VICTIMS OF LA GRIPPE

Left Weak, Disheartened and An Easy Prey to Other Troubles

A Nova Scotia Man Tells How He Found New Health and Strength

If you have had an attack of la grippe, or Spanish influenza you are not out of danger until your blood is restored to normal.

Influenza leaves behind it weakened vital powers, thin blood, impaired digestion, and over-sensitive nerves.

In this condition the system becomes an easy prey to deadly pneumonia, bronchitis, nervous prostrations, rheumatism and even consumption.

Anyone who has had an attack of influenza what their present condition of health is and most of them will answer "Since I had the grippe I have never been really well."

This general feeling of weakness will continue until the blood is built up again, and for this purpose nothing can equal a fair treatment of Dr. Williams' Pink Pills.

From first to last these pills make new, rich, red blood which reaches every organ and nerve in the body, and through this weak, despondent victims of influenza are transformed into cheerful, healthy, happy men and women.

Among the many victims of la grippe who proclaim the value of Dr. Williams' Pink Pills is Mr. Amos Kaulback, of Petite Riviere, N. S.

who says: "I was taken down with a severe attack of la grippe, or influenza. After a time the early symptoms of the trouble left me, but I did not regain my usual strength, and I had always been a strong man.

There were times when I felt I could hardly crawl about, and I was so run down I could scarcely go about my business. I continued taking medicine but it did me no good.

Then I found the trouble was affecting my digestion and the disagreeable feeling from this added to my general misery. I was finally advised to take Dr. Williams' Pink Pills, and I decided to try them.

I had only been taking the pills a few weeks when I found my strength returning, my appetite improved, and I still continuing the use of the pills a few weeks more found me restored to my old-time vigor.

I can most strongly recommend Dr. Williams' Pink Pills to all who have passed through an attack of influenza, as a safe medicine for renewing their strength."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50c. a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.
