THE JAPANESE WIN TWO BATTLES

Two Days Fighting and the Russians Retreating

Kuropatkin Admits Defeat—Japs Advance Toward Hai Cheng and Liao Yang.

KUROKI WINS MORE BATTLES. LONDON, August 2 (Special)—After two days fighting Gen. Kuroki has defeated the Russian forces in two separate actions.

WHERE THEY WERE FOUGHT. These battles were fought in Yushulika and the Yangse Pass, the latter being northward from Motien Pass and eastward from Liao Yang.

GEN. KUROPATKIN'S REPORT. Gen. Kuropatkin reports that the Japanese have occupied Ikhauven, east of Liao Yang and Yangse Pass, thirty miles east of Liao Yang.

THE RUSSIANS FALL BACK. The Russians have fallen back from Yangse Pass but are holding positions on the Saimatzia road which leads toward Mukden, on which there has been heavy fighting, the Russians offering a stubborn resistance.

STAKELBERG'S DANGER. By the Japanese occupying Simu Chang defeatist Gen. Stakelberg was also engaged in danger of being cut off from Gen. Kuropatkin.

The above brief despatch only touches a part of the large field over which General Kuropatkin had before reported a general engagement in progress. It refers first to the fight with Gen. Kuroki's forces, advancing towards Liao Yang and Mukden and secondly to Gen. Nodua's advance on Hai Cheng. In both cases we have Japanese success and advance with the usual Russian retreats. No mention is made of what Gen. Oku was doing although he was also engaged to the westward of the railway line not far from Hai Cheng. We shall doubtless have further important news at any early day concerning these movements.

MEDICINES YOU CAN TRUST. There are a few family medicines that have such a firm hold on the confidence of the people as to be known as Dr. A. W. Chase's famous physician's and druggist's book author. The superior skill as a physician and the integrity of character for which Dr. Chase is everywhere known stand as a guarantee for his medicines, on every box of which are found his portrait and signature.

THE ABOVE BRIEF DESPATCH ONLY TOUCHES A PART OF THE LARGE FIELD OVER WHICH GENERAL KUROPATKIN HAD BEFORE REPORTED A GENERAL ENGAGEMENT IN PROGRESS. IT REFERS FIRST TO THE FIGHT WITH GEN. KUROKI'S FORCES, ADVANCING TOWARDS LIAO YANG AND MUKDEN AND SECONDLY TO GEN. NODUA'S ADVANCE ON HAI CHENG. IN BOTH CASES WE HAVE JAPANESE SUCCESS AND ADVANCE WITH THE USUAL RUSSIAN RETREATS. NO MENTION IS MADE OF WHAT GEN. OKU WAS DOING ALTHOUGH HE WAS ALSO ENGAGED TO THE WESTWARD OF THE RAILWAY LINE NOT FAR FROM HAI CHENG. WE SHALL DOUBTLESS HAVE FURTHER IMPORTANT NEWS AT ANY EARLY DAY CONCERNING THESE MOVEMENTS.

THE CENTENNIAL CELEBRATION

Observed Yesterday at St. Joseph's Convent

Proceedings were Highly Successful—An Eloquent Sermon by Rev. J. C. McMillan.

Centenary celebration of St. Joseph's Convent commenced yesterday morning at 10 o'clock by Pontifical High Mass which was sung by His Lordship Bishop McDonald assisted by Rev. J. C. McLean and Rev. T. Curran as deacon and subdeacon, Father McLennan and Father Theobald, Gallant Deacons of Honor, Rev. J. C. McMillan, High Priest and Rev. Dr. Morrison, Master of Ceremonies. An eloquent sermon touching on the early history of the Catholic Religion in P. E. I. and the establishment of St. Joseph's Convent was delivered by Rev. J. C. McMillan, Cardinal.

St. Dunstan's Cathedral choir under Director Blanchard rendered Leonard's Mass and Mozart's 12th Gloria.

After High Mass the following clergy were entertained to luncheon by the ladies of the Sodality: His Lordship Bishop McDonald, Rev. Dr. Morrison, Spiritual Director of St. Joseph's Sodality, Father J. C. McLean, a former director, Rev. J. C. McMillan, Rev. Terence Campbell, Dr. T. Curran, Rector of St. Dunstan's College, Rev. R. J. Gillis, Rev. Gregory McLellan, Rev. K. McPherson, Rev. A. P. McLellan, St. Andrews and Rev. J. M. Beardon. In the afternoon an At Home was given and all members, both resident and visiting spent two enjoyable hours and were delighted to meet Mother St. Angelina, the first Superioress of St. Joseph's Convent.

In the evening at 7.15 Benediction was given and the singing of the Sodality Choir under Mother St. Athanasia was excellent and was followed by the Te Deum sung by the clergy. At 8 o'clock all repaired to the Hall which was beautifully decorated for the occasion. An address was read by one of the members to which His Lordship happily replied. Auld Lang Syne was then sung, Fathers McLean, Gallant and McMillan joining in the trio. Father McLean favored the audience with a solo, and the singing of the National Anthem closed the day's celebration.

