O. G. T. MEETING.—The King's Co. Victory District Lodge No. 1, I. O. G. T. met in quarterly session at Albion on Dec. 18th. The Grand Chief Templar Bro. Oswald Graham was present and occupied the chair. Delegates from several of the lodges in the district were present and reported favorably. National Organiser Bro. S. H. Webb was present and gave a very interesting and instructive account of his work in the district. The general routine of business was disposed of and plans made for the future. A vote of thanks was tendered to Bro. Webb for the very efficient work which he had done in the district and would very much like to have his services retained, to which Bro. Webb replied very suitably. At seven o'clock a public meeting was held. The choir rendered several suitable selections. Bro. Webb was the principal speaker of the evening and held the audience with rapt attention. All went home delighted with the meeting.

DEMONSTRATION AT MONTAGUE

(Continued from page nine.)

he was pleased to be present at this historic opening and thanked the citizens of Montague for their address and hearty reception and was glad that the new bridge had measured up to the expectations of the people as well as of himself. He said he did not think there was a finer structure in the Maritime Provinces, it being the second largest bridge on P. E. I., and that it did much credit to the government as well as to the builder, W. P. McNeill Company, New Glasgow. He assured the people that he would do all he could to assist them in getting their town, Montague the Beautiful, incorporated, and thought that it was now a necessary requirement for its further advancement.

CREW SAFE.

ST. JOHN'S, Nfld., Jan. 10.—Capt. Bourke and crew of eight of the fishing schooner Evelyn, were hauled to safety up the steep cliffs at Isle Au Bois Cove by fishermen yesterday after the schooner had been dashed to pieces.

BIGHT MONTHS IN PRISON

LONDON, Jan. 9.—Long sentences were passed to-day on two of the militant suffragettes, many of whom, in recent months, have engaged in a campaign of destruction of the mails. May Billingham and Louisa Gray, two of the first to be arrested in connection with these outrages, were brought up for trial at the Old Bailey to-day and condemned to eight months' imprisonment.

May Billingham is a cripple and is unable to get about except on a tricycle. She already has been imprisoned on several occasions, in connection with the suffrage campaign.

The evidence given to-day showed that letter boxes throughout the centre and the west end of London had been damaged, together with their contents, by means of acids, sticky fluids of various kinds, varnish, ink and in some cases materials such as rags soaked in lamp oil had been inserted in the boxes.

Many valuable documents have been destroyed in this way. These included money orders, contracts, checks and bank notes. It was a matter of difficulty to capture the perpetrators of the outrages, as in most cases the destructive fluids were passed into the boxes in uncorked bottles contained in ordinary envelopes.

ATTEMPT OFFICIALS' LIVES IN OPIUM RAID

SAN FRANCISCO, Jan. 9.—While two customs inspectors were searching for opium in a water tank on the Pacific Mail liner, China, someone turned on the water. The men escaped only after a hard struggle and declared that an attempt to murder them was made by some member of the crew involved in an opium smuggling plot. This belief was strengthened by the fact that they discovered 135 tins of opium, valued at \$9,400.

Money Invested In The Chas Dalton Silver Black Fox Co IS A SANE INVESTMENT WITH A SURE PROFIT

WHY

BECAUSE: The stock produced by this Ranch is eagerly sought after by both local and Foreign breeders and always commands the highest prices.

BECAUSE: Mr Dalton's experience and study of fox life have placed this Ranch on a sure footing, beyond the experimental stage, thereby lessening the danger of loss which so frequently occurs in ranches through the inefficiency of the man in charge.

BECAUSE: The shareholders are guaranteed an increase of not less than fifty young foxes raised to July 1st, 1913. For every young one under this number Mr. Dalton will pay to the Company \$5,000 in Cash thus practically guaranteeing the sum of \$250,000 or 40 per cent on the capital invested, to be paid in dividends.

Now look this thing square in the face—don't sidestep. Do you realize the enormous profits that are being made in the fox business?

Do you realize that it is the men who are already rich who have been monopolizing this great industry?

You Man with your small savings lying in a bank a 3 p. c.—you want to wake up to your opportunity!

You may not be able to buy a pair of foxes but you invest your small savings in a legitimate, safe industry that instead of paying you 3 or 6 will pay you 40 to 60 per cent.

Lest You Forget

This Ranch holds the world's price records for pelts.

This Ranch holds the world's price record for young foxes.

Is your money earning its utmost? Call in and let us talk it over, and don't let the 25th of January pass without making an investment in the world's greatest Fox Ranch.
