Sudden Death S. A. Carruthers

Mr. Samuel A. Carruthers a well known resident of Carleton Place died suddenly at his home on Monday morning.
Mr. Carruthers was 74 years of age and was the son of the late Robert S. Carruthers of Carleton. He was a well to do farmer with one of the finest farms in the district, he was also a successful stock raiser. He belonged to the Church of Scotland and came of one of the pioneer families and an excellent citizen.
He was married twice, his first wife, a Miss Bell, having predeceased him many years ago, one daughter, Tisy, of the first marriage is living in the Canadian West. His second wife formerly Miss Jessie Crozier survives besides one son, Robert and one daughter, Miss Ruth, at home also one sister, Mrs. J. C. Gillespie of Carleton Place, and to whom sympathy is extended.
The funeral takes place on Wednesday at 2 p. m. from his late residence to the Kirk Cemetery at Cape Traverse.—S

Rule Valuations Invalid

(Canadian Press)
OTTAWA, Oct. 30.—Arbitrary valuations set by the National Revenue Department against British Empire goods since Nov. 25, 1932 under Section 43 of the Customs Act, were ruled invalid today by the Tariff Board. The valuations apply to a wide range of commodities, including wire rope, ferro manganese stockinette, jersey cloth, jute twine

MARRIAGES

McDONALD—FERGUSON — At Charlottetown, P. E. I., on October 30th, 1933, by Rev. Ewen MacDougall, B.D., John Alexander McDonald of Bethel, Lot 48, to Miss Bertha May Ferguson of Malden, Mass.

DEATHS

VESSEY—At York on Monday, Oct. 30, 1933, Heath Vessey, funeral from his late residence on Wednesday, Nov. 1, service starting at 3 o'clock. Interment York Cemetery.

JOHNSTONE—At Central Bedouque, Oct. 29, 1933, Mrs. John Johnstone, aged 66 years. Funeral leaves her residence at 8:30 a. m. Thursday, Nov. 2nd for St. Malachi's Church, Kinkora.

CAMPBELL—Departed this life at Charlottetown, Oct. 29, 1933, Mrs. Letitia Campbell, widow of the late Captain Gelelan Campbell, in the 83rd year of her age. Funeral from the residence of her son-in-law, Hugh MacLean, Tuesday, 31st, at 1 o'clock.

CARRUTHERS—At his home at Carleton, Oct. 30, Samuel A. Carruthers, aged 74. Funeral Wednesday, Nov. 1, at 2 o'clock. Service at the house. Burial at Kirk Cemetery, Cape Traverse.

MASON—At 83 Sydney Street on Monday, Oct. 30, 1933, Mrs. Sarah Mason, widow of the late Daniel Mason, in her 82nd year. Funeral on Wednesday, Nov. 1, leaving the house at 2 o'clock for St. Peter's Cathedral for service. Interment St. Peter's Cemetery.

BLACK—At Summerside, Oct. 30th, Claude DeL. Black, aged 61. Funeral Wednesday at 10 a. m. from St. John's Church, St. Eleonors. The remains will be forwarded from Percy Bonness Undertaking Parlors to the Church Wednesday morning at 9 o'clock.

Card Of Thanks

Mr. and Mrs. Henry Peters and family, Charlottetown, wish to extend their sincere thanks to all those who sent Mass Cards, Spiritual Bouquets, Floral Offerings and Messages of Sympathy and all those who in any way assisted them in their recent sad bereavement. 2282.

CENTRAL GUARDIAN

This column is reserved for Queen's County news of local interest but advertising of a newsy nature may be inserted at 4 cents a word strictly payable in advance.

DONT FORGET your Fox Show entries.

MR. W. G. HOGG, representing P. E. I. Underwriters Association, is speaking over C. H. C. K. at 12:30 today on the educational value of the health picture "Damaged Lives" at the Prince Edward Theatre.

REGISTRATION CERTIFICATES must be submitted with Fox Show entries.

