

Do Children Need Alcohol?
 Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Then ask him about Ayer's non-alcoholic Sarsaparilla as a tonic for the young.

The readers of this paper will be pleased to learn that Hare's Family Pills for constipation have been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hare's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & Co., Toledo, O. On Wednesday evening, 24th ult., the evening previous to the departure of Richard Warburton to Halifax, to which place he has been transferred by the Royal Bank of Canada, a large number of members of the Antigonish Hockey Club, with many other friends, met at M. J. O'Connell's store and beer parlour ever seen presented with an address and a very nice set of amber pipes by W. H. White, Secretary of the A. A. A. A., in behalf of the local hockey club, as an act of appreciation to "Dick" for the sportsmanlike manner in which he upheld the Town colours this winter. "Dick's" reply speech, thanking the hockey club, as well as his large number of other friends for their kindness was brief but to the point. Warburton was one of the cleanest and best players ever seen in this place, and his work at centre for the local team this winter was simply marvellous. This popular athlete will be greatly missed, both by the hockey club and a large number of friends, made by him while sojourning in this Town.—Antigonish Exchange. Mr. Warburton belongs to this City and has many friends here.
