My back had been in a very weakened condition all this time and the kidney secretions were always highly colored and contained a heavy sediment. It was always a great effort for me to raise myself out of a chair or to turn in bed. I had tried various kinds of remedies but none seemed to help me, until through an advertisement I learned of Booth's Kidney Pills and procured a box at Geo. E. Hughes Apothecaries Hall and began treatment. It was wonderful how quickly they acted for after a weeks treatment, my back had strengthened and did not trouble me in the least.