CARD PARTY—The first of the series of card parties in the Holy Name Club last evening marked the assurance of a very successful season by the very large number in attendance and the keen competition shown by all players, who will no doubt be on hand every Monday night to contest for the Christmas prize. This prize is offered for the highest total made up to Christmas. The prizes were awarded to the following: Ladies first, Miss George Gallant; gents first, Mr. P. B. McTague; consolation: Ladies, Florence Hogan; gents, W. L. McKenna. The "freeze out" was carried off by Miss Jean Peters. Special mention might be made that the Club room where the above parties are held has been made much larger and thoroughly renovated. The colors used to decorate this room have very pleasing effects.

A SPECIAL AND CORDIAL invitation is extended to the ladies to attend the meeting of the Queen's County Conservative Association in the Market Hall on Friday evening at 8 o'clock, November 3rd.

PROPERTY IS

tague, formerly the Royal Hotel, was finally purchased, along with all the land and buildings in connection therewith, for a very reasonable sum. This building is sufficiently large for the work, having twenty-two rooms, with capacity for ten hospital beds, up-to-date heating, plumbing and lighting. In comparison with the larger proposition, this building can be operated at the minimum cost and give excellent service. Slight changes will have to be made in the interior, and considerable equipment procured (some of which is already on hand). It is hoped the Hospital will be opened this Fall.—H.

Seeing Canada In Movie Film

(Special to The Guardian)
MONCTON, N. B., Oct. 30. — A motion picture film is shortly to be released in which the Maritime Provinces will be particularly represented. The film, which will be in three reels, is being prepared by the photographic branch of the Canadian National Railways and will bear the title "Across Canada." Scenes of Nova Scotia, New Brunswick and Prince Edward Island will be incorporated and the film will be released for showing in theatres and other public showings in Canada, the United States, Great Britain and France. There is considerable interest in the Maritime Provinces in France, according to Canadian National traffic officials, and there is possibility that a considerable tourist travel can be developed. Already French tour parties have included Canada in their itineraries.
Shots of scenic views in Nova Scotia and Prince Edward Island have already been taken and a railway photographer was in New Brunswick last week taking motion and still pictures of scenes about Saint John, Fredericton and Moncton. A particularly fine motion picture film of the bore at Moncton was obtained and of the rocks at Hopewell Cape.

Steel Firms In Accord With NRA

WASHINGTON, Oct. 30.—(A.P.)—President Roosevelt negotiated with the United States steel industry today an agreement for lower rail prices and designed to end difficulties in the industry's coal mines.
Out of the double understanding that results from the talks at the White House, officials said tonight they expected employment to come for thousands of workers.
The operators of the mines owned by the steel and iron companies agreed to the demands of the miners for the check-off and to the election of mine representatives for collective bargaining without discrimination as to membership in any labor organization.

Monthly Meeting Of The I.O.D.E.

The regular monthly meeting of the I. O. D. E. was held yesterday afternoon with the Regent, Mrs. J. A. Mathieson, presiding.

A letter from Miss Nicholson, lady Superintendent of Falconwood Hospital, was read, asking the I. O. D. E. to sponsor a tea.

The Regent expressed regret on the illness of Mrs. J. A. MacMillan in Montreal.

In order to raise money for immediate needs it was decided that a dollar be paid by each member.

The Immigration Committee was asked for clothing for some English settlers who were in need. A number of parcels were ready.

An appreciative letter written by one of the English school boys who visited the Province, and who was the guest of Mrs. Mathieson was read.

Mrs. R. H. Rogers reported for the League of Nations Committee, and asked that the usual money be voted for prizes on League work in the City Schools.

A letter of appreciation from Mr. E. Benj. Rogers, I. O. D. E. scholar, now in England, was read.

The Regent was asked to place a wreath on the Great War Monument in memory of the fallen.

SHOOTING

ago from Montreal for a holiday. Owing to his condition police were not permitted to question Red. It was thought possible a statement would be obtained from him tomorrow for evidence at an inquest at Marysville tomorrow night.

Powder marks on the face of Millard Reid indicated his fatal wound had been sustained at close range. Relatives were unaware he possessed a revolver, police said, but four bullets fitting the revolver were found in his trousers' pocket. In the weapon found beside the body were three discharged and two undischarged shells.

