Light Selling Carries Stock Prices Down

By FREDERICK GARDNER
Associated Press Financial Writer

NEW YORK, March 2—(AP)—Light selling carried most stocks downstream today in one of the slowest markets of recent months. Prices suffered mainly from a tendency of would-be buyers to wait for news from Washington and tangible indications of a spring business upturn.

Transactions dropped to 406,315 shares from 534,140 in the previous session.

Declines predominated on a sluggish Canadian list. Dome, International Nickel, Bell Telephone, Ford and Lake Shore showed losses ranging from 1-4 to 7-8 of a point. Massey Harris and McIntyre steadied fractions as Distillers-Seagram, Marconi and Imperial Oil held unchanged.

All groups, including rails, were represented in the drift toward lower prices and losses of fractions to more than a point ruled at the finish. The Associated Press composite price of 60 stocks was down .5 of a point at 45.3.

GRAIN

WINNIPEG, March 2—(CP)—After nervously fluctuating within a one-cent range Winnipeg wheat futures settled at the half-way mark at the close today. Trading was small throughout and final quotations were 1-2-5-8 cent off, May 1.27, July 1.18 3-8-1-2 and Oct 97 cents.

Reports of dust storms in Kansas area of the United States winter wheat belt and a revival of export demand for Canadian wheat steadied the market after prices slumped a cent. Sales of Canadian wheat from both seaboards were small—150,000 bushels.

Cash wheat trading generally was at a standstill. Nos. 1 and 2 northern grades closed unchanged, 15 and 7 cents above the May future.

Oats transactions featured coarse grain dealings while exporters took minor quantities of barley 1-8-1-4 lower; flax unchanged and rye 1-2-3-4 cent lower.

Currencies

NEW YORK, March 2—(AP)—Some European currencies reversed an earlier trend today to finish with minor gains in terms of the United States dollar. The French franc was an exception with a loss of .00 1-2 of a cent at 3.26.

The Pound Sterling added 1-8 of a cent at $5.01 7-8 and the Swiss franc .00 1-2 of a cent. Unchanged were the belga and guilder. The Canadian dollar was down 1-64 of a cent at 99 63-64.

MONTREAL, March 2—(CP)—The Pound Sterling advanced 1-16 of a cent to $5.01 7-8 on Montreal foreign exchanges today while the French franc held about even at 3.26 5-32 cents. The United States dollar advanced 1-64 per cent at 1-64 per cent premium.

DIGGERS SEEK IN CITY'S RUINS DATA ON BIBLE

PROVIDENCE, R. I., March 2—(AP) —A little band of ditch diggers announced today they would dig into Asia Minor in the hope of finding new information on the Bible story of how the world began.

They are scientific ditch diggers —archeologists of Brown and Pennsylvania Universities — and their ditches will be dug this summer into the 2,000-year-old ruins of the ancient city of Van.

Prof. Robert P. Casey, Chairman of Brown's Department of Biblical Literature and one of the leaders of the expedition, said he and his associates looked for discoveries as important as any in Asia Minor to date, including those of the recent Hittite digs.

If a sufficient number of cuniform inscriptions (ancient writings) can be found, he said, translations may be possible which would give the history of the kingdom and reveal the now sketchy story of international jealousy, conflict and conquest that marked the opening of centuries of the first millenium.

Knowledge of the language used by the people of Van, the professor explained, might shed light on the historical background of the Old Testament's Book of Genesis as well as the Book of Kings.

The City of Van, trade centre on the caravan routes which crossed the known world of twenty-five centuries ago, destroyed by conquering Scythian armies about 600 B. C. Huge dust mounds which now cover the ruins are notheast of Angora, three miles outside the modern City of Van.

"Remember, my boy," said the elderly relative, "that wealth does not bring happiness."

"I don't expect it to," answered the young man. "I merely want it so that I may be able to choose the kind of misery that is most agreeable to me."

Owner of baby car—"I left my car here with this coat over it, and now it's gone."

Police—"Have you shaken the coat?"
