TRANSCONTINENTAL TRIP BY AUTOMOBILE.

ST. JOHN, August 29— Thomas W. Wilby, who is on his way from Halifax to Vancouver by automobile arrived here this afternoon and was met on the outskirts of the city by Mayor Frink, President T. P. Regan and Secretary Harris Ervin, of the New Brunswick Automobile association, and piloted to the city. Mayor Frink and President Regan entrusted Mr. Wilby with greetings to the mayor of Vancouver, and the party escorted him as far as Westfield on his way to Fredericton. He has had a successful tour so far, and reports the roads in New Brunswick in far better condition than those in Nova Scotia. This improvement is entirely due to the wise administration of the Hazen and Flemming government, who have given this province the best roads in its history.

STONE THE WOMAN, LET THE MAN GO FREE.

Yes stone the woman, let the man go free!
Draw back our skirts, lest they perchance may touch
Her garments as she passes; but to him
Put forth a willing hand to clasp with his,
That led her to destruction and disgrace.
Pass her, O, maiden, with a pure, proud face,
If she puts out a poor, polluted palm;
But lay thy hand in his on bridal day,
And swear to cling to him with wifely love
And tender reverence. Trust him who led
A sister woman to a fearful fate.
Yes, stone the woman, let the man go free!
Let one soul suffer for the guilt of two;
It is the doctrine of a hurried world,
Too out of breath for holding balances
Where nice distinctions and injustices
Are calmly weighed. But ah how will it be
On that strange day of final fire and flame,
When men shall wither with a mystic fear,
And all shall stand before the one true Judge?
Shall sex make then a difference in sin?
Shall He, the Searcher of the hidden heart,
In His eternal and divine decree,
Condemn the woman, and forgive the man?

MAN KILLED IN A QUARY.

WINDSOR, August 29—The funeral of the late Albert Gibson was held from his late residence at Wentworth, and was attended by a large concourse of union men and other citizens. Mr. Gibson lost his life thru an accident in the Wentworth quarry two days before. He was working near a bank when a large stone fell on him and rolling over his body inflicted severe injuries.

Dr. Reid, of Windsor, was summoned. At first it was thought that a broken leg was the injured man's worst injury. He was taken home and his condition seemed quite favorable, but later alarming symptoms began to develop and he passed quietly away.

The deceased was 52 years old and is survived by his wife and one daughter, Esther, at home. He was a son of the late Thomas and Mrs. Gibson, Windsor.

CUSTOMS OFFICERDIES SUDDENLY AT YARMOUTH.

YARMOUTH, August 29— The death of William Amirault, customs officer at Lower East Pubnico, took place suddenly this morning. Mr. Amirault had been ill for the past two weeks with pneumonia, but his condition was thought to be favorable and his death was entirely unexpected. Mr. Amirault, who was about fifty years old, was the son of Remi Amirault, of that Village, and leaves a widow and eight children. Previous to accepting the position of customs officer, some twelve or thirteen years ago, he was clerk in the general store of John F. McLaren, Lower Argyle. Both as clerk and customs officer he made many friends who will regret to hear of his death. The funeral will take place on Saturday morning.

ANY WOMAN CAN HAVE BEAUTIFUL HAIR

Dandruff Disappears, Falling Hair Ceases, When You Use Parisian Sage.

No preparation has done so much to stop falling hair; eradicate dandruff and make women's hair beautiful as Parisian Sage.

It is the only certain destroyer of the dandruff microbe, the cause of most hair troubles.

Parisian Sage is most daintily perfumed. It is an ideal preparation not sticky or greasy. It does not contain poisonous sugar of lead or sulphur or any dye.

It is a magnificent dressing for women who desire luxuriant lustrous hair that compells admiration and for men and children nothing can compare with it.

It does away with terrible scalp itch over night and causes the hair to grow in abundance.

And a large bottle of Parisian Sage costs only 50 cents at all drug and toilet goods counters.

Geo. E. Hughes, druggist, Charlottetown, guarantees it.

MR. BORDEN SAYS SIR WILFRID WAS NOT ASKED

LONDON, August 29— Premier Borden handed out this official statement today with regard to the question which he had been discussing with the imperial authorities:—

"During our present visit, which is now drawing to a close, matters of considerable moment have been under consideration. The opportunities afforded to the Canadian ministers of being present at the committee have been fruitful in valuable information upon matters considered and determined by that committee.

"Among the most important objects of our visit was the desire to obtain information respecting the conditions of naval defense affecting the empire. The stress of the present session of parliament now adjourned and other unavoidable causes prevented us from receiving full information in its final form, but we expect it to reach us very shortly after our return to Canada with no unnecessary delay. It will then be considered by the Canadian cabinet.

"Several unfounded and inaccurate rumors with regard to the incidents and outcome of our present visit have gained currency in the British and Canadian press. It would be impossible to enumerate all of them. Allusion may, however, be made to one. Sir Wilfrid Laurier has not declined to meet myself in conference with certain British ministers, for the very good reason that he has not been asked to do so, and for the further reason that no visit of British ministers to Canada has yet been arranged.

WELCOME TO REV. BISHOP MORRISON.

ANTIGONISH, August 29 — Bishop elect Morrison was given a most enthusiastic and whole-hearted welcome here today by the parish and town of Antigonish. His lordship arrived by special train from Stellarton at 4.30 p. m., and was met at the station and accompanied to the college rink, where he was given a reception by at least 3,000 people, two bands, the Catholic societies, mounted horsemen, cadets, civic representatives and citizens formed in procession, while flags and bunting were liberally displayed along the whole route.

A special platform had been erected in the rink on which were seated the administrator Very Rev. H. P. McPherson, the mayor, D. Mc Isaac, members of the clergy of the diocese.

Addresses of welcome were read by D. C. Chisholm, town clerk, on behalf of the town of Antigonish and by J. A. Wall, on behalf of the parish and the Catholic societies. The civic address, after welcoming his lordship as a citizen and high dignitary of the Catholic church, expressed confidence in his splendid qualities of heart and mind and referred to the excellent relations that have long subsisted in this community among Catholics and Protestants and confidentially expressed the belief that his lordship would do much to perpetuate and strengthen these good relations.

LARGE CROPS IN SASMATCHEWAN.

ROSETOWN, Sask., August 29— The crop is overwhelmingly large in this district and at the ten different points where stops were made by the Saskatoon business men's excursion yesterday, the harvest was generally under way. Last year's experience all along the line in not being able to get the crops moving, has created a general doubt regarding the ability of the the railroad line which traverses the greater part of this productive district to produce facilities for handling the increasing yield of this year. Just at the moment the labor supply is adequate, but more help will be needed by the end of the week when the flax harvest will be general. The yield of all kinds of grain is heavy, especially wheat and flax. Last year the productions of all grades of grain along the Goose Lake branch of the C. N. R. amounted to sixteen million bushels, It is estimated that this season's output will be fully fifty per cent. greater than in 1911.

TO MOVE TOWN OF FRANK.

(Canadian Press.)

OTTAWA, Aug. 30—The town of Frank, Alberta, which lies at the base of the Turkey Mountain and which was partially wiped out by a landslide in 1903, causing the death of seventy people, has had another scare as the result, according to word received at Ottawa. The two is preparing to move to a new site some two miles distant, as the citizens of Frank had many warnings of danger.

In the latter part of July the mountain sent down another slide tearing up trees and throwing down boulders which caused widespread consternation.

The slide on this occasion confined itself to the course of the old slide and did no damage beyond smashing a few unoccupied buildings.

The town council is at last stirring itself and word has been received that the whole town is now preparing to move to a new site.m