The younger Reid, who owns considerable property in Marysville, had intended repairing the house for rental purposes, it was said.

AMERICANS STEP FAST IN WORKOUT

(Canadian Press)
OSHAWA, Ont., Oct. 30. — Joe Simpson's New York Americans stepped up the pace a few notches today as old "Bullet Joe" gave indications that he would be waving the pruning knife freely from now on. Two players were unconditionally released over the week-end and another defenceman Bill Regan, sent to Syracuse on call.

Several other aspirants will receive the sad news during the next day or two. Regan left Sunday night for Syracuse on loan. He may be recalled at any time. Ellis Pringle, former Newmarket junior and later with New Haven Eagles in the Canadian-American League, was released outright and will seek his fortunes elsewhere. Armond, diminutive right winger from Quebec, also was released.

The workouts today were the best the Americans have had since they started training here.

Makes Passionate Defence Plea

(By W. E. Brockmann)
(Broadcast Press Staff Writer)
BERLIN, Oct. 30.—(A.P.)—Georg Dimitroff provided a striking interlude in the Reichstag arson trial in which he and four others are defendants today by telling the court on one occasion it need not expect him to "act like a barrack soldier" and again that "I must say that Nazi eyes in this trial see things through very darkly colored spectacles."

Called on the carpet by presiding Judge Wilhelm Buenger for telling a Nazi Reichstag member, Walter Ruppert, that "you ought to be ashamed of yourself," the impulsive Bulgarian refugee launched a passionate defence.

TWO WINNIPEG FISHING BOATS WITH PASSENGERS ARE SAFE

(Canadian Press)
SELKIRK, Man., Oct. 29. — Two Lake Winnipeg fishing boats, the Lubere and the Question Mark, unreported for 10 days, are safe in northern ports. Word of their safety was received here late today. The boats carried 26 sailors and fishermen.

HALLOWE'EN AND MASQUERADE

Dance tonight at Capitol Grill, Summerside. Sid Elliott and his Rythm Kings. Dancing 9 to 2. Admission 50c.

RELIEF

(Continued from Page 1)
Mayor had been elected to the Council board he had promised to curtail expenditures, and to proceed with no permanent works. In view of this fact understanding on which both the Mayor and himself had entered the Council, he could not vote for going ahead with permanent work at this season of the year.

He had no recollection of the project coming before the Council before being submitted to the Federal Government for approval.

He was opposed to the construction in view of the fact that a petition opposing the project had been received from a number of citizens in the part of the city through which it was proposed to build the street. Certain parties would be called upon to pay a large percentage of the cost.

It would be an intolerable burden to place on the citizens. The city as a whole would pay about \$8,000 or \$9,000, and the citizens would be required to pay \$10,000. It was too late in the season.

Councillor Kennedy in reply to Councillor Whear's expressed opposition read an extract from a letter written to him some months ago by Councillor Whear stating that he "would also favor the permanent work recommended on North River Road to the Sanatorium, provided that the Government will agree to same, as part of the relief work."

Councillor Kennedy thought that the matter could be arranged in such a way that citizens owning property adjacent to the street would not have to pay the amount ordinarily required.

Councillor Reardon stated that at a conference with the Premier part of the project in connection with the park had been cut out, but it was agreed to go ahead with \$32,000 pavement programme. Councillor Trainor believed that the work should go ahead at once, and that consideration be shown the citizens affected by the building programme.

His Worship stated that he could not see how Councillor Whear could direct his remarks against him, as his position throughout had been logical and consistent. He was not sure that Mr. Whear could say the same thing. In view of the fact that the Dominion and the Provincial Governments had each offered to pay one-third of the cost of material and labour, His Worship stated that he was willing to approve the programme.

Councillor Burke stated that the city was getting a \$30,000 road built for \$10,000. The Council should give as much employment as possible at the present time.

Councillor Holman stated that the matter had been discussed at previous Council meetings. If the work were not done Council would have to pay out as much money for dole as it was proposed to pay for the project.

The Council approved the resolution with Councillor Whear dissenting.

