THE EASTERN GUARDIAN

IT PAYS to buy in this Province.

LECTURE.—No one should forget the lecture in St. James' Hall, Charlottetown, tonight.

ST. PAUL'S.—All should spend a couple of pleasant hours with friends at St. Paul's Hall today.

GRANADA AND ALHAMBRA is the title of A. A. Bartlett's lecture in St. James' Hall, Charlottetown, tonight.

REFAINTED.—The offices of the P. E. I. R. at Charlottetown are looking very up-to-date at present having undergone a general renovation including a fresh coat of paint.

CLYDE RIVER CIRCUIT.—Rev. D. MacLean will preach on Sabbath next, 2nd of February as follows:—Clyde River at 11 a.m., Brookfield at 3 p. m., and Hunter River at 7 p. m.

INWARD TRAINS.—The eastern accommodation arrived in Charlottetown yesterday at 11.15 a. m., ten minutes late; the western accommodation at 12.20 p. m., on time and the Summerside at 5.15 p. m., on time.

THE VICS DID IT.—Through a misunderstanding in receiving the report of the hockey match at Summerside The Guardian, yesterday morning, reported a victory for the Intermediate Crystals. This was an error. The Victoria Intermediates won the game by a score of 8 to 6.

MARRIAGE ANNOUNCEMENT.—J. W. Astleford of Tuxford, Sask., announces the marriage of his daughter, Laura Jane, to Roy T. Lowther, of the same place, to take place on Wednesday, February fifth, at three o'clock in the afternoon. Mr. Lowther is a native of this province, being a son of David T. and Mrs. Lowther, North Carleton, and a few years ago was employed with Stanley Bros., Charlottetown, and later with Sinclair & Stewart, Summerside.

A. O. H. BALL.—A very enjoyable ball was given by the Ladies' Auxiliary of No. 1 Division A. O. H. in their Hall last night. There were about one hundred people present who thoroughly enjoyed themselves. During an interim dainty and palatable refreshments were served to all those present by the ladies. The dancing was greatly enjoyed by all The music was furnished by that well known artist, Mrs. D. B. McDonald, who was assisted by Fred Skerry on the violin. The dancing was under Miss Nellie Dougan's supervision. The chaperons were Mrs. John Griffith, Mrs. James Burns, Mrs. Fred Howatt.

WEDDING.—St. Anne's Church, Lennox Island, was the scene of an auspicious event on the 22nd when Rev. John McDonald of Grand River, united J. P. Francis, one of the Island's popular young men, and Miss Alice Peters, formerly of Richibucto, N. B. The well-known runner, Michael Thomas, did duty as groomsman while Miss Janie Hasen of East Bideford attended the bride. The ceremony took place in the presence of a large gathering of friends who heartily congratulated the young people on the happy event. In the evening a musical and literary entertainment was held in Lady Wood Hall under the auspices of the Lennox Island amateurs which was much enjoyed by the bridal party and their numerous friends.

RACE TRACK.—The track on the ice has been surveyed for the horse races on Monday. It is located between the Railway wharf and Southport and has been bushed off accurately in one quarter and one half mile by Hammond Kelly. The entries will be entended for a day or two to give those delayed an opportunity to enter their speedy horses. There are to be two classes, a 2.20 trot and pace and three-minute trot and pace. The enrolment fee is five dollars for each class. It is hoped that these races will be readily patronized as the ice is in perfect condition being thirteen inches thick at its lightest spots. The races are sure to be good and horsemen should enter and enjoy this popular open air sport.

S. O. T. MEET.—The Grand Division, Sons of Temperance, held its quarterly session on Tuesday 28th inst., with Twentieth Century Division at York. Quite a large number of representatives from all parts of the province were present and matters of importance concerning the present condition of affairs were freely discussed and will be presented to the Alliance at its annual meeting in March. A public meeting was held at night when a well rendered program was given consisting of speeches, recitations, solos and instrumental music. The choice selections by the choir reflect great credit on that body of young people and will be long remembered by all present. The representatives were all well provided for by the people of York in their usual hospitable manner which is well known all over the province.

MARSHFIELD.—Rev. Z. L. Fash will preach in the Baptist Church, Marshfield, at three o'clock on Sunday afternoon Feb. 2nd.

LECTURE.—In St. James' Hall tonight an interesting lecture on Granada and Alhambra will be given by A. A. Bartlett.

HOCKEY.—The 3rd game in the P. E. I. Hockey League Series will be played in the Arena on Friday evening betwen the Crystals and Abbies.

AT PEOPLE'S THEATRE.—Last evening was the scene of two of the most gala and spectacular productions shown in Charlottetown for quite a while, in the feature pictures entitled, "Saved from the Sea," issued by the Dominion Feature Film Co. of Montreal, and the favorite Bison 101 Ranch Co., in "The Colonel's Ward." The happenings in these two pictures are stupendous, showing wonderful directing on the part of the directors in both pictures. Mr. Hogg was very fortunate in obtaining the "Saved From the Sea" picture as it is being much sought after by managers throughout the Maritime Provinces. The picture is a powerful drama based on an interesting love story that holds the audience in a state of wondering what its climax is. The explosion at sea and the burning ship are two very sensational incidents, not forgetting the daring rescue by a life-saving crew, ending in ultimate happiness. Patrons can always expect something exciting from the Bison people. This drama begins in the early pioneer days, when men were seeking the lands beyond the mighty rivers. As they are pushing westward they are pounced upon by the savage Indian and blood-stirring battles ensue. Hundreds of men and women are used to produce this splendid picture in two reels, besides the fine breed of horses shown. Of course the play has a plot and it is brought out in a very fine way, showing the Indians' uprising, an impressive court-martial and military execution, the plot to save the doomed Chief and the tragic death of the Indian maiden. Mr. Ritzius is certainly satisfying both the people that love the classic music and those who enjoy the lighter numbers.

PERSONALS
