SUMMERSIDE NEWS

BRANCH OFFICE, ECLECTIC BOOKSTORE

G W Bentley, Esq, was in town yesterday.

La grippe is prevalent in S'side just now.

Hon John Yeo passed through here yesterday on his way home.

The sidewalks are very slippery and hardly fit to walk on since the rain Thursday.

The Rev J M McLeod of Kensington held service in the Presbyterian Church Sunday evening. Prayer meeting was held in the morning.

The Forresters I O F Lodge No 202 had their installation of officers Friday evening, the report of which appeared in a previous issue of the GUARDIAN.

Mr. Shewen, government engineer, is at present in Cape Traverse taking observations and soundings on the ice for harbor improvements. He will probably be there for a few weeks.

Mr. Pickering of St Eleanors was driving his milk sleigh across the track Thursday evening on the western side near Gaudet's when the sleigh turned over spilling all the milk as well as throwing Mr Pickering out. The horse started to run, and the reins broke, but was stopped on Central Street. It is no use crying over spilt milk.

Through the effort of Messrs McKay and Cook Mr. Owen Steele has been rewarded for trying to save Mr. Henderson's horse. The sum of eighty-five dollars was subscribed and a nice bay horse 6 years old was bought from Mr. Jas. Taylor for $40. The balance was spent in procuring harness, hay, oats and coal with the exception of two or three dollars which was handed to Mrs Steele. Mr and Mrs Steele were profuse with their thanks to the gentlemen who exerted themselves on their behalf.

Two parties were trying to trade horses the other evening near the east end slip. They were both in sleighs. One party wanted so much boot, and the other after bantering a good deal suddenly drove off down the slip towards Wilmot Creek as fast as his horse could go and the other after him. It was getting dark and they wandered towards the place where Henderson's horse got in, but fortunately the ice, though unsafe did not break, and the parties at last finished their race at the slip. Both parties had some of the "Ardent" aboard. One of them drove off leaving the other all doubled up in his sleigh too stupid for anything. Some persons standing near by took him to a house for the night.

HIS SUFFERINGS ENDED

THE PAINS THAT ONCE TROUBLED HIM, NOW TROUBLE HIM NO MORE

MARKHAM, Jan 8th, 1894 —C. C. Conkin aged 38 a married man and a well known resident of this town, has suffered at intervals for years back, with intense pains in his back which have often laid him up. About a year ago he conceived the idea that these pains were due to kidney trouble. Acting on this idea he bought some of Dodd's Kidney pills from R A Mason, druggist here, and used them Three boxes cured him so that he has never had any return of his trouble.

WINTER FEEDING

When horses and cattle are kept in stable most of the winter and are fed on dry food they are apt to get out of condition and the spring finds animals that are not thriving, many have actually lost during the winter and have to do all their "picking up" when turned out to grass All this can be prevented and animals made to gain all winter long by using Dick's Blood Purifier Note the name Dick's—not Richard's

HER KIDNEYS THE CAUSE

FOR SEVENTEEN YEARS MRS. REANY WAS TREATED FOR LUNG HEART LIVER STOMACH AND FEMALE TROUBLES, WITHOUT BENEFIT —DODD'S KIDNEY PILLS CURED HER IN SEVENTEEN DAYS.

Shelburne, Jan 1st, 1894 Mrs George Reany of 2111 East Third St Ashland Wis writes an interesting story to the *Free Press* She says she has been sick for seventeen years that the physicians she consulted in different places in the United States and Canada ascribed her illness to the lungs heart liver, stomach or female troubles but none ever suggested the kidneys All the physicians prescriptions and patent medicines she took failed to help her, and she kept growing worse About two months ago she read of Dodd's Kidney Pills in the *Free Press* and sent to Toronto for some Now she is cured Doubtless they are many suffering from kidney disease, but like Mrs Reany do not know what is the matter with them

Lots for Sale.

Suitable for a Summer Resort.

THE Subscriber offers for sale a number of ACRE and HALF-ACRE LOTS at LANGLEY BEACH situated on the Southport side at the mouth of the harbour. These lots command a splendid view of the Straits, East, West, and North Rivers, and also Charlottetown. A road has been opened to the place and fenced, and those who wish can drive right down to the lots from the Keppoch Road.

These lots are only a mile and a half from Southport, and about ten minutes row from Queen's Wharf.

The place is almost surrounded by the water, and parties summering there will be able enjoy the almost continual sea sea breezes which blow across the Point. Now is the time to select lots as parties building will be able to do so much cheaper in winter, when they can get material over on the ice. Remember the hot weather will be here again next summer, and you and your family will want to get out of the city, with its dangers of fever etc, and enjoy the sea breezes and bathing.