A motion was made that the work be done on North River Road, McGill Avenue connecting with Spring Park Road.

His Worship stated that the Premier had expressed the opinion that the pavement should be laid on North River Road and down to the Sanatorium.

It was decided on amendment to the motion that the street be laid on the North River Road, and as far as the Sanatorium.

A Resolution was passed authorizing a change in the form of the bonds.

ANTI-T. B. VACCINE DISCOVERER DEAD

PARIS, Oct. 30.—(A.P.)—Professor Albert Calmette, the man whose name was given to the anti-tuberculous vaccine for babies which he developed with Dr. C. Guerin, died today of an abdominal ailment. He was 70 years old.

Since 1927 he had been an assistant director of the Pasteur Institute in Paris.

STOCK NOTE

Mr. Major Carruthers, of Augustine Cove recently purchased from Mr. Hector MacKay, of DeSable, a pure bred Dual Purpose Short-horn bull calf, 7 months old. This is a very promising calf and will add new blood to Mr. Carruthers' already fine herd of Short-horns, as the sire of this calf was bred by Mr. Alex MacLaren, Quebec, and his dam by Kentville Experimental Farm, N.S. of a possible 100.

MINISTERIAL ASSO. MEETING

The annual meeting of the Ministerial Associated, was held in St Paul's Hall, Charlottetown, on Monday, October 30th, with a fair attendance.

President E. J. Chisholm presided and conducted devotional exercises. Rev. C. N. Brown reported on the Oxford Group Movement, and the prospects of a visitation to the Maritime Provinces. No definite arrangements have yet been made.

The Nominating Committee, consisting of Messrs. Brown, Raymond and Vincent, submitted their report, recommending the following officers for the ensuing year, which was unanimously accepted:

President—Rev. G. C. Webster. 1st. Vice President—Rev. G. A. Christie. 2nd. Vice President—Rev. D. K. Ross. Secretary—Rev. J. M. McLeod.

It was decided that for the winter months, meetings shall be held in the afternoon, beginning at 1.15 p. m.

Dr. J. Phillips Jones, General Secretary of the Social Service Council of Canada, was present and gave an interesting and informing address. He dealt with Criminology, Prison reform, conditions in penitentiaries, and the general conduct of prisoners in penal institutions.

In his visits to the penal institutions, he found conditions in jails worse than in the penitentiaries. A cordial vote of thanks was tendered the speaker for his illuminating address.

The next regular meeting will be on the first Monday of December (4th) at 1.15 p. m.

DROWNED AFTER

(Continued from Page 1)
viously reported, Miss Aschah had been gagged with a piece of cloth torn from her dress, the expert reported. Dr. Fontaine said that parts of the body would be shipped to his Montreal Laboratory where he could complete the preliminary autopsy performed today.

CONTINUE DRAGGING

Meanwhile, police and fishermen under orders of Captain Rosario Lemire of the Quebec Provincial Detective Bureau continued dragging the Bay in the hope of discovering some clue to the fate of the elder Aschah girl. They are convinced both young women met the same fate and it was widely believed here they were the victims of rum-runners' vengeance. The Aschah family is prominently connected with the activities of the Quebec Liquor Police and the Dominion Customs Preventive Service.

REWARD OFFERED

QUEBEC, Oct. 30.—(C.P.)—The Quebec Attorney-General's department tonight offered \$1,000 reward to any person supplying police with information leading to the arrest of persons connected with the death of Maud Aschah, 16.

A resident of Peninsula, Que., the girl disappeared from her home on August 30, and her body, mangled and only partly clothed, was found in Gaspé Bay on Saturday. Autopsy performed by Dr. Rosario Fontaine, Quebec medico-legal expert, revealed she had been gagged and had suffered a fractured skull.

An inquest into the death of Miss Aschah will be opened tomorrow by Dr. Guy Pouliot, of L'Anse du Cap, Que., it was learned at the Attorney General's Department. It will probably be postponed until further facts are uncovered, particularly in connection with the disappearance of Marquette Aschah, 17, Maud's cousin. Both failed to return to their homes after attending a meeting at Peninsula.

