TIVERTON, R. I., Nov. 1.—Three men were killed and at least 10 injured today after the collapse of a new fuel tank brought fire and explosions to cause damage estimated by fire officials at \$1,000,000 at the plant of the New England Terminal Company.

Fire Rages

Late tonight the fire still was raging, but firemen from four cities believed they had it nearly under control. One peril remained as the flames crept close to the base of a tank containing 80,000 gallons of fuel oil. Fire officials were hopeful they would be able to keep the huge container from exploding.

Women fainted, others became hysterical and firemen, policemen and reporters were singed by the heat as oil tanks exploded and rocked the countryside for miles around.

Clouds of Smoke

Until tonight huge columns of smoke rolled into the sky while the fire defied the efforts of Tiverton, Fall River, Mass., and Boston, Mass., and Providence firemen.

The dead were:
"Chief" Gaylor Henshaw, a Cherokee Indian, of Vinita, Okla.; Lester Hornback of Tulsa, Okla.; Henry St. Pierre, 23, of Fall River.

The injured:
Hubert Smith, Oklahoma, wrenched shoulder and sprained back; Frank Agular, 42, North Tiverton, spine injuries; Christopher Agular, 47, North Tiverton, possible internal injuries; Manuel Luiz, 39, North Tiverton, possible internal injuries; Manuel Duarte, 21, North Tiverton, head contusions; Edward Hornback, Tulsa, Okla., leg injury, Frank Agular and Luiz were not expected.

TRANSATLANTIC AIR SERVICE IS PLANNED

British, Canadian, and Newfoundland Governments See Eye-to-eye On Scheme.

ST. JOHN'S, Nov. 1.—(C. P. Cable)—Prime Minister F. C. Alderdice tonight intimated the Governments of Great Britain, Canada and Newfoundland had reached an agreement with regard to a proposed Trans-Atlantic Air Service.

The terms could not be disclosed at present, he said, but they were satisfactory to all parties who had participated in a Conference here last summer.

In Accord

The Prime Minister was interviewed following Sir Eric Geddes' announcement to shareholders of Imperial Airways in London that

HITLER IN PEACE APPEAL

WEIMAR, Germany, Nov. 1.—(A. P.)—Chancellor Adolf Hitler in an address tonight declared that peace and order reigned in Germany and asked the world "to leave us in peace."

He spoke at a mass meeting. There is unrest in other parts of the world, he said, adding, "let the world leave us in peace to seek our own salvation, and may the others find theirs in their own way."

Inveighing against the post-war Versailles Treaty, he asserted that "we can not affirm too often before the world that the charge that Germany is guilty for the war is not true and was subscribed to against our better judgment by intimidation."

Regarding the arms question Hitler said he would never bow to threats. He appealed to the nation to see that "November 12 will be a November Day of honor to wipe out the November Day of shame in 1918."

A plebiscite on the Administration's foreign policy will be conducted Nov. 12.

B. C. Electors Settle Puzzling Problem Today

(Canadian Press)

VANCOUVER, Nov. 1.—As the hour for balloting in British Columbia's "jig-saw puzzle" election approaches, indications were the weather would be unfavorable to a heavy vote. Rain was falling in southern coastal sections of the Province, wintry conditions prevailed in many sections of the interior.

T. D. Pattullo, Liberal leader, today had placed a final appeal before the electors of Vancouver, addressing two meetings, he held national credit should be devoted to promote a war on poverty. If Federal aid was not forthcoming,

and British Columbia was compelled to handle the problem alone, she would prove equal to the task, he asserted.

Election in a lull from two ridings takes place tomorrow. From 8 a. m. to 8 p. m. P. S. T., voters will go to the polls to cast their ballots. In Vancouver centre and Victoria a deferred "little" election will be held Nov. 27 to determine the complexion of six of the 47 seats in the Legislature.

In Victoria, Premier S. F. Tolmie wound up his campaign with a rally at Sannich tonight. Mr. Pattullo was spending election eve in the capital.

