N. Y. Stocks Up, Decline At Toronto, Montreal

NEW YORK, Jan. 19—(AP)— A last-minute flurry of buying shoved the stock market into plus territory today.

The final score showed a sizable majority of gains running from fractions to more than a point. Closing prices were just about tops for the day.

Late buying, slight as it was, was enough to straighten out a market that had meandered over a fractional price course through the day.

At Toronto

TORONTO, Jan. 19 — (CP)— Prices dipped slowly on the Toronto Stock Exchange today in the slowest trading in two weeks

Golds weakened under mild selling pressure and base metals were easier. Western oils continued yesterday's declines.

Seniors slipped fractions and losses ranged up to 10 cents in a wide list of junior golds. Wiltsey-Coghland was active in the juniors for a penny loss and Kerr Addison and Lake Shore were down 1-4 in seniors.

At Montreal

MONTREAL, Jan. 19—(CP)—Although losses outnumbered gains two-to-one at the close of trading, selected issues on the Montreal Stock Exchange and Curb Market today showed improvement.

Trading was quiet in both industrials and mines. Industrial sales showed a drop of 25,100 shares from Tuesday's 67,300 and mines totalled approximately 167,966 shares against 212,890 in the previous session.