Declaration Day

(Canadian Press)
EDMUNDSTON, N. B., Oct. 30.—Today was declaration day in the Dominion constituency of Restigouche-Madawaska, following last Monday's by-election, and the official result, excepting one ballot box yet to be turned in, was as follows: J. E. Michaud, Liberal, 11,692; Paul L. Dube, Conservative, 5,375; J. L. R. Annet, Farmer-Labor, 2,014. The latter two candidates lost their deposits. Ballots rejected numbered 288.

WIVES OF KANSAS "COFS" PRACTICE SHOOTING

HUTCHINSON, Kas., Oct. 20. — Wives of Hutchinson policemen will never let it be said they don't take an interest in their husbands' work. They have organized themselves into a feminine pistol shooting club, and practice with their mates' guns when they are not in official use. The highest score to date is 98 out of a possible 100.

FRANCE TO

(Continued from Page 1)
Must Take Stand
In recent weeks it has been said that Parliament would be asked to consider either flat repudiation or a possible lump sum proposal in an effort to end 15 years of discussion on the debts problem.

The debt, about \$3,863,650,000, is roughly one third of the total Europe owes the United States from the war. Failure to pay installments due last Dec. 15 and June 15 left the French about \$60,000,000 in arrears.

The government has watched Anglo-American discussions in Washington believing that they might hold some cue for later French action.

Prefer Settlement

Official quarters have indicated that France would like to settle up by paying 10 cents on every dollar she owes.

It was on this basis that the Lausanne Conference decided Germany should finish payment of reparations to France and her former allies.

From the war to the present there have been three cornerstones in the French debt policy:

That France could not pay her debt to her former allies unless she received reparations from Germany; that France had a right to reparations from Germany, and that consequently her debts to the United States and Great Britain were entwined with German reparations.

Postpone

(Continued from Page 1)
soon for Washington to consult President Roosevelt regarding the arms situation.

"Regrettable"

Mr. Davis emphasized that his departure would indicate no decrease in the United States interest in disarmament but arms delegates felt nevertheless that the plan was "regrettable" and would have an untoward effect on the negotiations.

Hugh Wilson, the United States Minister to Switzerland, will assume Mr. Davis' duties as director of the American delegation.

The Ambassador made his decision after consulting President Roosevelt and Secretary of State Hull and has their approval.

"I will reach Washington before the departure of Secretary Hull for South America," the Ambassador said, "as I wish to go over the entire situation with him and the President."

Mr. Davis will return by way of Paris, where he will call on the French Disarmament Chief, Joseph Paul-Boncour. After this meeting he will take the first available steamer.

The envoy expects to return to Geneva for a resumption of the Disarmament Conference December 4 if he believes he can be of use at that time.

Glory Oil Cures Rheumatism and Neuralgia.

U.S. ACTION TO BENEFIT CANADA

Raising of Gold Price in U. S. Will Mean More Money For Canadian Mines.

(Canadian Press)
OTTAWA, Oct. 30. — Any steps taken by the United States which would have the effect of increasing the price of gold in Canadian funds would be of obvious advantage to Canada. This country produced 256,561 fine ounces in August, the last month for which complete figures are available so an increase of a dollar an ounce would mean approximately \$250,000 a month or \$3,000,000 a year.

Remain Silent

Financial experts here were reticent today to prophesy. They declared that very little was yet known of what the Washington Administration proposed doing. It had decided to enter the world market for gold and probably the Federal Reserve Bank would be the purchasing agent. However until something were known of the nature of the instructions the Reserve Bank would receive, they preferred to remain silent.

Highest Market

Canadian gold has always been sold on the highest market, it was explained, without regard to Imperial considerations. It went to New York when that market was the most advantageous. It shifted to London when Washington put restrictions on gold. In London it went to the highest bidder regardless of whether it was a foreign or British buyer.

Washington's apparent determination to increase the price of gold in U. S. funds will mean more money for the Canadian mines provided the relationship between the Canadian and New York funds is not altered.

Of course if the U. S. dollar is shoved below the Canadian dollar in the process, some of the advantage would be lost.
