**Lord's Prayer** in unison The minutes of the last meeting were read by Mrs. J. Y. MacFadyen and Mrs. Morsos, Community Friendship Secretary, reported seventy five calls made during the month. Mrs. Mutch read an announcement explaining the United Church Cavalcade which will visit Charlottetown beginning September 7th. She also gave some interesting items about the Maritime Conference Branch which she attended at Sackville in June. All present were delighted to hear a letter of thanks read from a beloved member, Mrs. R. H. Rogers thanking the members for cards and letters of good wishes, which she received and enjoyed so much. The guest speaker, Mrs. Mary Donald Deans of Keene Teachers College, Keene, N. H., was introduced by the president, Mrs. Deans delighted her audience with her vivid description, so pleasingly portrayed, of her year's leave of absence from the College, spent in Missionary work in Cap Haitian Haiti. Mrs. Rice moved a hearty vote of thanks to Mrs. Deans for her delightful and informative talk. A vote of thanks was also tendered Mrs. Mutch for the use of her home for the past three years, where the annual picnic meeting of the Auxiliary has been held and so thoroughly enjoyed by the members. Delicious refreshments were served and a very enjoyable meeting closed with the Mizpah Benediction.

### In Memoriam

In loving memory of my dear mother, Mrs. Solomon Vail, who departed this life July 7th, 1942.

The rolling stream of life goes on  
But still her empty chair  
Reminds me of the smiling face  
Of one who once sat there.

God saw the road was rough  
The hills too hard to climb  
So he closed her gentle eyes in sleep  
And whispered eternal peace.

Ever Remembered by Her Son,  
Irving.

**DOROTHY DIX SAYS—**

(Continued from Page 2)

W. J. S.

ANSWER: Nothing can be done, I am afraid, to assuage your sorrow, for your wife has most efficiently blocked any approach to a reconciliation between you and her and for your getting your children back, by her remarriage.

Evidently she cares more for money and the things that money buys than she does for you, and she will never give up the flesh pots for you. The sooner you recognize that as a fact and put her out of your mind, the better it will be for you.

It is impossible for you to get the children back until they are old enough to have some say-so in their fate. The court always gives minor children to the mother, unless she has proven herself unfit to rear them. She has not done this. Apparently she is using them as an alibi for ditching you by claiming that she has married the rich man in order to give them advantages.

Your plight is a sad one, and the only thing you can do is to work so hard that you will not have time to think about how scurvily you have been treated.