Reich To Expel Brit. News Writer

Noel Panter, Held By German Police, Incurs Wrath Of Hitler's Storm Troops.

MUNICH, Germany, Nov. 1.—(A. P.)—Noel Panter, a British newspaper correspondent accused of misrepresenting a recent Nazi gathering at which Chancellor Hitler spoke, will soon be released from the Munich jail and expelled from the Reich, an official statement said tonight.

Presence Undesirable

The states attorney in Leipzig, the communiqué declared, found after mature consideration that there was no further cause for prosecuting Panter and that "a continuance of his sojourn in Germany is undesirable."

No date was set for his release and expulsion.

His brother expressed himself earlier today as confident the correspondent would soon be released without trial from the Munich jail.

Arrested As Spy

Panter, a correspondent here for the London Daily Telegraph, was arrested October 25 and held at police headquarters on an official charge of "suspicion of espionage."

For several days he was held incommunicado, but the British Consul General made strong representations and was later allowed to see him.

The incident also called forth an interchange of notes between Foreign Office authorities in Germany and London. At the time of his arrest Panter was unofficially told he aroused the anger of Nazi authorities by his article on a speech Hitler delivered before storm troopers near Kelheim, Bavaria.

The Charge

Panter was said to have attached too great significance to what he called the military character of the exercises and wrote that the German press had been ordered "to avoid everything that might represent the celebration as of a military character and particularly to make no mention of the firing of salutes, the inspection of the ranks by the chief of staff, and the participa-

Trouble Feared In The Holy Land

Precautions Taken On Eve Of Moslem Mass Protest Against The Balfour Declaration.

(Associated Press)

JERUSALEM, Nov. 1.—Great apprehension was felt throughout the Holy Land tonight as the prolonged agitation of Arabs against an increasing Jewish immigration approached a crisis—the sixth anniversary tomorrow of the fateful Balfour declaration.

Even in normal years the Moslems stage a mass protest on that day against the historic document in which Great Britain promised to facilitate the establishment of a national Jewish home in Palestine.

What they can do tomorrow with a rigid military rule in force, because of frequent rioting in which at least 30 have been killed and 200 wounded, remained a matter of conjecture.

A general Arab strike continued today, causing a delay in shipping. (In Amman, Transjordan, anti-British demonstrations occurred while Emir Abdullah attended exercises opening a harbor at Haifa, Palestine. Tension continued.)

Will Broadcast Empire Program

LONDON, Nov. 1.—(C. P. Cable)—The Prince of Wales, it was announced tonight, will take part in the British Legion's Empire Remembrance festival in Albert Hall Nov. 11.

The ceremony will be broadcast as an Empire programme for subsequent transmission at suitable times in other parts of the Commonwealth.

NINE WOUNDED BY BOMB EXPLOSION

Havana Police Headquarters Scene of Tragedy—Political Unrest Spreads.

(Associated Press Staff Writer.)

HAVANA, Nov. 1.—(A. P.)—A bomb exploded in police headquarters tonight wounding nine persons, three of them probably fatally. Two policemen and a civilian expert engaged in installing a new police radio circuit were reported dying.

The bomb was found outside police headquarters and had been brought for examination to an explosives expert who was preparing to open it when it let go. Four officers were reported from hospital to be in serious condition.

FORMER LABOR MINISTER FINED

(Canadian Press)

BROOKVILLE, Ont., Nov. 1.—Hon. Peter Heenan, former Minister of Labor, was drected by Mr. Justice Armour, of the Supreme Court here today, to pay \$700 damages to Abraham Tassis, local junk dealer, arising out of a collision on highway No. 2 at Mallorytown Village on May 12 last.

