals, Smelters slumped a couple of points while Nickel, Hudson Bay and Noranda dropped about a point each. The Utility section showed losses of 1-4 to a point with the Constructions off about the same amount.

Total sales—134,500 shares; Industrials 55,200; Mines 79,300; Bonds $5,650.

HAY SALT

Owing to so much rain, we advise using hay salt freely this season; it not only keeps the hay fresh and free from mould but it adds greatly to the flavor of the hay and live stock like it — it's better for them.
