SHOP BREAKING AT MISCOUCHE.—The store of Mr. J. P. Gaudet Miscouche, was broken into on Friday last between 11 o'clock and midnight and between \$30 or \$40 taken from the till as well as a quantity of goods. The thief or thieves made an entry by breaking a window in the warehouse adjoining.

SUCCESSFUL SALE AND TEA.—The sale of handkerchiefs and other fancy articles held in St. Peter's School-room yesterday afternoon and last evening proved beyond all expectations. A bean supper, served in connection with the affair, which was also well patronized. Many very useful home-made articles were offered for sale at reasonable prices and the result was active buying throughout. About \$525 was realized. The ladies of the congregation who promoted the sale and carried it through so successfully, are certainly deserving of hearty congratulations.

CURIOUS ACCIDENT NEAR O'LEARY.—The incident of a horse coming to an immediate stop after its driver was thrown from the vehicle had the effect of saving the life of Mr. Roy McNeill near O'Leary last Thursday night. The young man was driving rapidly over a culvert when the jolt threw him into a ditch. He was stunned by the fall and lay with his head submerged in water until persons attracted by the unattended horse found him practically lifeless. Medical aid was hurriedly summoned and artificial respiration was successfully applied. The young man is well on the road to recovery.

VALUABLE HORSE KILLED.—A very regrettable affair happened last Monday evening, while Misses Mary Proffit and Hazel Mayhew of Margate were returning from Long River. The night being very dark, on coming around a sharp turn, the carriage was upset. The girls escaped with a bar shaking, but on examining their horses which were the speedy one owned by William Proffit, known as the Merry Widow, she was found to be severely hurt. A veterinary was found but nothing could be done, the animal having to be shot. Merry Widow was highly prized by her owner, being a speedy, half mile ice racer, taking first money on different occasions, competing in 1919 in two races with Sally Bingen.—Pion.

OUTDOOR SKATING.—The frost of the last couple of nights has put a solid surface over the Government Pond once more, and the boys have been enjoying some skating. Unfortunately a slight fall of snow on Tuesday night with its old time disregard for what boys would prefer put a very dull edge on the skating. However there will be lots of opportunities yet and if the city will only do what the citizens have for years been advocating—keep the pond clear the boys and girls and those of an older growth would have an outdoor recreation place unrivalled in any town. Perhaps when the next crop of candidates for civic honors come forth they will add to their list of promises—one to keep Government Pond in condition for skating while the season lasts.

WEDDING BELLS.—St. Teresa's Church was the scene of a pretty wedding on November 26th when Mary McLaughlin daughter of the Hon. Anthony McLaughlin of Peake's Station was united in the Holy bands of matrimony to Joseph Clarkin of Ruskin. The bride looked charming in a blue tailored suit and a picture hat. She was attended by her cousin Miss Lillian McLaughlin who was also attired in a becoming suit of blue while Mr. Alex. Ryan of Morell supported the groom. After the ceremony they drove to the home of the bride where a sumptuous dinner was served. The table was artistically decorated with carnations and roses. A pleasant afternoon was spent. Then they drove to the home of the groom where a dainty supper was served. A pleasant evening was spent in music and dancing. The guests departed to their homes after wishing the newly wedded couple a happy journey through life. The presents were costly and numerous testifying the popularity of the bride and groom.
