

What the Halifax Herald Says of "The Unloved Wife"

Which opens an engagement of two nights, commencing tonight at 8.30 matinee Thursday for Ladies Only.

"The Unloved Wife" is a drama of surprises and these surprises are not the kind that might be suspected to be in the play.

"Please find my husband" was the tenor of a pathetic letter received by the police from a young woman in England.

Senior Golfers Aided By Steel Shafted Clubs

If the steel shaft, regarded by many golfers as the shaft of the future, were thoroughly appreciated the chances are that these clubs would be found in every senior's bag.

As a man gets on in years and the snap of youth leaves his muscles he finds it harder to make the carries he formerly did, and of course, this is certain to be more apparent when the shaft he is using is in any way defective.

With the steel shaft, the ball gets away and rises quickly. The thin, and at the same time, powerful shaft, offers less wind resistance, another help, except to the new player, is the fault of rushing his back swing.

Any one who has ever given the matter a thought will agree that a systematic teaching in golf is all that is needed to make a player or three essential principles such as the keeping of the still head, the fixed centre in the body, the eye on the ball, and such like.

One of the most remarkable things in connection with the steel shafted clubs has been in the taking of moving pictures of golf players.

BAKER'S COCOA

is a most satisfying drink.

Delicious flavor and aroma, beautifully attractive color, purity high quality;—the distinguishing characteristics of high-grade cocoa,—"Baker's."

The heads of the naval and military medical departments in England have been so impressed with the wholesomeness and superior nutriment of cocoa, that they have judiciously directed that it shall be served out twice or thrice a week to regiments of the line, and daily to the seamen on board H. M. ships.

Medical men unquestionably admit that cocoa is nutritious.
