Cresolene is a boon to Asthmatics
Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach?
It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.
Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

A VALUABLE PRIZE CONTEST

The Charlottetown Guardian has secured the right to use the International Newspaper Bible Study Club Lessons each week for the term of one year, commencing with the lesson for August 23rd, 1908. But one paper in each town can use these. The Guardian takes pleasure in being able to present to its readers such a valuable help along the lines of Bible study. They will be published each week in the Morning Daily and the Rural Da-

ily. Only paid-in-advance subscribers to either paper are eligible to join this club. There is no fee for entrance, and no conditions other than those stated below. Everybody stands the same chance and has the same opportunity to get the valuable prize without the investment of a cent. There is one condition that must in every case be complied with and that is, that every one entering the contest must be a regular subscriber as above.

GOLD AND SILVER MEDALS, BIBLES, BOOKS.
Persons may join the club at any time during the year, but must, of course, answer the 52 questions hereinafter explained, to qualify for the prizes. It is however, desirable that the questions be answered as the lessons are studied.

The International Newspaper Bible Study Club is for the purpose of promoting, in an unfeigned way among the masses, a wider study of the Bible, the basal truths of Christianity, and the problems which enter into every man's life. It is composed of all those who join a Local Club, and take up the simple course herein outlined having City ordained clergymen. Although with their sympathetic co-operation, it is not considered fair to have them compete for the prizes. It is however desirable that the Class scholars, and church goers generally, may belong to this newspaper Club, also non-churchgoers, of all shades of opinion. All such who have not joined are warmly invited to do so and complete for the prizes.

The Guardian has secured the right to publish the International Sunday School Lesson questions by Rev. Dr. Linscott, D.D., which have aroused so much interest elsewhere, and they will appear weekly. One of these questions each week is to be answered in writing, and upon these answers the prizes are to be awarded.

The Guardian is authorized to form a Local Newspaper Bible Study Club for its readers, and guarantees to all who join and fulfil the conditions, that everything here promised shall be faithfully carried out.

CONDITIONS OF THE CONTEST.
1. Each contestant, or his or her family, must be a paid in advance subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and the Local Club.
2. Each contestant in this Local Club must answer each of the written questions for 52 consecutive weeks, commencing for Sunday, August 23rd and the answers must all be in possession of this paper within two weeks of the close of this period, which allows two weeks grace after the close of the contest.
3. Each question must be answered separately, and the paper written on one side only. No answer must contain more than two hundred words and may be less. It will be a convenience if students will write their answers on letter paper, about 8 1/2 inches by 11 inches.
4. Each answer must have the name and address of the writer at the bottom of the answer, together with the date label of a current issue of The Guardian so it can be identified, giving a number, registered, and then the name will be cut off so the examiner may know it by number only.
5. Students should be careful to understand the question before answering. To do this the lesson text must be read and especially the verse or verses, upon which the question is based.
6. The answers from this Local Club must be delivered to The Guardian office, and they will be collected at the close of the contest and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this local Club will be given out from this office.

THE PRIZES.
First Series—A gold medal to each of the first five contestants.
Second Series—A silver medal to each of the next five contestants.
Third Series—A Teacher's Bible, price \$5.00 to each of the next five contestants.
Fourth Series—The book "The Heart of Christianity," price \$1.50 to each of the next thirty-five contestants.
Fifth Series—A developed mind, an expanded imagination, a richer experience and more profound knowledge of the Bible and of life, to all who take this course whether winning any other prize or not.

Each medal will be suitably engraved, giving the name of the winner and for what it is awarded, and in the like manner each Bible and book will be inscribed.
All who can write, and have ideas, are urged to take up these studies regardless of the degree of their education, as the papers are not valued from an educational or literary standpoint, but from the point of view of the cogency of their reasoning ideas.

Was God in those days ever pleased with things which grieve him in these days?

PANDORA RANGE

"Friend to Friend"
"You're going to be married, girlie, and want me to recommend a range."
"Pandora" Thermometer
"Well, the important part of a range to a woman is the Oven. This should be made of steel so as to properly absorb, retain, circulate and dispose of heat from the fire-box. Meats will then be firm, yet juicy, and biscuits, etc., sufficiently raised, with crust even all around."
"The Fire-box should be substantially made, be wide, roomy, and allow perfect freedom for the manipulation of the grates."
"An Emery Rod and Towel Drier helps the housewife with her knife sharpening and towel drying."
"An accurate Thermometer can be set at the necessary heat required for a baking and will save you all sentry duties."
"The Reservoir should be constructed of steel, lined with white enamel, so as never to burn out or rust out."
"The 'housewife' features I have mentioned mean Maximum Service, and you get them at Minimum Cost in 'Pandora' Range."