PROF JOHN CAMPBELL DEAD.

A STABBING AFFRAY.

A stabbing affray took place in the city last evening shortly after six o'clock. The victim was Harry C. Connolly and he was taken to the City Hospital about seven o'clock suffering from a cut across the front of the stomach inflicted by a knife.

It was difficult to obtain particulars of the stabbing last night as the principals were in a partly intoxicated condition

but it is alleged that the deed was done by one James Murphy in a saloon on Great George street. The quarrel which preceded the deed was of short duration, but Connolly had a narrow escape for a slightly deeper cut might have been fatal. The wound was dressed by Dr. Kelly and last night the victim was taken from the hospital to his home on Grafton street.

THE PRESBYTERY IN SESSION

Transact much Business at St. James Yesterday

New Moderator Elected and Old Clerk Re-Elected—Matters re St. James, Discussed.

The quarterly meeting of the Presbytery was held in St. James Church yesterday. After reading the minutes of last meeting the business of the docket was taken up.

Rev. H. G. Gratz, Alberton, was appointed moderator for the coming six months.

The question of the appointment of a Clerk for the ensuing year was taken up. The nominees were T. C. James and Rev. R. G. Sinclair of Montague but the motion in favor of the latter was withdrawn after some discussion.

Rev. A. McLean Sinclair, Belfast was nominated for the moderatorship of Synod.

Rev. D. Finlayson of North Dakota, was asked to sit and correspond.

Permission was given to other members of Presbytery to add their names to Rev. Mr. Fullerton's dissent to Presbytery's action re the eldership of David Small which was to be transmitted to Synod. Considerable discussion ensued on this question and Rev. Mr. Millar who had signed while not present at the meeting in which the matter was considered, had his name erased.

A committee composed of Messrs Sinclair, Belfast, Sinclair, Montague, Raitt, Alberton were appointed to answer those dissensions and defend the action of Presbytery before the Synod.

Mr. Murray as one of the committee to visit the congregation of French River reported that the people consented to be connected with Kensington and Long River churches. There was trouble about the church lands which were not legally created in any way, however. He suggested that the lands be put temporarily in the hands of a committee of Presbytery.

There part of the committee was adopted and the diligence of the committee commended.

The Presbytery then adjourned for luncheon.

The Presbytery met at 2.30 and resumed the discussion on the recommendations of the committee re the Long River or New London North congregation.

After the matter was considered for some time it was agreed on the recommendation of Rev. Mr. Fullerton that the matter be dropped for the present, to be discussed at the session of Kensington and Long River to be held and also the representatives of French River and that the matter be then resumed for all time by the Presbytery.

Rev. Mr. Murray presented a call with 300 names from Long River and Kensington with \$300 stipend to Rev. A. D. Sterling. The conduct of the moderator was approved but the issuing of the call delayed for a week and the Presbytery meet next Wednesday at 11 o'clock in Kensington at which the previous matter be disposed of and the call to Rev. Mr. Sterling issued.

T. C. James as Convener of the Committee to strike standing committees reported on the committees for the Presbytery and a committee was appointed who examined the sessional records.

The moderator was instructed to receive into the Presbyterian church Rev. John H. Davis, M. A. of St. John formerly a Baptist minister preparing for missionary work and when he situated his acceptance of the formula that his name be added to the appendix of the roll.

Rev. E. J. Rattet, T. C. James, and Hon. B. Rogers reported on the meeting of the General Assembly in St. John.

The amount collected to date for Presbytery Fund was \$164, with other small additions.

In answer to a question of Rev. Mr. McDonald as to election of elders the principle of the congregational, not sectional, election was enunciated by the Presbytery.

A number of changes of Presbytery bounds as drafted by the committee of the Synod was read and approved by the Presbytery.

A petition, asked by forty five members of St. James Church to be forwarded to the Synod, requesting the action of the Presbytery in dissolving the session be reviewed, was read, and gave reasons for the request of such action. No one appeared in support and a motion was made that it be held as fallen from it. It was a reed however that no action be taken.

A memorial, supported by T. C. James was submitted from the session of St. James and another from the trustees, requesting that the Synod take no action in the case of David Small. The papers were ordered to be submitted from the Synod.

The Presbytery adjourned to meet in the church at Kensington next Wednesday at 11 a.m.

IN OUR GRANDFATHER'S YOUTH. Paralysis was almost unheard of in the youth of our grandfathers, and nearly every newspaper contains a record of someone being stricken with this dreadful form of helplessness. Paralysis is in reality a starving of the nerves, and can always be prevented by the timely use of Dr. Chase's Nerve Food, a preparation which has no rival as a creator of nerve force.