His Lordship found for Tassis in the sum of \$1,000 as a result of the motor car driven by the former Minister colliding with the local man's wagon. Tassis was considered by the court, however, to have been negligent for the accident to the extent of 30 per cent for lack of proper precaution in driving on to the highway from a private road. Mr. Heenan was found to have been negligent to the extent of 70 per cent for not turning his car further out in the road when he first observed Tassis on the highway. Damages of \$700 consequently were assessed by Mr. Justice Armour against the former Minister.

Canadian Girl Shot Watching Parade In N. Y.

(Canadian Press)

NEW YORK, Nov. 1.—Reba Garson, little Canadian girl who was mysteriously shot in the abdomen while watching a political parade in Brooklyn last night, was reported from hospital tonight as apparently out of danger.

Earlier in the day it was said the girl, daughter of Mr. and Mrs. Frank O. Garson, who left their native Saint John, N. B., six years ago, was critically wounded and was not expected to recover, but her condition took a pronounced turn for the better early tonight.

Mayor John P. O'Brien, who addressed the paraders Reba was watching with her mother when she was shot, presumably by a Hallowe'en celebrant, visited the little girl in hospital today.

U.S. Report Shows Canadian Exports Have Big Gain

Increase Of \$7,471,219 Revealed For Sept. Over Same Period Of Last Year.

(Canadian Press)

WASHINGTON, Nov. 1.—Canadian exports to the United States for September jumped \$7,471,219 as compared with the same month in 1932, according to figures published by the United States Department of Commerce today. At the same time there was not a correspondingly large increase in United States exports and America's favorable balance of trade with the Dominion dropped from \$6,123,212 last year to only \$998,871 in September this year.

Canadian imports to the United States in September this year totalled \$19,978,643 against \$12,507,424 last year, while American exports rose from \$18,730,636 to \$20,977,514, an increase of \$2,246,878, or less than a third of the increase in Canadian exports to the United States.

Fears Held For Safety Of Nova Scotian Vessel

(Canadian Press)

PARRSBORO, N. S., Nov. 1.—Anxiety was felt here tonight for the three-masted schooner Cape Blomidon, nine days out of New York with a coal cargo for Yarmouth, N. S. Two fierce storms have carried death and destruction along the North Atlantic seaboard since the Nova Scotian schooner put to sea, and fears were held lest she had met mishap in one of the gales.

With a crew of seven under Capt. Roy C. Merriam of Spencer's Island, N. S., the Cape Blomidon sailed from Parrsboro with a cargo of lumber for New York. There she took on 725 tons of coal for Yarmouth.

Two days after she sailed from New York, a howling gale whipped the coastal waters, paralyzing shipping along the Nova Scotia coast. And again, over the week-end, a north-easter lashed the coast, stranding the tanker Talarante and casting a lightship adrift off Halifax harbor.

While the Cape Blomidon was five days overdue, there was a possibility she had put into some port for shelter.

Quebec R.C.M.P. Round Up Liquor Smugglers

(Canadian Press)

MONTREAL, Nov. 1.—(C. P.)—Royal Canadian Mounted Police tonight straightened out details of what was described as their paralyzing blow to the liquor smuggling industry and prepared for what is expected to be wholesale prosecution of rum-runners.

Seizure last Sunday of documents said to incriminate 528 persons in illegal traffic between the French owned islands of St. Pierre et Miquelon and St. Lawrence coast towns in Quebec brought to a climax weeks of intense investigation into the activities of rum runners. Simultaneous descents were made on "headquarters" in towns of Matane, Riviere Du Loup, Bic, and St. Francois Du Lac while several liquor laden vessels—including the river boats Skipalong and No. 12—were also seized.

It was understood the leader of the ring was being detained at Riviere Du Loup and that several other arrests were imminent.

School Burned At Heatherdale

The schoolhouse at Heatherdale, a few miles from Montague, was burned to the ground last evening. The fire which was of unknown origin was discovered about 10.30 by residents living in the vicinity of the school. As the blaze was well advanced at the time of its discovery, it was impossible to make any effective effort to save the building.