DO YOUR CHILDREN ASK QUESTIONS
Of course they do. It is their way of learning and it is your duty to answer. You may need a dictionary to aid you. It won't answer every question, but there are thousands to which it will give you true, clear and definite answers, not about words only, but about things, the sun, men, machinery, places, stories and the like. Then, too, the children can find their own answers. Some of our greatest men have ascribed their power to study of the dictionary.
Of course you want the best dictionary. The most critical prefer the New and Enlarged Edition of **WEBSTER'S INTERNATIONAL DICTIONARY**
THE GRAND PRIZE (HIGHEST AWARD) for which was given at the World's Fair, St. Louis.

Mother Cave Her Child Away.
Had Given up all Hopes of Living.
Heart Trouble was Cured by Milburn's Heart and Nerve Pills.
Mrs. Andrew Savoy, Gratian, N.B., writes:—"In the year 1905 I was taken sick and did not think I could live any length of time. My trouble was with my heart and people told me that nothing could be done for a case like mine. I consulted the very best doctors but they could do me no good. For seven weeks I could hardly cross the floor. I had no pain, but was so weak nobody in the world can believe how I felt. I had given up all hopes of living and had given my little girl to my sister-in-law.
"One day a friend came to see me, and calling me by name, said, 'Lizzie, if I were you I would try a dose of Milburn's Heart and Nerve Pills as they are good for heart trouble.' My husband got me a box, but for two days I was not feeling any better, but on the fourth day my husband said, 'I believe those pills are doing you good.' I was able to say, 'Yes, I feel a good deal better this morning.' He said, 'Well, I will get you another box right away.' I took two boxes and three doses out of the third one, and I was perfectly well and have not been sick since then.
"I will never be without them in my home for God knows if it had not been for Milburn's Heart and Nerve Pills, I would not have been alive now."

DESCRIPTION OF MAP.
It has been thirty years since a Map of Charlottetown has been made. Most of the old ones have been long since worn out or lost. A few framed copies remain, but these are sadly behind the times and do not show the extensive improvements made since they were first issued. A new Map of the city has become a public need.
To meet this The Guardian has secured a Map and Plan prepared by J. P. Nicholson, Esq., City Surveyor, accurate and up-to-date. This has been carefully engraved. It clearly indicates all the Streets, Wharves, Railway Tracks, Parks and Squares and the location of the Colleges, Churches, Public Buildings and Offices leading Hotels, places of Amusement and Cemeteries, etc.
This valuable Map has been prepared in various forms. It can be had on cardboard 13 x 20 inches, or in the form of a neat folder.

generally a help or a hindrance to character?
If Absalom and Adonijah, had not been pampered and petted by their father and mother, but had been properly trained, what would have been the probability as to their characters?
Here are two priests, one on the side of the usurper, and the other on the side of the constituted king; succession: is it thinkable that they were both men of God?
Would it have been possible then, and is it possible now, for a true follower of God, to take sides with those who are opposing the plans of God?
Verses 11-12.—Who was Bathsheba before she was the wife of David?
Notwithstanding the circumstances of David's marriage to Bathsheba, is there any reason to think that she had not been a true wife to David, and a good mother to his children?
Does God expect us to use as much skill and diplomacy in carrying out his purposes, as though we were unaided by him?
Verses 22-31.—What was the character of Nathan? and what part did he take in the Uriah-David-Bathsheba matter? (See II Sam. xii:1-13)
Can we usually judge of the righteousness of a cause, by the character of the men who advocate it?
Do even good men sometimes have to be reminded of their promises?
Is a promise made under oath of any greater moral obligation than a promise without an oath?
Verses 32-53.—Why did God through David select Solomon for the future King? (I Chron. xxii:8-9).
If a son has all the qualities for a position, does God disqualify him for any sin on the part of his parents?
Which is the wiser way to kill an insurrection with peaceful methods, or to stamp it out with arms?
Chap. III-12.—Is righteousness a sure guarantee of success to every individual, as well as to a king and his people?
What, notwithstanding all his ambitions in life, will be a man's chief concern at death?
What had, for the most part, been the character of David's reign?
What can you say concerning David's parting instructions to Solomon, concerning the rewards which he wanted to be imparted?
