**STARTLING STORY**

**Mrs. Thos. Adams** had Bright's Disease—Dodd's Kidney Pills Cured Her.

**COLLINGWOOD, Ont., Feb. 1.**—(Special)—While Bright's Disease is daily adding to its terrible death list Collingwood numbers among her citizens one who has had the dread disease in its worst stages and who is to-day a healthy hearty woman. Mrs. Thomas Adams is the lady's name and in an interview regarding her cure she says:

"I moved here from Burk's Falls nearly two years ago. I had suffered for years with a pain in my back that gradually grew worse. Till in March, 1900, I was utterly helpless and the doctor told me I had Bright's Disease. He could do nothing for me. A friend of my husband induced me to try Dodd's Kidney Pills. They brought me relief from the first and after using three boxes I was able to do my own work. I have had no return of the trouble since.

**REV. A. E. BURKE, Alberton.**

**DEAR FATHER BURKE,** I have your letter of July 20. Pray accept my sincere thanks for your kind welcome and for all your good wishes. I am glad to say that I have quite recovered my health although my strength is not yet sufficient for any task requiring very arduous or long sustained application. By husbanding my strength this winter I hope to be stronger than ever to do the little which I may be able to do for the farmers of Canada not forgetting those who somehow lie perhaps nearest to my heart, those of Prince Edward Island. After referring to Messrs. McKinnon and McNeill who are present at the meetings, Prof. Robertson adds "I do not think I shall find an opportunity to visit the Island before spring or early summer but I hope to have the pleasure to do so then. Faithfully Yours,

**J. W. ROBERTSON.**

**MISS JONES' VOICE GREATLY IMPROVED.**

A startling improvement is noticeable in Miss Jones' singing. Her voice is stronger, and sounds clearer and sweeter than before using Catarrhoxone, which is a wonderful aid to singers, speakers and ministers. CATARRHOZONE INSALER insures absolute freedom from Colds, Coughs and Catarrh, clears the nose and throat, and prevents hoarseness and huskiness. Catarrhoxone makes the voice brilliant and enduring, and is uncommonly well recommended by Prima Donnas, members of Parliament, Lawyers, Doctors and thousands that use it daily. Better try Catarrhoxone, Price \$1.00; trial size 25c. Druggists, or N. C. Polson & Co., Kingston, Ont., 15, Front St. E.

**DISINFECTANT.**—Prevention is better than cure. Better to expend a little time and a small amount of money in disinfecting your premises than to lay your home open to an attack of Diphtheria or other infectious diseases.
